A black and white photograph showing a desert environment. The foreground is a sandy, light-colored soil surface with scattered dry, tangled plant roots and small clumps of low-lying vegetation. In the center, there is a darker, more textured area of soil, possibly a small mound or a different soil layer. A small, dark, rectangular object is visible on the right side of the image. At the bottom center, there is a small white rectangular label with the numbers '312' and '1954' printed on it.
