MESSAGE (WRITE CONCISE MESSAGE SIGN AND FORWARD PARTS 1 AND 3 TO ADDRESSEE RETAIN PART 2.)

Dear Gus:

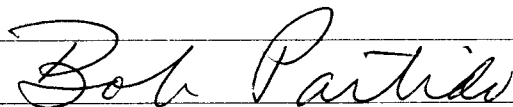

This is in response to the Washington Office's notification to the field of your request for information as to how widely rest-rotation grazing is being practiced on private and public western rangelands.

We are in the process of working with our Forest Range Staff Officers to respond to your request. Due to a busy field season, as well as the recent need for many of our personnel to assist other Regions in Fire Suppression, our assistance to you has been delayed.

We will encourage the individual Forest Range Staff Officers to respond directly to you.

Sincerely,
