Helena, MT 59601

Dear Joe,

I read your letter of June 26, 1989, to directors of Veg, Inc. with interest and concern. Today I am resigning as a member of the board of directors.

Sincerely,

August L. Hormay

INVITATION

You are invited to attend the Coordinated Resource Management annual meeting and field tour on September 19 and 20, 1989, in Susanville, California.

This year's program will provide an overview of a CRM effort now taking place in the vicinity of Eagle Lake on the Lassen National Forest. In addition to a tour of the Pine Creek project and a discussion on the impetus behind this effort, we will focus on the values of a coordinated management approach for resolving natural resource issues.

For those of you who are unfamiliar with the Coordinated Resource Management process, the meeting and tour will provide an opportunity for you to participate in an exchange of views about the relative merits of using this problem solving approach and you will be able to question the Pine Creek group about the difficulties they encountered.

An agenda, registration and lodging information are enclosed. In addition to the motels, there are several campgrounds around Eagle Lake, should you choose to camp out. The nightly cost for these, ranges from \$7.00 to \$9.00 and they are available on a first-come first-served basis. Additional information can be obtained from the Lassen National Forest (916) 257-2151, or from the Mistix Reservation System 1-800-283-CAMP. Eagle Lake is approximately 17 miles west of Susanville.

For additional information about the tour, contact Betty Harris, (916) 739-6251 or Peter Clark (415) 556-9313.

PAUL F. BARKER, Chairman
CRM Executive Council

Enclosure

P.S. Please feel free to pass the Registration form to anyone you think may be interested.

COORDINATED RESOURCE MANAGEMENT
ANNUAL JOINT COUNCIL MEETING AND TOUR
