

Building Sun

scenes can carry story line; within them, details & ^{distinctive} dialogue
chronology (approximate ages) of Duffs; link Hugh back to Ninian?

- 1934, dam begins } Owen ^{30?} 28 = Hugh & Dora, abt 50, b. 1884
Neil 26
Bruce 25 = arr. Scotch Heaver 1910 fire summer

- 1 Duff surprises another @ H. Peak: Neil?

story has to have fine of life: be believable o brother vs. brother etc.

one character - Owen? - or two - Owen & ^{Neil's wife} Rhonda? - cd be controls of
narrative, by appearing + freqly, & the receipts on other
characters given - even in scenes abt other characters.

keep an open mind abt plot; follow new directions if they
look better

Cornie? (Cory) (Corie?)
cd Rosellen & Kate be sisters? Kate & Rhonda?
Francine?

use slide as major pivot of story

imagine my way into each of characters

noises of project: engines, core drilling, blasting, pile drivers
- new river of noise

time jumps ahead > Hutterle, ^{horse boys} watch, clambleg

- these characters - Hutterle, Nantill, Tom Harry - cd cross
paths w/ pair in pickup. (do so in an unstated way, which
adds up in end?) (cap in pickup, etc.)

- use interior of sheriff's mind, failing to figure out what
happened in pickup, as a carrying theme?

- make this a sub-mystery: does he figure it out or doesn't he?

noise beyond belief (dam constant)

buggers think they own river (Kansas Citians)

why I worry it, they'll wash away do the if we don't do no dam dam for them

The run of river, 37/10 to St. Louis

capture of river had taken 5 years

It had taken a 5-yr siege of work by 10,000 wagehands, & ^{men drawing wages}

0 that many 00s, ^{some number of best companions} to capture Mo River, & they ^{even still} weren't

sure they had it for good.

There, each & all, were named Duff.

Bruce, diving, & @ old site call #1 Peck.

- what's tickling you?

civil engineer

Bucking run: have to travel east & moving

- Kate goes along for ride

- make some scene different from Angus-Isaac shoveling coal

These Duffs don't know anything but work.

fanny

deer carcass

per board...

"Can't be."

"Would you come across?"

Prepared, / Unprepared,

How's shuffling?

Took all.

fun of shuffling

jewel thief across. High Line - shot him (b' skin) ^{- laugh? Asse}

catch fire ("He'll catch fire, one of these days")

Bruce, talkin' one

"Got to be built big. Got to be built fast."

"Yeah, stud nuts."

"... doesn't cut any figure that I can see."

That mess they'd had last mo. (sheriff, ca. 1, obliging o. slide?)

- on dam, he lks past mess... to e. bank of river.

by dint of

Wed.

begin w/

"Day one @ FTP

for Owen was...

Where he lkd....

(other wd b chopping
big oad.)

Neil & Sophie

branded c. eye (b. eye ball itself?)

hot wire of green (barbwire); tried to see
tape eye out

purplish green, green heated as if it had light inside. Sunlight,
green to white (on its way to red... yellow)

Am Her p 1241 - spectro heliogram

He'd heard of people going blind from lbg into an eclipse, but figured it was just a story, like cream o canned peaches being fatal

• best he cd think of us mo it wos in only eye instad of both,

he'd must have

silver (or light); like getting a silver out?

eyelid within eye

larva(l) green

Buckley

Hugh to Meg: "You knew o smt, did you." (dam; Owen's letter)

"What wd. gain ^{b that} have been?" (wd it have gained

Rosellen shown kindly after Owen's

~~stuff~~ did' know squat a married life

Neil to Owen: "I need to talk to you o s'thing. A business proposn."

Bruce & Neil twins?

- "You two - are you twins or brothers?"

- "Some of each."

"See Zue, Mother -

"Don't."

That was part of excitement -

- R'm liked her when Owen was bone-tired, distracted; ^{defied} ^{attracting him} back

Rhonda: flat as an ironing board (Rosellen thinks)

Rosellen sticks up for Proxy because Meg doesn't like her

Darius gets drunk w/ Hugh:

(a) to give himself an alibi for Plwd absences

(b) to put Hugh b bad light w/ Meg

Birdlife Hench.

They had put a brutal amt of beer (anemic Amerc stuff)
agrimulth

Bruce does not have a diving accident (bottom 7' & seemed safest place)
protecting himself w/ parentheses
slim-ankled

She knew some things

• black hills just out of Tooten

There was smt o Owen & Rosellen. Moments like this, They magnified s'thing b each other.

• weather softened at last ('86)

Proxy liked lying (Darius: "Liar, liar... count on fire.")

pain b. patoot

Buckingham, Nov. 9, 10 & 12, '93: 7 pp. ^{determined} haughty: coping: mercurial:

- Tues. Nov. 9: Tablet sisters - describe: slim-ankled, OO girls
- Rosellen, 3 yrs older, did much of raising of Kate
 - Rosellen "in handrearing field" @ Ft Peck? (as her mother was?)
 - " " cd go haughty (given 1/2 a chance)

Rosellen, det'm'd to leave behind delapidation they'd grown up in.

Wed. Nov. 10: Toston/Missouri R. descr'n?

- unempt, top of all evenly ^{we built}
- began dwindling min. after it had been [creased up.]

Brown cut off, suicide @ Ft Peck; Darine had been to him. (p. 2, 3, 4)
2nd lunch one cluster. (Darine, at last of union @ Ft P) Kate?

There one thing when I feel all high to hell, May (Hugh?)

Tripping them up. (Hugh?)

Bucking Sun

POGOP

"~~there~~ you clever whore." (Hugh to Darius)

drunk as a goat in a vat

What's this Hitler?

Darius calls Jackie "jock"

~~Whatever~~ Whatever for?

(Hugh to Siderius)

"Let me get my feet under me, a minute. It's telling me..."

It came down tunnels of ^{his (Owen's)} mind (thought process like Misserindango)
between ache & pain.

fairly gold

knave as pony

Misserius: tides of feld

up to his lower lip in trouble (Bruce is content unless he's...)

Proxy: appx - what. How can we say

"Not on a bet." "Not even if you paid me by mile."

"You're a lovely ^{fibber} liar." (Darius to Proxy)

Proxy ed lie as fast as a horse ed trot.

"habit of ending a lie: 'So, you see?'"

grabber. what is it (.clutched)

"I'll give you an aff/dawny, right enough."

"Alarming people, Americans."

Darius learns abt B's robbery from Teyser?

we can generally find some law

Mott as out-8-out Titanic.

Wood: 6 lines added

"What are you on about?"

Proxy: "You can't run me like a toy."

Owen contemptfully suicide @ split way: Darius had been to him. <sup>(O mis-
judging, not
of Kate?)</sup>

Two bunch are clusker. (Darius, abt lack of unions @ FHP)

There are times when I feel all beat to hell, Meg. (Hugh?)

Tripping them up. ^{from a piece of land (Hugh & Hodge)}

Pale words.
