Memorandum

To: Chief, Division of Range Management (330) Wash. D. C.
From: A. L. Hormay, Range Conservationist Berkeley
Subject: Monthly Report, June 1971

I was in Washington, D. C. on June 7 for the Department of Interior Awards Ceremony. Most of the rest of the month I worked on bitterbrush seed germination studies and the Rest-Rotation Grazing Management questionnaire. Eighty questionnaires have been returned to date.

On July 14 and 15 I plan to go on the California State Advisory Board Tour through the Susanville District. On the 19th will attend a meeting in Salt Lake City, Utah arranged by Director Nielson for a discussion of rest-rotation grazing management with state and other principal representatives of the Soil Conservation Service. And on the 27th and 28th I plan to start the Intensive Rest-Rotation Grazing Management Course here in Berkeley.

To: A. L. (Gus) Hormay

July 6, 1971

From: Billings District Personnel

Subject: Congratulations!

Congratulations on your Distinguished Service Award.

We feel that your contributions to the science of rangeland management have done more to unite the rangeland public interest groups than all other contributions put together.

The payoff from your contributions will continue forever, even though full public appreciation will not be realized for awhile. In any event, we predict that one day your work will be recorded as a major turning point in the history of Natural Resource Management.

The only reservation we have about the award was that it was not made sooner.

Once again - congratulations and good luck.

Memorandum:

To: Edwin Zaidlicz, State Director, Montana
From: A. L. Hormazy Range Conservationist, Berkeley
Subject: Rest-rotation grazing management training and evaluation

Ed, I plan to meet the requests you have made for my services in Montana this year. I have set the following dates for my trips. Please let me know if the dates for the first two are acceptable as follows:

September 8 & 9	Evaluation Gallatin winter Elle range. Montana Fish & Game Department.
October 5, 6 & 7	Evaluation BLM rest-rotation grazing systems.
November 6	Rest-rotation grazing session Montana State Grazing Districts Glasgow.

We can make final arrangements for each trip later.

ATTN: Miss Newton

Dear Miss Newton,

This is to confirm our telephone conversation of last Monday, July 12, 1971, where we agreed to send you excess journals donated to our library.

Under separate cover, we are shipping issues of the JOURNAL OF RANGE MANAGEMENT prior to September 1967, JOURNAL OF FORESTRY prior to 1945, including the 1967 issues, and whatever issues of ECOLOGY and ECOLOGICAL MONOGRAPHS you could use or dispose of as you deem fit.

Glad to have had the opportunity to be of service,

Sincerely yours,

VINCENT P. AITRO

Dear Mr. Hormay:

Please make room reservations for me at the Travelodge Motel for July 26th through July 28th. I would prefer a single room. Sorry this is so late. Our first reply was sent to the wrong address.

Sincerely,

Melvin J. Wilhelm

Memorandum

To: (attached list)

From: A. L. Hormay, Range Conservationist, Berkeley

Subject: Rest-Rotation Management Training

The Travelodge Motel in Berkeley is located at 1820 University Avenue, 3 blocks west of the University of California campus. If you will be flying to San Francisco, there is helicopter service to the foot of University Avenue on the edge of the bay from this airport.

You can plan on our completing our discussions by noon Wednesday, July 28, 1971. The main purpose of this first meeting, as I indicated in my memorandum of June 14, 1971, is to determine the areas in which further training is needed by the individuals in the group and to outline a training program.

Wilhelm -- Please let me know as soon as possible whether you would like me to make a room reservation for you for the meeting.

A.L. Hormay

Memorandum

To: Fred Alberico, District Ranger, Eagle Lake District, Lassen N.F.
From: A. L. Hormay, Range Conservationist, Berkeley
Subject: Tour of Harvey Valley

Dear Fred:

I am going to show a group of nine Bureau of Land Management employees around Harvey Valley and vicinity August 31 and September 1, 1971. Could you provide us meals and lodging at the Bogard Station? It would be a great convenience.

I appreciate this may not be feasible, so don't worry about it. We can stay in Susanville.

I'm talking about accommodations for 10 men, lodging August 30 and 31, and meals starting with breakfast August 31 and ending with bag lunch September 1. Also, we'd like to use your meeting room.

Please let me know as soon as you can whether or not you can provide us with these conveniences, so I can make further arrangements.

These men are getting special training in rest-rotation grazing management. I hope you can join us.

I hope you are well and as energetic as ever. I am looking forward to seeing you. It has been several years since I have been on the Lassen. I don't know whether I have met Jim Berlin, the new Supervisor, or not.

A. L. Hormay
