

Flathead 1964

Oh the shark has pretty teeth dear
and he shows them pearly white
just a fad knife has MacHeath dear
and he keeps it out of sight.

When the shark bites with his teeth dear
scarlet balloons start to ~~flound~~
Fancy gloves though has MacHeath dear
as there is not a trace of red.

On the sidewalk Sunday morning
lies a body, oozing life
Someones sneaking round the corner
Is the someone with the knife?

From a tugboat by the river.
A cement bag dropping down
The cements just for the weight dear
bet your machies back in town.

Sloppy Susie was discovered
with a knife wound in her thigh
And MacHeath strolls down Doh street
looking dreamy at the sky.

There was rape down by the Harbor
Little Susie caused a stir
Claiming that shed been assaulted
wonder what got into her

Oh the shark bites pretty teeth dear
and he shows them pearly white.
just a fad knife has MacHeath dear
and he keeps it out of sight.
just a fad knife has MacHeath dear
and he keeps it — out of sight.

STREET SINGER

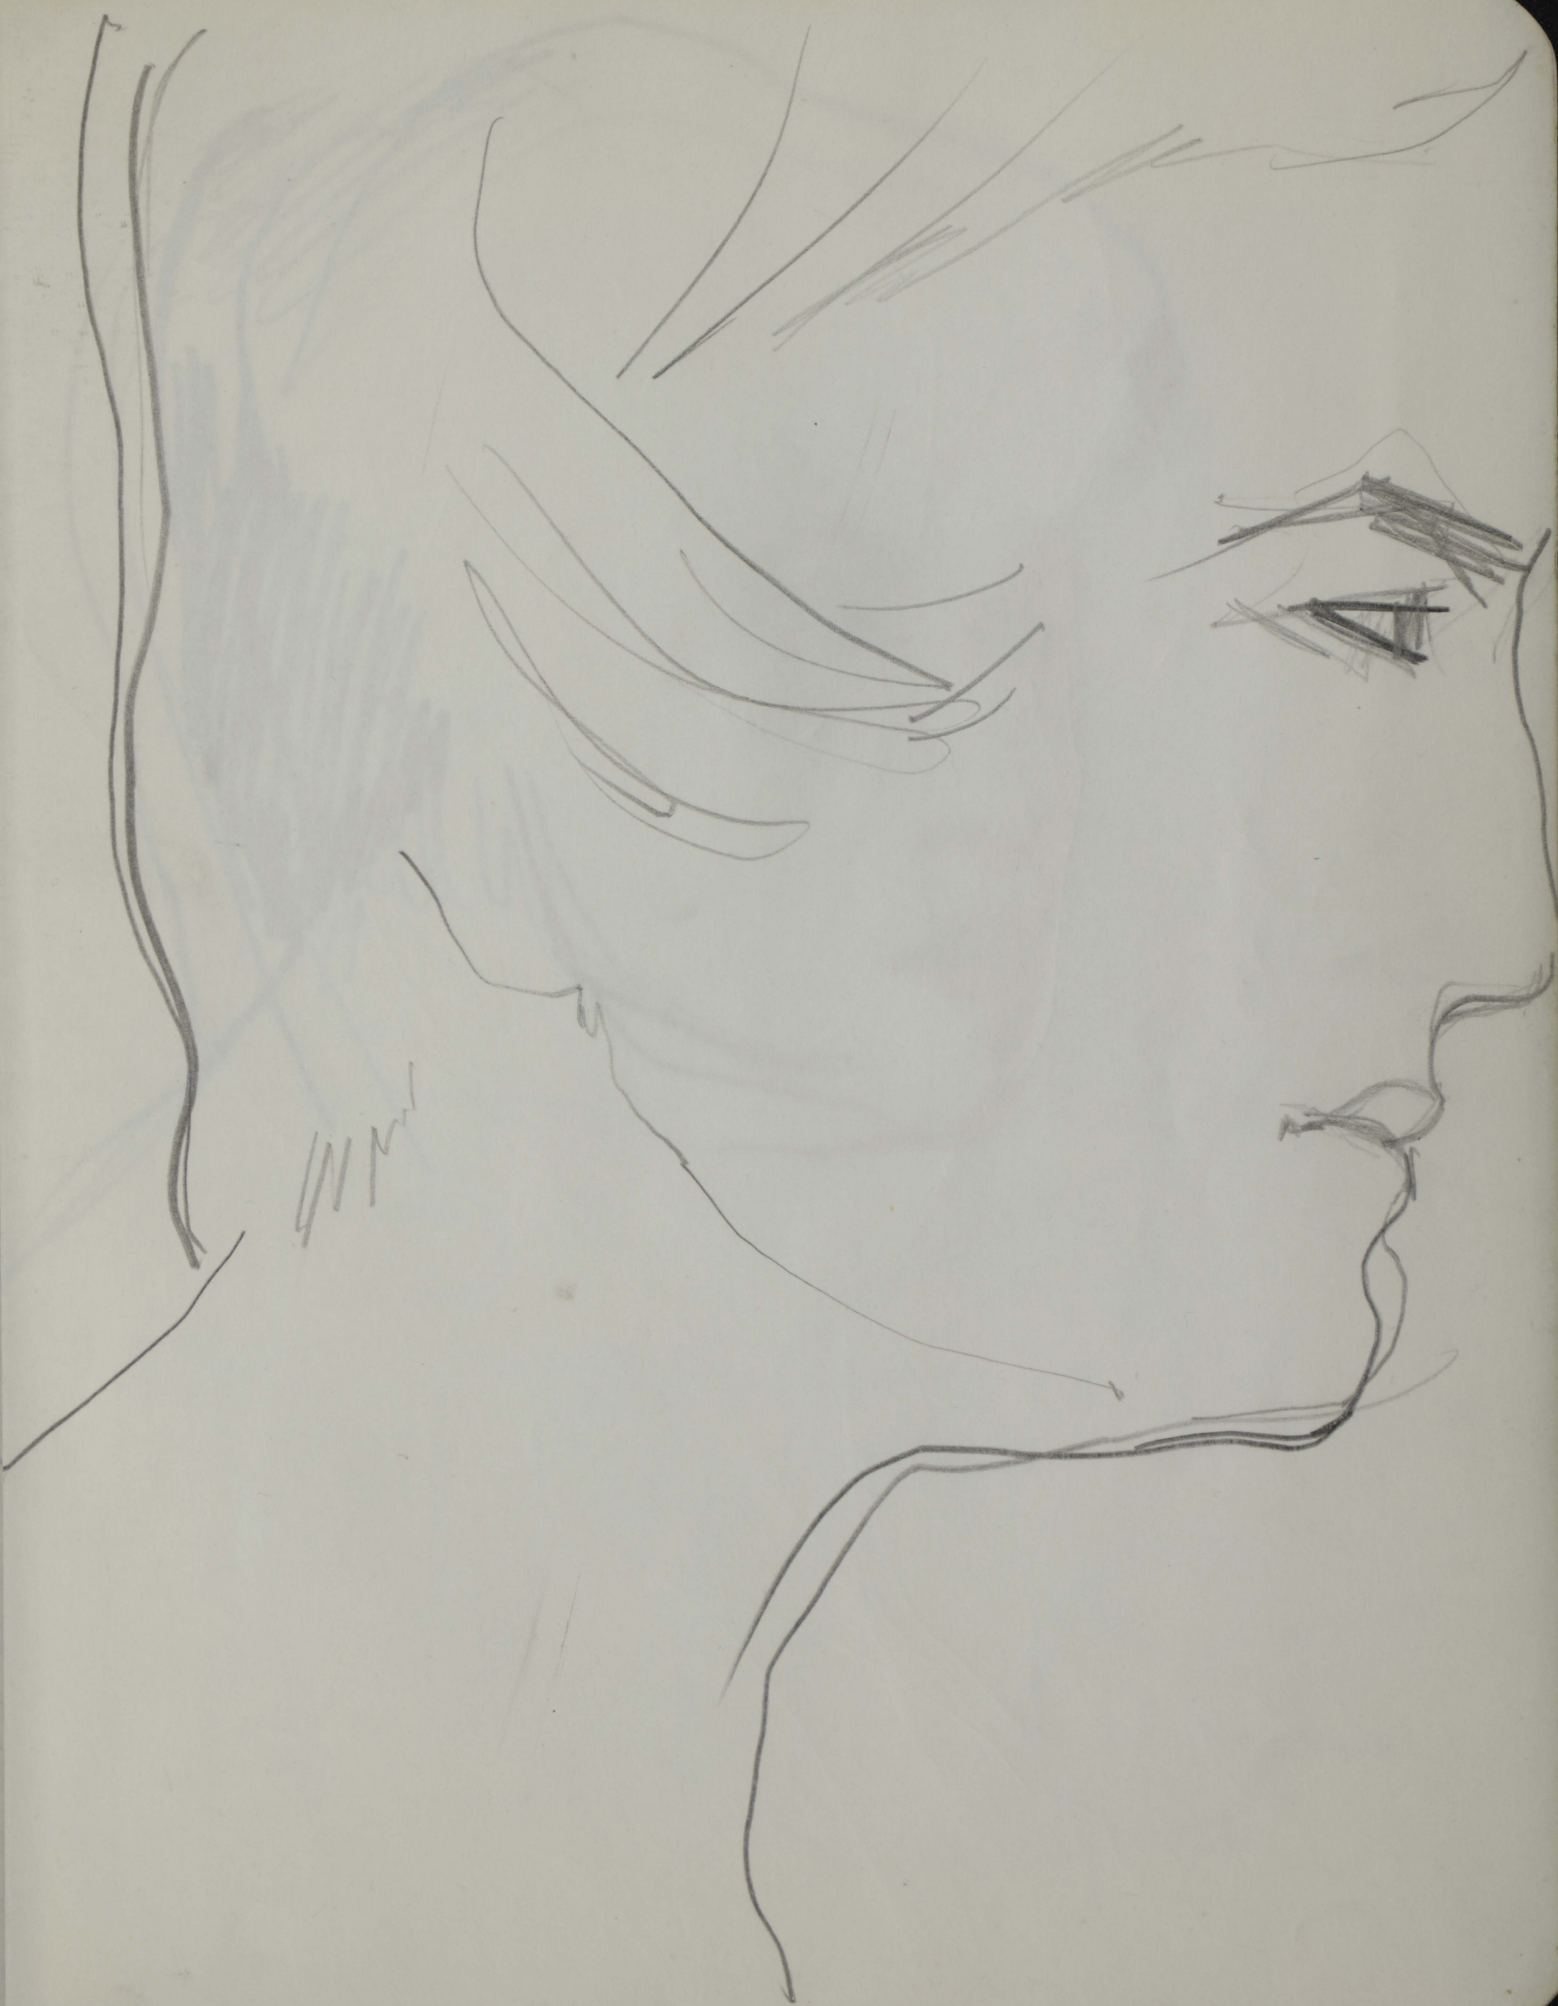

Happy ending mine and tily
to a rale I learned in school
Get your money every Friday
Happy Ending in the rule

So send up those in darkness
from the ones ~~to~~ walk in light
lighten up, boys, those on future
drop the shadows out of sight.
