July 19, 1927

To Hon. J. E. Erickson, Governor, and
Hon. L. A. Foot, Attorney General,
Helena, Montana.

Gentlemen:-

We herewith submit report of an examination of the cash and accounts of the Stallion Registration Board, as made by F. E. Williams, Deputy State Examiner, on July 19, 1927, as follows:

SECRETARY	MR. C. N. ARNETT

To balance July 1, 1927		1,148.42

ACCOUNTED FOR AS FOLLOWS
July 1, 1927

Liberty Bond		1,000.00	
Balance in Commercial National Bank of Bozeman	231.77		
Less unfinished business (unverified)	83.35	148.42	1,148.42

EXAMINER'S NOTES

The unfinished business could not be verified, as no record is kept of same, and it could only be assumed that the excess in the account was on account of the deposit of items for which official receipts have not been issued. A record should be kept of all unfinished business items in such manner that the balance of unfinished business could readily be verified at any time.

Lump sum advances have been made for traveling expenses in sums of $150.00 and $50.00, without itemized statement of the expenses incurred. Traveling expenses should be handled as a refund of expenses actually incurred rather than by making cash advances before the expenses of the traveling have actually been incurred.

Respectfully submitted,

JAY G. LARSON,
State Examiner

F. E. Williams
Deputy State Examiner
