black magic + thing he had out not himself to come entirely,

tributaries are many, yet it is all one.

troops fire on Venus marchers

clerk of ideas. ^{and stuff} P is amazingly little help.

Songster o had his bridge accomplished.

He knew claff when he saw it, & (did - ' waste time) emblemment

I had my fill of ...

Well, we better do some we're supposed to do.

Bruce surprised her ... She thought she'd seen better sense in a spaniel pup.
crammed onto lists.

scrumptious

so necessary in bed

"What, run out of widows?"

rootball

Birdie?

in eradicable / irrevocable / transfixing

orcerer

audacious

went
goes a little mad (pr)

To this one.

Gossip spread w/ barracks alacrity.

Hugh worked devastation

"I wish that was less true, yes."

all rightee

boy, I guess.

Tied one on

splay/pot

Fetch me, down-merry

bathe for Hugh (Meg's)

don't / with

Chi's cards was a table

big brother.

It was marry him or get a puppy.

Diving in. 1st thing he had ever set himself to learn entirely,
instad of licking 'cream off' top.

He at least had some life to be.

Even for an undish//, P was suprisingly little help.

intellectual paralytic

SSrc ... as if they 'd never seen real daylight before.

"What can I say, really." did I get some consolation

Holy smoke

Day 000 (slide? closure?)

lit into him (me)

• Duffs have to have a sense of rise @ #1 P

Roulette: /month w/ story, not the writer. Did I have them w/ anyone?

You aren't just writing

It's kind of a /singing term, but so are a lot of other places.

"But oh Lord" (Hug's song) ...

Brown was "a little," before argmt w/ Hugh.

Brown ed put his heart back ... power is 'thing' utterly new, as if

... it was a color never b'd before, a song, 'danced' song...

and like to bat out of him w/ a broom.

(Mag) had Brown that was right. (His power / other's confinement.)

This is only time number one, in all time / ...

... only time before

→ At Apt 7, power, ice seemed as a dam.

→ Brother (Hug's) put in last one, 2 ...

rough & trouble

love - or - not / love - or - die

Brown & diving: it's ... scary. ("Not want you use it.") Yeah, kind of

rain of rain's velocities (spring 34?) ...

People tumbled (into H.P. Rock - / on deprivation)

gigantic process / / folio of process, / night of ...

→ strong p. mercy - Brown: a times with it just for small change

Why do you let them back, if you want them to go ahead

Stems to show you - can tell you.

He said he put out, & up, or

- You really (blam) there'll (bang) thousand people to sm (wham blam) turn?
- Twice that. (Blam) thous ^{make a lug from} sm, & (bang) thous making a (wham blam) living off them.
- Who's (bang) good in that?
- I did- (blam) ^{say a} anything o good, I just (wham) ^{you} it's going to happen. Meg @ Moore Motors: Who did I get sm conglomeration show. rape

White Fang protect her mate.

- give characters some surprising stunts: singing - whistling - hobbies/interests. Who cares (about a river, farmers, etc.)? So what factor...

Rosellen: parent w/ story, w/ be writer. Did I share them w/ anyone; she cd-. Not yet.

You aren't just weeping

It's kind of a / sea bag turn, but so are a lot of other places.

"But oh Lord." (Meg says)

Owen was "a little," before argmt w/ Hugh.

Owen cd feel his heart beat... knew s'thing utterly new, as if it was a color never b'd before, a song, 'damnedst song... wd like to bat out of him w a broom.

(Meg) had known that was right. (Her preacher father's certainty...)

This is only time number three, in all sm yrs...

But only twice before

→ at 1st 7. process, ice served as a dam.

→ butcher (Mouth gashed as that one; 2...)

rough-x-tumble

love-or-not / love-a-die

Bruce o diving: It's... scary. "That's what you use o it?" Yeah, kind of. rain of various velocities (spring '34?)

People tumbled (into Ft Peck - from deprivation)

gigantic process / / folio of process, / might of...

→ stony for money - Owen: s'times with it just for small change

Why do you hold them back, if you want them to go across

series to show you want tell you.

He said his foot out, & up, or

Reveler wants to be taken seriously.

I haven't had a line from R n since Xmas, a little rip.

My dearest ... & thought, how true.

Charlene wonders abt Owen & 77 Pass women (before she arrived)

- just bring this up, leave it unanswered.

Charlene letter: I/ only ...

recv

Rat shit, cat shit & guano.

Col. Parmenter

Briefing - way do they call them that?

I've lost track. Watch comes next - a ft agn, or other

hang

... know a bit from a yeller.

Oh huh. Is that too crazy?

I not how married N. I'd only have to savvy a truck.

- Talk a scary.

Not just anybody is cut out for that, you know?

an opportunity

'real thing

opal eyes? - (minky)

onyx?

Beats me.

Hold on.

- Yeah, well, that.

Dang, even?

dried black (hair)

rapscallion (Darius - in twins' birth scene)

each Missouri ca. scene a little longer than precedg, to draw reader in?

Let's don't & say we did.

think visually

- use photo resources

Bucking

- Honorable Member from Lower (Swell) Greenwich, music hall joke
- I ride to a point... of order
- "dory" pines it as D did.
- chickie. - a sound idea, D told himself.

- Crawford's death

- You can dance your dick off w/ her, for all I care.

- "Where do you go?" "Tied off to" "You're a riding lark."

- P ed told her to go with him, but she didn't.

- She liked being alone (from a medium)

Thurs, April 7, '94: (4 pp.)

- Ch' (Lark) who P says she loves

- Playing house on a houseboat

- Proxy & Monkey

- Workaholic - No, you don't. A school and.

- Scotland's gift to romance.

- Don't get a tailfeathered dog

- She played Yoni 1 month.

- Want to play mustache? (like a zipper lip) How do I know?

- Bad boys as big as turtles.

- Fetch them here eventually

- D's right hand on pipe (for print day)

Fri, April 8, '94 (3 pp.)

- dialogue, all Duff couples

- Duff is drawn to dance w/ Owen.

- Duff had to think really to a call name (Suzanne)

- How's one? / you are wicked

- It should be put da Sash country into 1 Valley

Wed. April 6 '94: (3 pp.)

- Darius & Proxy in Blue Eagle
- here @ edge of world, some world
- Darius & Proxy become a couple
 - This is a sound idea, D told himself.
 - # Or was it?

- Crawford's death
- You can dance your dick off w/ her, for all I care.
- "Where do you go?" "Not off to?" "If you're ^{at you're} solving books,
- P ed hold her tight.
- She hated taking orders (from a madam) (Hugh!)

Thurs., April 7, '94: (4 pp.)

- Ch'land(?) asks P why she wears slacks
- Playing house on a houseboat
- Proxy & Marxy
- ~~I~~ work extra. - No, you don't. A asked around.
- Scotland's gift to romance.
- Don't get in tailfeathers up.
- She pled time 1 month.
- Want to play mustache? (been a upper lip) How old (beard)?
- Bedbugs as big as turtles.
- Fetch them here eventually
- D's right hand on pipe (pr / print day)

Fri., April 8 '94 (3 pp.)

- dialogue, all Day/ couples
- Darius is drawn to discuss w/ Owen.
- Proxy had to think madly to recall name (Susannah)
- "Here's one, ^{if you are wicked}
- ~~P~~ should to put in Se'n county into 1 Valley

Bucking, April 11-15, '94 - 3 pp/day needed
