

Igdrasil's leaves were (bunched) with (wetness of )rain.

GV's cloud of trees

pale green of cottonwoods

rustle of cottonwoods at the least touch of wind

...as it can get to be in a small town like GV.

In a way, small towns are more crowded than cities. You rub against your neighbors...

JFK pic (calendar?) on wall

Marsha Hinch and reading group in Choteau; April 5 '08 letter in Montana Sources &  
Travel Info ~~film~~ Dupuyer-Choteau... file

coaxed a living; but it was not a country to be coaxed for long.

you could coax forever.

Southdowns: Montana-ism for mtn people from Appalachia
