Dear Dales,

Many thanks for your kind note. I'm pleased that you like my book, as I'm a big fan of your work. I'd love to go afield with you one day in your country. I get to Montana periodically. Maybe next season?

Going snipe hunting near Lake Okeechobee this weekend. Possibly some ducks. I'm a bit anxious about gators, who tend to view swimming labs as large topwater plugs.

Hope to meet you.

Best,

Jim
