Dear Gus:

Reference is made to your letter dated March 21.

Pierce McClelland usually starts for Eagle Lake about April 15. P. D. Hook has written to Pierce regarding the weighing of the cattle and as quickly as we receive an answer from McClelland, we will let you know so you can plan your trip accordingly.

It has been snowing and raining quite a bit the past two weeks which should help out feed conditions.

We will be glad to see you soon and discuss any plans that you have for this season.

Very truly yours

NORMAN L. NORRIS
Forest Supervisor
