Movie II

- back from Tasmania; to Battle or smaller mining in (Zarman)
- wanders into library; hired by Stuart
- encounters Rob

- if she's an 18-yr-old social worker, she in weight with other men
- using soul as might for miners' betterment
- married or engaged to young miner/lost vet
- real subject to regain ed reappear?

He wins ownership of a mine in sandgame/ed one up?

Movie set live in boarding house: possible character
- [illegible]
- any book contract: sponsored by leftist pub/newspaper; my agent?
- does Movie have to be on run again?
- FBI defense council
- set it in 1919 and they can be FBI agents: deep/delving into fight
- Turks!

Mrs. home on way from station, owned by dr & dealer
- miner killed/wife needs, waiting for pay from dinner
- wife interested in labor/militant

rest/opening in seed

prize/Chi connection

Rob brings kids (no grade) to library

Mrs. seen after prize fight/ed turn out staying
- Martin knuckles again

Mrs. Edison's talking machine

"D aperture is such a CO word.

End adork/b Sandiea street nothing classic."
Movie. II cont'd

- need a rationale for Movie to tell story?
  - collecting tales for archives

- need some twist of tension threatening Movie
  - Company's drug suspicions of him sends off to Chicago (pie, perhaps?) to check him out
  - mailman intercepts, a la Klan

- what holds Movie to Bette?
  - the library job

lead: establish Movie's year & Bette
Miss You
