

Dear Nell

So you made the loop and are
lightening the load for easier travel
and use it. I ~~hope~~ sincerely hope
you and Jane enjoy every minute
of your and can do some of the things
you ~~have~~ hoped for you might when
this time arriving.

I'm sure to you have reflected many
times on when you ^{and} started down
the Trail Service road some 34 years
ago in T 28 N 24 E. Some of the ~~notable~~
~~memory has~~ ~~been~~ ~~no~~ ~~of~~ ~~that~~
in that ~~first~~ year on the Lassen or
same survey there no doubt ^{has} been ~~done~~
by time left ^{come} back into ~~service~~ quickly
see mention of a name of market.
It was from 1929
