

*The Ranch is bustling this Christmas,
For Gail has found her Jim.
December twenty-first at the Chapel
She plans to marry him.*

*Picture evergreen boughs and poinsettias—
Tapers casting a mellow glow.
Joyous chords swell from the organ
And Lone Mountain is mantled with snow.*

*We wish each and every one of you
Could be with us on their day—
But won't you join us with your thoughts
Though you may be far away?*
