Joseph Egan, President
Vegetation Education and Enhancement Group Incorporated
717 North Ewing
Helena, MT 59601

Dear Joe,

I am working on my book on rest-rotation grazing and have ideas on ways of informing the public on the subject after the book is completed. I have not sought, nor am I seeking any help in this effort.

I do not wish to be associated with anyone else that is attempting to deal with any part of my subject.

I know longer wish to be a director of VEG, Inc. I know you can understand.

Sincerely,

Gus
