Phenology 1941  
Sacramento Valley

May 12 Annuals starting  
to dry - 65 percent  
80% green

May 28 90% dry

Investigate perennial *Aristida*  
growing between Willows and  
Red Bluff - 100% green in  
large tufts among 100% dry  
annuals - May 28

Bassett - Works for  
Mc Arthur - May 29  
Wai slays

Lt. Spaignor - In charge (army)  
CCC Camp - Hackamore

James Water - Herb

Deer - Badger Wood June 1 1941

Saw 8 deer

4 bucks

4 does

Two bucks had antlers  
as long as their ears; starting  
to branch; now showing a  
fork. The other two bucks  
appeared to be young and  
had slender spikes. One of the  
older bucks had <sup>cyst like</sup> growths on  
each side of its neck just  
below the head. One cyst was  
about 1 1/2 to 2" in diameter  
dangling on about 3 inches of  
skin.

No fawns seen
