Management?
Control numbers?

Land management
first

Wed AM

Restore historic
habitat.

Allocation of
increased VEG.

Responsibility for
management

Water rights

Public "whims"

Livestock use will
be reduced on public
lands

Reduce livestock use
on riparian lands
downside.

Public allow

Riparian habitat
fastest recovery

Upland area slower
to recovery

Public wait 1

Mass apathy

Range management
Maintain resource

Monitoring

Wall Creek

Conservation -
No use

VS

Use

Stake holders
