Dear Sue -

You were much too generous -
all those lovely, special
plates & a delicious,
wonderful birthday dinner, too.
Thank you! Made me
feel so special.

We had a very, busy
weekend caring for our
adorable grandchildren. It
was great for me especially,
but Bear didn't feel

well - too tired but
still helpful. Alex was
mostly with Dean and Rebecca
was mine. (She "helped"
me cook Sunday dinner
and it was such fun for
me.)

Hope the chicken soup
I cooked today will do
the trick and Dean will
feel better tomorrow -

Again, Gus, thank you
for being so nice to me.

Love,

Ann
