MADE IN USA

Dearest Grandma -

How are you getting along by now? About over this sick spell, I hope?

Some rain today, for the first time in a month.

All fine here. Carol gets the stitches out of her finger on Friday.

Thinking of you.

Ava and Carol

Can't stop by for a visit,
so took the best way
to say "Hello" -
hope you feel
much better soon.

Illustrated by E.L. Flanagan

Forest Cathedral

I was looking through my receipts
& found this one for Nate Lineweaver.
Signed by my neighbor & friend, Bessie
Ringer. Our little boy used to stand
by the fence & yell, "Do you have
a cookie Mrs. Ringer". I think he
aroused her attention more than
once.

My friend Barb Blair had just
read your new book & she said
you mentioned her famous raisin
cookies. These are wonderful too.
And her special signature is on it
too. I just wanted you to have
this.

May you enjoy
all the beauty of the season.

boarded plane at Helena a few minutes past 5:00 P.M. on Aug. 22nd. Raining when I got to Spokane. Came thru a fog from Spokane to Portland. Arrived Portland at 12:30. Had 20 minute wait in Portland. Arrived in Seattle where Carol and Ivan met me. Stayed with them till 24th Aug. when I boarded the plane for San Francisco. Had supper on plane at 6.15 P.M. shortly before arriving at San Francisco. Arrived Honolulu about 10:20. Had a 2 hour wait, for some unknown reason. Left Honolulu about 12:20. Slept till around 5:00 A.M. when they awakened us for breakfast. About an hour after we landed at Eagle ~~Field~~ airport in Brisbane at the International terminal. Descended from rear of plane and soon saw Paul waiting inside a glass enclosure. This was necessary, as he could not come near me till I got thru Customs. Spent a few minutes in Customs answering silly questions. They did not make me open my suitcases. Was lucky to meet a well traveled lady (an Australian who lived in Brisbane) who knew the ropes. Said good-bye to her at the terminal. Luckily the TAA terminal was right next door to the International one so Paul and I only had about half a block to walk to catch the TAA plane. (Since being here in Rocky, the TAA terminal caught fire, causing \$750,000 worth of damage.) We had about a 4 hour wait till the plane to Rocky left. Arrived at Connor Park airport in Rocky at 11:30, less than an hour from Brisbane. Paul's mob, Joyce, Vivienne, Pauline, and ~~Sam~~ were there waiting. Met Joyce's mother and brother in the afternoon. Were invited down to Joyce's Aunt's on the next Tues afternoon for conversation and tea and etc. Spent rest of week to Friday going out with Paul and Joyce to pick up the kids to and from school and in just getting to see Rocky, and doing some shopping. On Sat. ~~11th/Sept.~~ went down town and (28th Aug)

Watched the Capricana Parade. Most entertaining was a baulky horse, who was supposed to be pulling the Meat Works 1871 wagon. Many nice floats. Tues nite had dinner at the Craig's. Ron showed some of his slides of Queensland and of orchids. Sat, 4th Sept. went to Rodeo at far side of Airport. Enjoyed very much. Next day Sun. we went to the beach. Saw Eau Park and Yeppoon. In Yeppoon we went to the Shell Museum. It had thousands of shells, some local and some from other countries. Came back the Tanby Road and saw all the pineapple farms. Stopped at one farm and bought some strawberries and tomatoes. On Tues Joyce, Viv, and I spent the day shopping and had dinner in town. On Sat 11th we went to Port Alma via many roads. 1st to Gracmere where we saw the ~~Big~~ cattle sale yards, then across to the Bruce highway to Midgee where Ron is Station Master (Depot) and where Ron and Joyce grew up. It is a Railway house and Ron still lives in it. Then on down the Bruce highway thru Archer, Bajool, both small R.R. Stations. At Bajool took the road to Port Alma (Rockhampton's Wharf's). Saw great heaps of salt as this is where the salt is processed from the sea water. Arrived at Port Alma where only one coastal boat was docked. Port Alma is about 37 miles from Rocky. On the way home we stopped and took pictures of some purple water lilies on a large pond. On The Sunday we stayed home all day as it was very cloudy and windy. In the after noon we went out to St. Christopher's Chapel at Nerimbera. After seeing this we went to Parkhurst where there is a large cement works. On Wed. had morning tea with one of Viv's teachers, Mrs. Watson. Visited some of Joyce's relatives on Depot hill. Had tea also a couple of times with other relatives. One place they had mulberry trees so we picked a bucket full and had mulberry pie the next day. Paul didn't get a job on Fri. 17th so

we went to Mt. Morgan, famous for goldmining. Went to the Museum there which was very enjoyable seeing all the old things used in former days. We didn't visit the mine as there was too much walking and climbing involved. In the after noon we went up Mt. Archer which is just on 2000 feet rising above Rocky. Lovely views from there. That nite we went and took pictures of the colored fountain. Hope all these turn out good. Sat we went to town and in the after noon to the Botanical Gardens. Forgot to mention that on the Thurs. nite the Roberts came over. Mr. and Mrs. Roberts and their daughter Carol and her husband. These are the people Paul used to stay with when he was here in the army. Had a very enjoyable talk. On Sunday went to the beach again. Had supper at the Craigs again. Did nothing much on the Monday except went up to some more of Joyce's relations the Kahls. Tues. 21st. all ready to leave. Plane leaves R'pton at 1:40 P.M. The weather is warm with a few clouds. Yesterday was Rocky's warmest day for 6 months.

(This is Paul Ringer's transcription of Grandma's notebook--a portion of it is also in this folder--of her trip to visit Paul and his family in Australia in 1971.)

Ivan Doig, 17 May 1990

Saturday March 21st 1970

Dearest Evans Carol.

Well dear ones time for another few lines to you to let you know that I am fine. And hope Carol's cold has gotten better by now. Well our last couple days have been quite nice. It froze pretty good again last nite. The mud is drying up some around where we have to drive in and out. Yesterday was supposed to be the first day of spring saw 2 straw hats on the street yesterday looks like they were rushing the season. Went to see Dad yesterday. Was rather dissapointed to see him not feeling better then he was. Evans I'm pretty worried about him. He doesn't have much strength. When he walks to the bath room and back he's just about all in. And now he's loosing his appatite says he

just cant eat, ~~The~~ Dr. hadnt seen him since wednesday. But likely got to see him last nite any way I hope so as that worried him too. ~~The~~ nurses gives him an I V every nite, which seems to help him. He got your Card all right and enjoyed getting it. I called Ed & Christine last nite and they said they would come over to see him to morrow. Red and Blanch had been to see him but Red got a cold so he doesnt want to come to see Dad till he gets over it. I'm going over again to morrow to see him on the bus. Alma meets me at the bus when I come home and takes me to their house for supper. Dont know what I'd do with out them. Bud seems to hold his own pretty good. Last nite after supper we went out to Marlos for a little while. As soon as I get in the house the twins crawl to me as fast as they can and want me to take them. They are sure cute.

3

Ivan I looked all of the pictures
~~thru~~ through but couldn't find any
thing among them concerning a
home stead picture. I have one of
Uncle Will Ringers home stead
I'll send to you and also one
of the house at the Jim Stewart
place. I don't know any thing
about it but Jim Bill is to call
me this noon and maybe I can
get some information about it
from him. Ivan thanks for the
money. We have plenty to go on
with what I mean we're not short.
I called up ~~for~~ Foster the other day to see
if he would change the door for me but
he said he was too busy. I ask him
what he charged and he said \$4.50 an
hour. We'd better just keep the old
door. I think we'll get Mrs Gratz to
paper the cieling for us. She charges
a dollar and a half an hour.
and she's a good hand at it.
Well dear ones guess this is going to
be all for this time. Glad Carol that
your folks are enjoying them selves in

Florida, so I'm hoping you are
both fine so Bye with lots of love
and kisses to you both as ever
your loving Grandma.

any questions you want about will's
place why just ask me and will ~~and~~
answer them if I can.

Sun. April 4th / 1971

Dearest Evans Carol.

Well dear ones a very pretty day out side not a cloud in the sky so far. Seemed good to talk to you last nite and glad you are both fine. We're all pretty good here except Dad. He doesn't seem to improve any. Will be so glad when I can get him to Townsend again to see the Doctor. I cant help but think if he would just try a little bit it would help. He's getting the same as befor sleeps days and up and down all nite. Usually eats three sandwiches during the nite with milk. But he doesn't eat a good meal.

I enjoyed the little birthday party yester day. Almas cake was real good. Her and Bud gave him 3 western books a bottle of after shave lotion. Bert gave him a bottle of after shave lotion and I

Gave him 2 tea shirts which was
badly needed then the pretty
birthday cards. I had a nice
long letter from Paul. Will
send it to you later as Wallace
hasnt been here so he can read
it. Sure enjoyed my time at Rays.
He was 25 years old. I called Blanch
while I was there. They were both
fine she thought they would get
moved to day but wasnt sure.
Blanch kinda hates to go as her
mother is very poorly.

Guess Dave and Nellie are coming
home for a visit around the 19th of
this month. Sure will be glad to
see them. Will just get through
writing out checks

347.40	Jellen
42.42	Tri clinic
180.00	Broadwater hoo

So that took our bank account down
some besides the telephone bills
water bill and what not. and still
have the hospital bill here as we
havent gotten that yet. But we
will still have enough to get along
on as he will get 80 percent back
on the oxygen. Well dear ones
guess this will be all for this

over

Time So Bye with lots of love and
kisses to you both
as ever your loving
Grandma

Wed. April 14, 1971

Dearest Swan and Carol.

Well dear ones guess I'll write you a few lines this morning before I get started on a big ironing. Got every thing washed yesterday thank goodness. Our weather has been real nice. The ground was white when I got up Monday morning but didn't take long to disappear. I'm feeling pretty good and getting a little more straightened around every day. And doing a little on my quilt blocks. The ~~the~~ letter from the bank ^{came} yesterday so will send those 2 checks in for the flowers. Also got a letter from Medicare ~~to~~ and a thing to fill in. Wallace thought I should take it in to Potter to help me fill it in. So guess that's what I will do this for noon. I hope I'm doing right by taking it there. The social security guy want be here before next Wednesday. Wallace came to see me late yesterday afternoon. He and Joyce are going to try and get a vacation the first of May and if he can get off they will drive to Seattle and ask me to go with them. Which I think will be a nice trip for me. What do you

think. Its not for sure. He Joyce took
that steady job at the court house so
that way she wouldnt get a vacation for
quite some time. They would spend 2 weeks
in Seattle and then go to spend some time
with Dan. Well know later on his boss
will be here one of these days this week.
Florence came over yesterday and visited
with me gave me a pretty card with 2 dollars
in it. Then I guess I got Margarites card
with six dollars in it after you left.
Well eleven 30 so guess Ill finish
this letter just got back home rode over
to the post office with Mrs Russell then
went to see Potter and he filled the
thing in for me so got it done.
Went to Buds last nite for supper
which tasted good. Got your letter
yesterday too and was so glad to hear
from you and that you got home safe.
We stopped at the mint and had a nice
dinner Corinne and I had Turkey and
Bill had Beaded Veal. Vern is coming
over this after noon to look at the
furnace as when I turn it on at 70
the room smells so gasey I have to
turn the humidifier on and it shouldnt
do that. Well dear ones guess this
will be all for this time and Ill
write you soon again So Bye with

lots of love and kisses to you both
as ever your loving
Grandma

Sunday April 15, 1973

Dearest Ivan & Carol.

Well dear ones a few lines to put in with your Easter card. Don't know if they have Easter ^{time} the same there as we have here. I plan on going to Helena for Easter to spend the day with Bud and Sherry and the kids. Went over with Marion Friday and came back Sat. nite. Got home a little after midnite. Enjoyed my time there. But didn't find things so good there as Sherry and Dougie came down with a bad cold. They were going to try and go see a Dr. today. Bud wasn't too good either. Sad. But think he felt better yesterday. He gets so tired by nite sitting in that wheel chair all day. I met his nurse that comes twice a week and gives him his shot. Shes such a nice person and is so nice to Bud. It keeps Sherry pretty busy working. Shes been idle for so long she shoulda been pretty much rested up. She likes her job real well. I havent seen Wallace since Thursday. He had supper with me. He and Joyce are through with each other. He told her she was welcome to get her divorce any time she wanted too.

I wouldn't want her back if I was
him as she spends every week end some
where with old Lew. Dan went back to
school. He's pretty shook up over his mother.
Both the boys are on Wallaces side. Well
we had a little rain and shift of snow
over the week end. But to day is a nice
day so far. A white frost last nite.
Well I got to talk to Julia and Mrs Donavan
while at Budo. She said she had a card from
you. And Edith Brekke came over to Budo
yesterday and we had a nice visit with her.
Marion brought me a big package of
pork friday. Pork sausage, ribs, stakes
and a roast. which I was very glad to
get. Had a letter from Vivienne a few
days ago. They were all fine there. I was
looking at the Scotland picture on The
Wall and its Princess Street, Edinburgh
I was wondering if you had been there. Its a
beautiful place on the picture. Well dear
ones guess this will be all for this time
and Carols folks will likely be there
with you when you get this letter give
them my love. So here's hoping you are
all fine. Havent gotten my mail since
Thursday so I hoping for a letter from
you. as I havent had one for quite some
time so bye with lots of love and
kisses to you both as ever
your loving grandma,

Dearest Evie & Carol.

Well dear ones I'm back from my trip to Helena so guess I'll write you a few lines. Found Bud ~~and every~~ ^{and every} thing over there fine. Bud seems to be in good spirits and Sherry has a bad cold does a lot of coughing. Spent Saturday afternoon with Bud. Then Sunday morning Sherry gave me a permanent then after lunch I fixed me a sandwich and went and spent the whole afternoon with him and ate supper with him. Then after supper 3 of the senior hi school girls stopped by and sang songs for an hour. Bud really enjoys their singing. So far he haent gotten any money. But I think

Sherry got ⁽²⁾ it straightened out
with the social security out fit.
So we are hoping he will get
his 25 dollars by the first of May.
and he should get back pay
as he hasn't had any for 4
months. I got him several
things he needed this for noon
when we went to see him.

The last couple of days have been
very nice. Its 60 above now at 7
in the evening. I got a ~~few~~ little
things done in one of my flower beds.
late this afternoon but it was very
little. So far I haven't gotten any
one to clean the yard. Kinda
looked for Wallace in this eve.
But he didn't make it at least
for supper. Around Townsend they
all ready watering the fields.
Its pretty dry over there Every
thing is sure getting green.
I see we got 1 tulip Bud. Theres

several of them up. so there will
likely be more of them later on.
Am having another siege with
my hands. guess I'll have to
start using rubber gloves again.
as I can't seem to get them
healed up. No Ivan it doesn't
seem like 9 years since you and
Carol were married. Some times
time seems long then again a
year is gone before you know it.
Am sending you an anniversary card a
little late. Edith came to Sherry-
to visit with me Saturday nite at
Sherrys. Well dear ones guess this
will be all for this time and I
hope this finds you both fine
so Bye with lots of love and
kisses to you both as ever your
loving Grandma
