Bud,

Congratulations from everyone at Field & Stream magazine for being selected as one of the May 2009 Heroes of Conservation. It's a pleasure to recognize individuals such as you who are committed to preserving natural resources. To begin the process of sending you your cash prize I have attached a W-9 form for you to complete. Please be sure to fax it back to me at 310-414-1531 or you can put it in the mail. Once I've received it back I can submit the paper work required on my end to send out your \$1000. If you have any questions please feel free to call me or email me.

Best,

Amanda Gastelum
