"I'm fed-up on Northern California"

We did not see a bear
like this one yet but we
got his picture just the same.

POST CARD

Kedres Amika is lipuka:

We arrived at the rail-
road station at half past 12.
Everything is fixed to leave
the car in the garage. We
just ate our lunch which
tasted very good and now
we are waiting in the nice
warm sun until 2 o'clock
for the train. Lou is sleeping
as usual. Sok püsik, Anscika is Lou.

POST CARD

Dear Mama + Papa:

Gee, it's ~~so~~ ^{so} cool way up here in the mountains. Last night we stayed in Red Bluff and it was so hot we didn't even need any covers on the bed. We couldn't get out of there fast enough this morning.
