"The LAND of SHINING MOUNTAINS"

Glacier National Park (in Montana), Wateron Lakes Park (in Canada)

"The LAND of SHINING MOUNTAINS", the National Park which straddles the Canadian and United States border, is a vast and beautiful wilderness, with over 700 miles of trails and more than 1,360 miles of lake shoreline.

The park is a natural wonderland of towering peaks, crystal-clear lakes, and dense forests. Visitors can explore the park on foot, by bike, or by boat, and witness the beauty and diversity of the Canadian Rockies.

The park is home to a variety of wildlife, including elk, bighorn sheep, and moose. Visitors can also see the remarkable glaciers that give the park its name, including the Grinnell Glacier and the Pond Glacier.

The park is a popular destination for outdoor enthusiasts, with activities ranging from hiking and camping to fishing and wildlife watching. Visitors can also take guided tours and participate in educational programs to learn more about the park's history and ecology.

To the north of the Rockies, the park extends into the Canadian Rockies, providing a stunning backdrop for visitors. The landscape is a breathtaking display of natural beauty, with snow-capped peaks and crystal-clear lakes.

The park is open year-round, but visitors are encouraged to check the park's website for information on specific trails and activities.

For more information, please visit the park's website or contact the park's visitor center.
