Fort Peck/the Missouri: plausible site for truck to go in river

- retrace sheriff's ch. 1 drive to accident site on dam; details of dam there (dawn)
- disc of highway
wh crosses ridges - start rd - Willow Creek curve
- dam lts visible after " " "
- lightly rumpked entry (dist but lts very clear)
- irrigated clds in sunrise (pics) (V 40)
 - @ sp' way: painter + time of day (painter color 7 sp' way, too)
 - sagebrush & hills
 - sp' way slag (pics)

sampled, belly north dam to sp'way: (Given driver (Darius))

- c'n sky pic from E. end of dam: use w/ stiff leg across
at E. bluffs >
