The Weekly Exponent

VOL. XI. THE WEEKLY EXPONENT, FRIDAY, FEBRUARY 13, 1920. NUMBER 16

GONZAGA GIVEN TWO DEFEATS AT BOBCATS' HANDS

Washington Sectarian School is on Match for Montana State Hoopsters in Games Played Here Monday and Tuesday Nights.

Last Monday the Gonzagans fighting furiously to the last were outplayed to the count of thirty-two to seven. While plainly outclassed the visitors were game to the end and put up a stiff fight.

Montana tipped the ball and the game started with the ball in the hands of the Bobcats. Harris broke the ice by dropping a long shot thru the hoop scoring the first basket. From then on the blue and gold rolled in score after score, with Washington fighting to keep up her end of the game. Crowley was doing great work guarding but the team lacked the ability to back up his work and make the baskets. The college team showed the quality of team work they have developed and some of the fight they were able to put across in Missoula. Bush and Pitts were on the job all the time seldom permitting a man to get even a long shot at the basket. The result of their work was shown when the half ended leaving Gonzaga with three points made on fouls.

The Spokane team took a rally the second half and tried to eat the Bobcats alive but Jorgy responded with two quick baskets and the college was off. The game became rather rough and Geers the Gonzaga right forward was laid out for a couple of minutes but was in the game as soon as he got his wind back. Crowley continued taking the ball down the floor alone but was unable to reach his goal and his plays were repeatedly broken up. The game ended with the score 32 to 7 in favor of the Bobcats.

The lineup follows:

M. S. C.		Gonzaga
Jorgenson		Geers
	Right Forward	
Taylor		Lee
	Left Forward	
Harris		Murray
	Center

OLD STAGS WILL DEAL NEOPHYTES AWFUL TORTURE

New Instruments of Torture Arriving Daily and Will be Set Up in First Class Shape by Next Friday Night.

Take heed, ye unanointed!
"The fateful day is drawing nigh
When gloating eyes shall watch men die
When groaning, growling, meaning,
Howling, tortured souls shall cry,
But no mercy shall be given.

The venon of a thousand hags,
Unleashed by scourng, vengeful Stags.
Till oozing, swelling,bruising, welling
Life-blood binds and gags.
Still no mercy shall be given.

A ray of hope begins to dawn
The first to pay, the first is drawn
Go hustling, hurry, bustling,
Scurrying, Strive to be a Fawn
Some mercy may be given.

Take heed ye unanointed! The gang is busy. Instruments are being imported from Hades at a fearful rate. Captain Oberle has his plans made for the terrible day of the 20th. Everything is going at its best. The dues this year for new members will be $2.50. This is payable to Earl Kelley, Tom Bogy or Walter A. Kennedy. First to pay are the first to go through. Here is a chance to get your revenge on a fellow sufferer. Every live, red-blooded man of the college is expected to go through. No excuses will be accepted. If you haven't the price, borrow it. A funeral is more expensive in the long run. The Stags hope that none will be necessary this year.

But—to drop back to earth. The

Phi Gams Receive Interesting Letter

Students who were here last year will recall that the Phi Gamma sorority gave a dance for the benefit of the French blind. It was well supported and something over one hundred dollars was realized in net profits. This money was sent to a French agency, and was used in the care of soldiers who had lost their eyesight during the war. The girls of the Phi Gamma sorority are to be commended for the action they took in this matter. That the act of kindness was appreciated can be deduced from the following letter.

Paris 43 Avenue Montaigne
15 October, 1919

Madam:-

Madame de Lauristoy has just forwarded to me the splendid sum that you sent her in behalf of the Phi Gamma sorority, and destined to mitigate the fate of the unfortunate blind soldiers. Oh, Madam, how can I thank you for an act so generous, but which, however, does not surprise me, forI realize all that the Americans have done in this terrible war.

May I ask you to be my interperter to these young ladies, whose countenances, thanks to the photograph you were kind enough to send, reveal so much intelligence and kindness. Tell them for what a good purpose this money has been used.

Among so many blind soldiers, about 3,000 I am particularly inter-

HOST OF LOYAL ROOTERS INVADE BEAR TERRITORY

Over Seventy-Five Montana State Supporters Make Trip to Missoula by Devious Routes to Root for the Bobcats.

Toot! Toot! Missoula, and 75 human cinders, garbed in coveralls, rolled from beneath the rods of No. 1 and the fast freight that followed it into town. The villagers, whose only excitment is watching the train come in, gazed in amazement. Was it Coxey's army on their return trip or had the "Wobblies" come to seize the town hall and blow up the blacksmith shop?

M-O-N-T-A-N-A S-T-A-T-E! came in husky tones from the invaders' smoke-lined throats. The on-lookers could see no reason for one of them to be twisting himself into bow-knots, but as the setting sun broke through the halo of smoke around his head, and disclosed a slight brownish hue, those who were shouting their war cry to the skies knew that "Red" was on the job.

Hiram Smith, the lion-hearted constable, crept up to one of the husky visitors and asked in awed tones: "What's the occasion?"

"We're bad men and we want some wild meat. The wilder the better." came the answer.

"You-all might try eating up at the university. The boys all say that it is a bear," returned the minion of the law.

That night and the next the hoboes feted on bear steak, tough but satisfying. Indeed, so intense was their appetite and so fierce their method of attack that a few were bruised in the process. Old bruin showed a few signs of life and left his mark on a couple, but what does one care for a black eye when one's belly is full. Even cold water could not dampen their ardor, and the Bobcat hoopsters could depend upon a cheer every minute of the game.

The trip home was made through various channels and without incident. Some came by way of the capitol city and others through the big mining camp. Some came by "blind" and others by the old "side-door." Some came home with money and others came broke, but they all arrived in Bozeman, hoarse and happy.

This should have ended with that last paragraph, but we hope you will bear with us and that T. R.'s cow song will forgive us for this little parody, which one of the travelers hummed all the way home:

Oh, the train began to roll,
And I began to ride.
The brakie threw me in the ditch.
Hell! I nearly died.

Fast M.S.C. Men Completely Swamp Bear Aggregation

By Scores of 32 to 17 and 19 to 15 Powell's Undefeated Team Romps Away With First of Four Games With the State University, on Their Own Floor. First Game Rough and one Sided and Outcome Never in Question. Second Game Much Faster and Cleaner with Some Real Basketball Playing. Many Loyal Montana State Students Accompany Team and are Much in Evidence at Games.

The Bobcat quintet returned home Sunday after paying their respects at the tea party in Missoula.

Playing fast consistent ball on the State University floor and with their condition, training and coaching showing at all times above that of their opponents, the undefeated Bobcat quintet romped away with the first two games with the Grizzly five last Friday and Saturday nights. Scores of 32 to 17 and 19 to 15 tell the tale of the double university defeat. A large number of loyal Bobcat rooters accompanied the team and made as much noise as the entire university during the two games.

First Game

The first game was said to be one of the roughest ever played on the University basketball court. Missoula took the initiative in the football play and the Bobcats were there with a come back. However after the first few minutes of the game the roughness could not be attributed to either team in particular but both did their best to make the party interesting.

The rough tactics continued throughout the game and after the contest several high school boys threw a pail of water on some of the M. S. C. rooters. They, thinking it was a trick on the part of the students immediately challenged the entire University and the fight was on. For a few moments there was considerable excitement in the vicinity of the gym.

In spite of the roughness there was not a dull moment in the game and the ball was kept in the air from the start until time was called. The rooters were kept in a high state of excitement throughout the contest.

The Bobcats did not get into their old form until the second half. Twice during the first half of the game Missoula led the score, however at the end of the half the college five were six points in the lead, the score standing 17 to 11. Taylor scored the first field basket a few minutes after the game opened. Larkin, the Grizzley captain and McKain, the center starred for Missoula, both making several long shots into the hoop. But the fast floor work and passing of our men bewildered the Bruins. Taylor and Jorgenson worked together admirably, the two of them scoring all but two points during the first half.

At the beginning of the second half it was evident what the outcome would be. The steady basket shooting and team work of the Bobcats took the fight out of the Missoulians and our men kept the ball at leisure.

Score: M. S. C. 32. State University, 17.

The lineup:

Taylor		Larkin
	Left Forward	
Jorgenson		Olson
	Right Forward	
Harris		McKain
	Center	
Bush		Sullivan
	Left Guard	
Pitts		Walterskirchen
	Right Guard	

Substitutes: Ahern for Olson; Straw for Sullivan, Joy for Ahern.

Field throws: M. S. C. Taylor 8; Jorgenson, 5; Bush 1. University: Larkin, 2; McKain, 4; Sullivan, 1. Foul throws Larkin 3; Taylor 4.

Second Game.

The second game of the championship series was taken from the State University by a score of 19 to 15. The game was faster than that of the night before and was not as rough though there were 11 personal fouls called during the game.

The University quint played a better game than they did the night before but even so the Bobcat team outplayed them in all respects. Their fast floor work and passing and the true basket shooting of Harris, Taylor and Jorgensen proved too much for the Grizzlies. The close guarding of Pitts and Bush broke up all team work and plays on the part of Missoula. Harris starred for the Bobcats playing a much better game than the night before. Taylor took all of our free throws and put 5 out of the 8 into the hoop.

Larkin, the Grizzly left forward, made the first score of the game on a free throw and Taylor followed, hooking a free throw on a personal. McKain scored next, after several tries and Harris made a wonderful long shot into the basket. Taylor added one more for the Bobcats on a free throw. Time was taken out for McKain who had his neck wrenched. During the next few minutes the ball was kept in Bobcat territory and Harris scored again. Larkin and McKain made the next two baskets for the University. Jorgensen made the next score for M. S. C. and Taylor followed with another point on free throw. On a double foul, Larkin failed to make his point but Taylor again made his try good. Harris scored again. The half ended with the score 14 to 11 in favor of the Bobcats.

In the second half the game speed-

(Continued on Page 2.)

The District Leaders

Bowden Secures Dope on Different Teams in the Various Districts Which Indicates Pretty Well Who will Play In Tournament

Due to the very earnest efforts of Mr. Bowden, high school basketball results are coming in every week and it is now possible to record more fully just what each team is accomplishing. Tournament invitations are out and the teams to play in district meets have been grouped. In order to create some extra interest in the coming event of the tourney and to satisfy the individual curiosity of students interested in these various teams the following tabulation, will be run each week until the tournament.

The games played do not always mean against district opponents, but this also has been kept in mind in setting forth the first and second teams. Where second teams are not named, the information was not available.

1st Team	Games played	Games won	2nd Team	Games played	Games won
Flathead, Libby	9	8			
Northern, Poplar	12	10	Chinook		
Falls, Gt. Falls	4	4	Chouteau	3	3
West., Camas Prairie	4	4			
Mining, Butte	8	7			
Helena	8	7			
Yellowstone, Billings	6	6			
Eastern, Glendive	3	3	Miles City	3	1
Southern, Manhattan	8	5	Livingston and Bozeman		

Gallatin Farmers Want County Ag't

A representative group of farmers met with the county commissioners for the purpose of considering the organization of a farm bureau and employment of a county agent in this county. The meeting was called by the temporary farm bureau committee which existed before the war. All men present at the meeting expressed themselves strongly in favor of a farm bureau and county agent, inasmuch as Gallatin is one of the largest and richest agricultural counties in the state.

$4500 was appropriated by the commissioners, which, with the state and federal funds, will provide for the maintenance of a farm bureau office and employment of a county agent. The committee and county commissioners will meet next week to consider candidates for the position of county agent and to settle other details of the cooperative agreement.

Gallatin is the twenty-sixth county in Montana to have a farm bureau organization and a county agent.

Miss Garber left Wednesday to attend organization meetings in Ravalli County.

The American Legion, of Los Angeles, has recommended to national headquarters that the charter of the Milwaukee post, be revoked for allowing Jack Dempsey an honorary membership.

MISSOULA CUBS WILL BE HERE FEB. 16 AND 17

Frosh Have Raised Enough Money to Bring University Youngsters Here and Games will be Played Monday and Tuesday Nights.

On Monday and Tuesday nights the Missoula amateurs will be on the hill and will lock horns with Rice's first year men, in what promises to be one of the best basket demonstrations of the entire year. Since last week, these two teams have been matched in a round about way and the comparative scores show the Bear Rooks to have a slight margin of the points on their side. The underclassmen have all finance matters completed for the necessary expense money. Rice probably will be unable to attend.

This promises to be an extraordinarily exciting game and from several different standpoints should create an extra amount of interest. The teams have both showed themselves to be capable of fast work by this season's matches, and this last game will be the grand finale of their endeavors.

The freshmen have been working early and late in getting business matters arranged and every man and woman have done their utmost to help make the coming meeting a success.

Coach Rice is quarantined with the influenza and will probably be unable to foster his team during the game, but all shall cooperate in seeing his youthful olympians get a square deal.

The student body as a whole are back of this undertaking and are bound to help make it a huge success, and it is hoped that the town people will realize the importance of getting these two teams into action as a start for future relations and will put forth every effort to help the men along. Now, go to it, Frosh!

Miss Rowe left Thursday night for a two weeks vacation at her home in Iowa.

A CORRECTION

In last week's issue, a mistake was made in naming the officials of the Wesleyan Varsity game. Due to the absence of the Coach, Dr. O'Gorman and Rice were asked to take charge of the college team and these men were not officials. The officials were: Maddox, referee; MacFarlan, timekeeper; McDonald, score keeper.

Y. W. PREPARES FOR BIG STUNT NIGHT FEB. 21

Many College Organizations will Combine to Produce Vaudeville Show at Municipal Theater, Feb. 21. Promises to be Good.

Plans are now being worked out for a Y. W. C. A. stunt night on the evening of February 21 which promises to surpass in size and variety of stunts any similar affair held here in past years. The Municipal theatre has already been engaged for the evening and the different organizations are rapidly getting their stunt in shape for the big event. The performance will start at eight-thirty o'clock, immediately after the Mines game of the evening. In order that the two events may come on the same evening the game will be called at seven-thirty sharp.

It is the present plan of the Y. W. C. A. to have each fraternity and sorority put on some stunt any one of which will occupy a period of not more than ten minutes. The M club Electric Club, Literary Society, and Hamilton Hall and the Barracks will also each have a stunt. Each of the above organizations are working independently on their stunts and from indications some rare original classics will be put across.

Miss Helen Hill is manager in charge of the affair with Frank Harris, Gregor MacMillan and Anker Christenson assisting her. Christenson is acting as property man and is rounding up the necessary props for the different acts. Harold Eaton is acting as publicity man while Garrett DeKay will be in charge of the music. With so many organizations represented in the evening's entertainment a large proportion of the entire student body will have some hand in the performance.

The stunt night will be in charge of the college Y. W. C. A. and the returns will be used to defray the expenses of that organization and some accrued debts. Tickets were placed on sale yesterday morning and may be purchased from any one of over

FAST 1920 TEAM SUFFERS FIRST DEFEAT WITH '21

Game Between Upper Classes Marked by Rough Football Tactics. Juniors Take Long End of 10 to 7 Score.

Cut 'em loose! Eat 'em up! Might be said to be the by word of the second class tangle. It was one of the most interesting games of the season, filled with tactics of almost every sport known to the Bobcat athletes. "Christy" was there at center and seldom lost the jump, scoring the first basket of the game with a beautiful field basket. The game from then on was rough and furious with foot racing, stiff arming clinching, and scrambling in every direction. Many predictions were cast on the out come of the score which turned out ten to seven in favor of the Juniors who seemed to carry a horse shoe with them. Perhaps the seniors would have felt more at home with six more men in their lineup giving a chance to work up some real old foot ball interference. Pat Morphy armed to the teeth undertook to referee the game and succeeded in guiding the following line ups through the crisis.

Seniors—7		Juniors—10
Dickson		Neville
	Left Forward	
Oberle		Sayers
	Right Forward	
Christenson		Hibbert
	Center	
Roberts		Finch
	Left Guard	
Borton		DeVore
	Right Guard	

Substitutions—In the second half the Juniors put McConnell center, Limbert and Wylie guards and Eaton forward. Seniors put "Pud" center, Dickman guard, and "Christy" was shifted to forward.

THE WEEKLY EXPONENT

ESTABLISHED JANUARY 1, 1910.
(Outgrowth of Monthly Exponent, Established January 1, 1895.)

OFFICE—ROOM 1, REPUBLICAN-COURIER BUILDING.

The Weekly Exponent is strictly a student enterprise. It's chief purpose is to present to its readers, each week, an accurate and complete record of the developments in college affairs during that period and to exert its full influence for the upbuilding of Montana State College. The paper is the result of voluntary effort put forth by the students who compose the staff.

Published every Friday of the College year by a staff chosen from the students of the Montana State College of Agriculture and Mechanic Arts, of the University of Montana, Bozeman, Montana.

Acceptance for Mailing at Special Rate of Postage provided for in Section 1103, Act of October 3, 1917, authorized February 17, 1919.

SUBSCRIPTION RATE.
Two Dollars Per Year - - - - - Ten Cents Per Copy.
Students become subscribers upon payment of the regular Activity Fee.

THE TOURNAMENT

In but a few weeks the Ninth Interscholastic Basketball Tournament will be in progress and the best teams of the state will be matching their skill and endurance for the title of state champions of Montana.

The tournament, established in 1911 has done much to raise the basketball standards of the state and it can be said now that this sport in this state is on a par with that of any in the country. Real sportsmanship has been developed in the high schools, basketball has become a state wide and not a local sport only, and cleaner playing and a higher and more uniform standard of play has resulted from the annual tourney.

Every effort is being put forth to make this the banner tournament and if the plans now under way work out this will be an accomplished fact. Every student can help by doing his or her utmost to advertise the affair. This they can do in a dozen different ways. Write home and tell your folks all about it. Write your former schoolmates now in high school and let them know how badly we want them down here. If your home paper is not getting the latest dope from the publicity department of the college see to it personally that they do get it and urge that they use it. Work, cooperate, to the end that this will be a tournament long to be remembered.

ROUNDUP.

Roundup week, the week of reckoning, is about over as this paper goes to press, and it will be with a sigh of relief and an abundance of resolutions that the students will settle down to routine work next Monday

It seems plausible that this great state of ours should, through the proper authorities, stop the work of its educational institutions and reckon what percentage of its sons and daughters are accomplishing their work at the state's expense as they should. And so at times during the year there comes a pause in the quarter's occupation when ye student has opportunity to consider the many hours he has wasted in the six weeks gone by and from this speculative contemplation there invariably arises that time worn resolution to study harder.

S. of A. Defeats High School 2nd Team

The short course basketball team defeated the second Gallatin high school team to the tune of 21 to 7, at the drill hall, Friday, February 6. There was a good crowd from the short course student body to back their team. The first half ended 5 to 4 in favor of the S. C. Harry Edwards was the star player with 11 points to his credit.

The line up was as follows:

Gallatin.		Short Course
Burt	Right forward	Edwards
Richter	Left	Mendel
Hagen	Center	Snyder
Parmenter	R. guard	Cooper
Willis	Left	Buttelman
Anderson	Sub	Williams

Summary—Gallatin, Burt, 4, Richter, 1; Hagen. S. C., Edwards, 11, Mendel, 6, Snyder, 2, Buttelman, 2.

Miss Quaw and Mrs. Roosevelt are attending short courses in the northeastern counties of the state.

FAST M. S. C. MEN COMPLETELY SWAMP BEAR AGGREGATION

(Continued From Page 1.)

ed up. The Grizzlies were getting desperate. Taylor failed on two free throws but made a long basket from the floor. Jorgensen followed with another basket. Larkin scored again for Missoula and Taylor shot another free throw.

Sullivan lost his head and tried to get away with some rough play but was taken out on personals and Olsen went in in his place. During the last few minutes of the game the ball was rushed from one end of the floor to the other neither team scoring. Just before the gun sounded the Bobcats were leisurely passing the ball back and forth, the whole Missoula team playing down under Montana State's basket.

The game ended with the score of 19 to 15 in favor of the Bobcats. The contest was marked by the spirit and enthusiasm of the small crowd of rooters who journeyed to Missoula to support the team. However, the rivalry between M. S. C. rooters and the Missoula crowd was not as evident as on the previous evening.

The score was as follows:

M. S. C.—19. State University—15.

Lineup—

Taylor ..... Larkin
Left Forward.
Jorgensen ..... Ahern
Right Forward.
Harris ..... McKain
Center.
Bush ..... Sullivan
Left Guard.
Pitts ..... Walterskirchen
Right Guard.

Field throws M. S. C., Harris 4; Jorgensen 2; Taylor 1. University, Ahern 3; Larkin 2; McKain 2.

Foul throws M. S. C., Taylor 5. University, Larkin 1.

Substitutions: State University, Olsen for Sullivan; Joy for Ahern.

Officials: Referee, Ray Matter. Timekeeper, Henry Turner. Umpire, Duncan.

FRESHMEN DEFEAT GALLATIN 24 TO 12

Rice's fast infant team had little difficulty defeating Gallatin's best by a score of 24 to 12 in a game played as a preliminary to the M. S. C. Gonzaga game last Monday night. The play was fast and for the first few minutes the game was close. In the last half, however, the Bob-kittens gained a big lead which Gallatin could not diminish.

The freshman team was considerably handicapped owing to the fact that Whitney and Dyer were unable to play on account of injuries and sickness. Ritchie did good work at center and looks to be a coming Bobcat athlete. McDonald starred for the frosh, making most of the baskets for them both halves of the game. The second half of the game speeded up a little, when the substitutions were made. Cogswell relieved McCarren and Donohue took Ritchie's place the last of the half. For Gallatin Bullock substituted at right forward. The line up was:

Gallatin.		Freshmen
Wylie	Left forward	McCarren
Street	Right forward	McDonald
Pace	Center	Ritchie
Lund	Left guard	Hollister
Heageny	Right guard	Stump

Holm referee and Whitney score keeper.

Fuller Resigns To Work In Illinois

F. E. Fuller has resigned from his position in the Agronomy Department and will leave March 1st to take up county agent work in Putman County, Illinois.

Mr. Fuller came to Bozeman in 1917, from which time he has been engaged in county agent work and extension service. Mr. Fuller hails from Kansas and in 1911 graduated from Kansas State Agricultural College. After three years of farming in Idaho, he went to Ames College, Iowa, where he did graduate wark.

Much credit is due Mr. Fuller for notable work done in popularizing "Montana 36" wheat and silage sunflowers.

An increase in salary and a motor car are among the attractions of the Illinois position. The college regrets very much to lose one of its most active young members but hopes that his new position will be most pleasant.

Alumni and Ex-Students

Ruth Hartman Hall, '13, is visiting at the home of her parents on south Central.

Ralph Jorgenson, '17, referred the M. S. C. vs. Mount St. Charles basket ball game in Helena last week.

Announcements have been received of the marriags of J. Gordon Sewell, '18, and Miss Olson of Duluth, Minnesota.

Martha Johnson Haynes, '18, and her husband have arrived in California. They expect to remain there until spring.

Mark Wheeler, ex-'20, is a pilot in the Burr Flying Circus. The circus has recently held an exhibition in Pheonix Arizona.

GONZAGA GIVEN TWO DEFEATS AT BOBCATS' HANDS

(Continued from Page 1).

Bush ..... Kearney
Left Guard
Pitts ..... Crowley
Right Guard
Substitutes: M. S. C. Robinson center, King F., Tobey G. Gonzaga —Bush Conway and Malloy.

Second Gonzaga Game

Tuesday night ended the fourth victory on M. S. C. Collegiate schedule leaving them with a perfect record for the season. The game was slow from start to finish with no outstanding playing. The local team won by a score of 19 to 13. The change from the previous night was partly due to the visiting team making up their minds to hold the Bobcats and part to the fact that they were more used to the floor and the Montana players the second night.

During the first half Gonzaga tried several long shots and persisted till one of those kind providences saw fit to allow them to make a basket and it was a pretty throw. Taylor and Harris starred the first half, each making three field shots and Taylor one free throw. The whistle left the first half 15 to 5 for M. S. C.

More pep was shown during the second half than any part of the game. The visitors score came within two points of the Bobcats for a short time and some real basketball was played till "Swede" and Garvin rolled in a couple of baskets for the college. From that time on they lost all heart and the game was soon over leaving the score 19 to 13.

Garvin took center in place of Harris most of the second half and King took "Swedes" place shortly after.

The lineup:

M. S. C.		Gonzaga
Taylor		Lee
	Left Forward	
Jorgenson		Geers
	Right Forward	
Harris		Murray
	Center	
Pitts		Crowley
	Left Guard	
Bush		Kearney
	Right Guard	

Referee Holm; time keeper Finch.

UTAH GAME

A telegram came Wednesday to Coach Powell, cancelling the scheduled games for Friday night. The Mormons are quarantined with the influenza. They asked for a later date, but this is impossible because the team will have discontinued practice.

OLD STAGS WILL DEAL NEOPHYTES AWFUL TORTURE

(Continued From Page 1.)

Exchange Cafe will serve the Stags to an elaborate banquet at the hour of midnight. Immediately after this Otto Schmidt will put on a show at the Gem for the fellows. A good picture is expected or a couple of acts from the Pantages show that will be in Bozeman this night. Immediately after this there will be a series of home talent stuff that will be worth the admission to the stags alone. The Maxey Hall, the House of a Million Terrors, has ben rented for the rough-stuff. The American Express Company are busy hauling into this place each day instruments of torture that even the Kaiser would blush to see. MacMillan and "Pat" Morphey have charge of the afternoon stunts. There will be a Hula-hula Dancer, a snake charmer, a score of brick-layers and in fact everything that these able gentlemen can thing of.

One more thing. Every would-be-stag is requested to bring one dime, 10c, a tenth of a dollar to the evening's festivities. No excuse will be offered and woe to that man who forgets it.

Particular Shoe Repairing

When your shoes need "fixing" you will bring them to us if you have had work done at our shop.

You will remember that your work has always been done in the most satisfactory manner, every detail of finish and material absolutely the best.

DON'T NEGLECT YOUR HEELS

an uneven heel not only makes a shoe lose its shape but decreases the wear you get from the soles.

Society

Miss Grace Nutting was a guest of Vernie and Gussie Pool Saturday.

Harry Rundell and Leslie Gilbert moved to the Beta Epsilon house last Sunday.

Vernon Zacher and Vernon Anderson moved into the Beta Epsilon house this week.

Miss McCart, Miss Hinman and Holderby were dinner guests at the Epsilon house last Sunday.

Misses Evelyn Border, Florence Wesch, Merle Myers, Dorothy Ann Holland, Henrietta Moebus, Ruth Montgomery, and Wilhelmena Leach were dinner guests of Sigma Alpha Epsilon last Sunday.

I. A. Copeland, Bozeman, Dr. Smith brother of Justin Smith of this city, Leo Humphrey, Mr. Hines, and Melvin Corkin were guests of Sigma Alpha Epsilon fraternity for dinner on Monday evening, Feb. 9th.

The following members of the Gonzaga University basketball squad were guests of Sigma Alpha Epsilon for dinner Tuesday evening, L. J. Crowley, N. S. Higgins, Coach C. J. Conway, and A. E. Murray.

Twenty-two members of Sigma Alpha Epsilon made the trip to Missoula lending their support to the Bobcat quintet in the two basket ball games played in the University town on Friday and Saturday of last week.

Vernie Pool entertained a number of her friends at a spread Sunday night.

Miss Mildred Tallman was a guest of Frances Wocasek at Hamilton Hall Sunday.

Miss Grace Nutting was the guest of the Iota Delta fraternity at dinner Sunday.

Mr. H. Distad of Great Falls was a guest at the Epsilon house last Saturday.

The Alpha O girls will entertain the Phi Gamma girls this afternoon at their home.

"Peg" Lindsley returned Sunday from Missoula where she was a guest of Mrs. Summer over the week end.

Katherine Buzzell was a guest of the Misses Frances Wocasek and Marie Holmsland Monday evening.

Saturday afternoon, the Phi Gamma pledges will entertain at a matinee dance at the Ellen in honor of the active chapter and their patronesses.

Something new? something different? for our Alma Mater. Come to the Municipal theatre Saturday the twenty-first at eight o'clock to enjoy the college stunt nite. A happy time is promised for everyone. Don't forget the date February 21.

On Friday evening, February sixth, the Beta Epsilon fraternity held one of the most enjoyable dances of the season in the large ball room at the Elks' home. A feature of the dance was the programs, which everyone declared were the latest out. Thirty-two members and their ladies were present and dancing continued until a late hour. The chaperons of the party were Capt. and Mrs. Bubb, Dr. and Mrs. Hatfield, and Mr. and Mrs. Sloan. The music for the evening was furnished by Chisholm's orchestra.

Watch the blackboard. Bring those good kodak pictures up.

HEALTH SITUATION BETTER

Mrs. McCray, college nurse, reports that the health situation at the college is much better this week than last. There are a few cases of influenza among the students but all are very mild. Three of these cases are at the Sigma Chi house and there are a few among the students around town. A number of cases of sore throat and colds are on record but none are serious, the fact that the students will not go to bed for the ordinary sore throat or cold making it seem that there was much general sickness among the student body.

Enough for Him

"Now, there's some talk of a Father's Day."

"Oh, father doesn't want a day. Give him a night off."—Louisville Courier-Journal.

Most of us forget to remember; it is harder, far, to remember to forget. And the more one endeavors to forget, the more memory insists.

GALLATIN LUMBER CO.

SPORT COMMENT

If the Kittens go over to the hick town and get catty over winning the games, we'll have to get bearish and win all the games hereafter.—The Montana Kaimin.

We might have something to say about winning games, too, and you can get as bearish as you please. But Missoula, Missoula, how could you be so whaleish and spout water like you did?

Don't forget about Slicker's game.

Ohio State gets a stadium next year valued at $724,000.

Oscar Mathieson of Christiana is the world's ice skating champion.

Australia is to be represented at the Olympic games, in Antwerp, next summer.

The Annapolis midshipmen defeated Princeton last week in a dual swimming contest, marked by the excellent work of the navy swimmers in a 160 yard relay.

Jorgenson, the fast and accurate shooting forward of Powell's championship basketball five. A star on the fast Helena high school teams of a couple of years ago, Jorgenson started with the reputation of a basketball player and at no time while at M. S. C. has that reputation been detracted from.

Collections seemed to be in order during the trip to Missoula. The team were after scores, conductors on the N. P. tried to collect fares and Hagan collected a black eye.

Butte high school seems to be making great preparations for a state championship record, but a game at Helena last week, slightly weakens her, so far, excellent record.

One district tournament of especial interest will be played this week at Helena. At the gathering will appear the teams of Butte, Missoula, Bozeman, Livingston and Helena.

During the week, the Mines will have battled with both Gonzaga and Mt. St. Charles. Her coming game with M. S. C. next week, to create much excitement, must mean a large score for the ore rollers in these preliminary contests.

Deer Lodge Ramblers are claiming Montana's Independent championship and are willing to defend it against all comers. "The present excursion has included games with Helena, Havre, Ft. Benton and Great Falls. They made a trip last week and up to time of departure had only lost one game and that with M. S. C.

"Trow eet in de h-oo-o-p—Yor'genn—sahn."

Slicker Rice and Bill Tobey are on the sick list with influenza.

Missoulians say they want conference titles for baseball next spring. She wants it for basketball too.

Many arguments have been set forth that strenuous sprts weaken a man's life, but aged sports of days gone by prove just the opposite.

'Biernie,' Bierman, coach of the Grizzlies has handed in his resignation. Gossip says he intends coaching up on a homestead somewhere in Minn.

The polo team of the U. S. 7th cavalry, stationed on the Texas border, won the first junior cup in a polo tournament at Del Monte, by defeating Santa Barbara.

Butte high players are working hard for coming honors at the tournament. An interesting game will be played with Helena today. Each of these teams have won once from each other.

A coming figure in athletics is young M'Auliffe, of Butte high. He plans on entering the University next fall for he is now a high school senior. He has a brother, prominent, also in athletics, who is a senior with the School of Mines. These two brothers have made a splendid record.

Following are high school game results for the week:

Butte, 31	Fergus, 11
Billings, 29	Sweetgrass, 19
Helena, 31	Park, 24
Billings, 29	Big Timber, 19
Gallatin, 32	Three Forks, 18
Beaverhead, 31	Deer Lodge, 29
Custer, 43	Sheridan, Wyo., 13

Robertson, when he registered last fall, was best known as the "chief-of-police's-son". His work on the basketball floor has proved the inadequacy of the appellation, however, and some even predict that the rise of his son will shade the glory of "Big Jack."

The seniors, as a body, claim they did not have a fair deal in the game Tuesday night, for several things turned against them. The referee must have been juniorily inclined for he carried a double set of weapons against the onrushes of those who were ill treated and the time keeper must have been bribed for that last half surely did seen short. Taking all things into consideration, the upper class would like to see that game played over again.

Short Course ....Notes....

Dean Herrick spoke at the last short course assembly.

Henry Berg left for home last Sunday because of his fathers sickness due to an injury.

Ruth Gloyne left for her home at Harlem, Tuesday. Because of sickness she was unable to continue her work in school.

Work has begun on the play to be given the last week in March. This play is under the direction of Prof. Holst and Miss Helen Haller.

Last reports show that the Mines defeated Gonzaga on Wednesday evening 21-19, and that the Butte Central took Anaconda down, 30-16.

After the game February sixth the short course literary society gave a dance. There was a fair crowd and every one present had a good time. The barracks orchestra furnished the music.

Roy Hagen, '18, has been promoted to foreman of a testing department of the General Electric Company at Schnectady.

By Degrees

Hub: My dear, isn't that dress a trifle extreme?

Wife: This dress, darling! Why, I put this on merely that you may become acustomed to the one I am having made.—Boston Transcript.

PHI GAMS RECEIVE INTERESTING LETTER

(Continued From Page 1.)

ested in those who are mutilated. It is my duty to place them whenever possible in their own villages, where I try to buy them a small home. Here they may live with a member of their family if possible. In this way they are not deprived of everything.

Some have learned to knit with a contrivance placed on the fore arm. A woman is obliged to help with the yarn and to sew the pieces together, and thus, they are able to earn from 16 to 20 franks a day. They all have a prodigious courage. When their bandages are first removed and they are told that their sight is gone almost all wish to commit suicide, then, little by little, they regain interest in life, and finally the idea is banished altogether,

However, I should never finish if I told you all that I have seen. Your kind heart has understood that among the unfortunates in the war the blind are the most lamentable, and your generosity comes to their aid in a way not to be forgotten.

I thank you, therefore, in behalf of my dear proteges.

Very truly yours,
Georges Henri Manuel.
