THE FRANCIS

That French Restaurant That
People Are Talking About

The Bohemian Cafe—The Place That's Different

Are you tired of the old bills of fare that have stared at you every day until you are ready to scream? Oh, well; drop down to a place where the atmosphere is different; and the food is different; and the entire service is different.

Come down some Evening to the

FRENCH RESTAURANT

Tony's Tin Shop

I am pleased to let all my old and new customers know that I have moved into my new shop, and that I carry the best makes of Hot Air Furnaces, also carry a complete line of Floor and Side Wall Registers, and will install a Heating Plant for you at the lowest possible figure. If installed by us we will heat.

See us first, if you don't we both lose.

WARDS AND BOUNDARIES

First Ward—Now extends as far south as Park street from Main to Covert, and to Broadway from Covert east
Second Ward—Is bounded on the east by Main street, on the south by Quartz street, and on the north and west by the city limits
Third Ward—Now extends from the south boundary of the First ward down to Silver street, Curtis street and Division street on the south, and from Main street east to the city limits.

Fourth Ward—Is bounded on the north by Quartz street, on the east by Main street, on the south by Park street, and on the west by the city limits

Fifth Ward—Now extends from the southern boundary of the Third ward down to Second street, east to Oregon avenue, and to Oregon avenue and by Silver from Clark to city limits

Sixth Ward—Is bounded on the north by Park street, on the east by Main street, on the south by Porphyry street from Main street to Clark avenue and by Silver from Clark avenue to the city limits and on the west by the city limits

Seventh Ward—Is bounded on the north by the Fifth ward, on the west by Main street, and on the south and east by the city limits

Eighth Ward—Bounded on the north by the Sixth ward, on the east by Main street, on the south and west by the city limits

STREET AND AVENUE GUIDE

All streets are alphabetically arranged without regard to location with numbers at crossing of all streets

Section 1—That all houses and places of business having an entrance from any street or alley of this city shall be numbered by the owner or agent of said property within ten days after notice so to do by the city engineer, or other official authorized by the city council

Section 2—The initial point of numbering shall be Park and Main streets, and all even numbers shall be on the south side of the streets running east and west, and upon the east side of the streets running north and south and odd numbers shall be on the opposite side of such streets

All streets and alleys south of Park street that run north and south shall be known by their names with the prefix "South" and all streets and alleys north of Park street that run north and south by their names with a prefix "North" and all streets and alleys west of Main street that run east and west, by their names with the prefix "West" and all streets and alleys east of Main street that run east and west by their names with the prefix "East"

Section 3—Every alley running east and west shall take the name of the street south of it, and every alley running north and south shall take the name of the street east of it
