

*We're set for a winter adventure
And it's sure to be a winner—
Our guests will Ski-doo to Ramshorn Lake
And be back for Christmas dinner!*

*From December through April the hills will ring
With laughs from our happy crowd;
As we dash past astonished elk and moose
And climb to the nearest cloud.*

*We'll even help out Santa—
There's room in Carrie's sleigh
To bring you best wishes for '69
And a joyous Christmas day!*

JIMMY, PATTY, GAIL, CARRIE,
AND OUR SUMMER AND WINTER CREWS

*It will be a busy, gay Christmas this year.
Hope you'll be up to see us sometime
this winter — Our best —*
