Vixen winter, Darius coined or quoted, you never knew with him.
This seemed no time to be pouty. (Ch'ma?)
that was uncalled for.
at the drop of an eyelash
bedbugs big as turtles  (from story told by Dick Gibson @ Blood Creek, 6 Sept. '90)
Any Bluebird Girl could spell it out for you in macaroni letters.
Just to be saying something, (Bruce) (said the) obvious: [absolutely]
The idea of the thing was...

The thing of it is,
Proxy: Thought we'd

Give it a whirl. (i.e., try it, why don't we.)
Owen reports to Chine?

"She's a, what, how can we say--a woman of the town?" (one of the other Duffs trying to describe Proxy?)

On to something, OO thought. On her back...

On her back, OO thought. Most of the time, too
"... kitten." (one of them men calls a wife that. Bruce? Darius?)
It has happened.

or in dialogue: It has happened, you know.
Be that way.
You're the one to talk.
world of difference

"What's the difference?"

"There's a world of difference and you know it...."
That's how that happened. (dialogue for proxy?)
Hugh didn't at all mind seeing Darius break a tooth on politics.

(Darius has a broken tooth, the "dimple in his mouth" like Marcus Matovich)

(Dora in her early crush on Darius wanted to explore that with her tongue.)
The A-1 Beauty Shop was opened two doors down from the Blue Eagle Saloon. ("If all else fails," Rosellen pointed out, "I can always touch up Proxy.") The shop name offered itself discreetly on the front window.
...sitting there like a constipated toad

(Burges Johnson, The Lost Art of Profanity, in Sc Hn file)
These wives of theirs were showing about as much sense as a gooseberry.

(or: Bruce was, ...)

(in Charlene's estimation)
That's the kind of thing that happens (when you fool around with...).
"You're giving a good imitation of it."
Now you're talking.
"It's too bad ignorance isn't painful." (check w/ C; one of her colleagues say?)
Quan

00 had about as much give as an iron mine. (chirp chirp.)
This gave fire to...
By mind ran back toward...
possible, if not used in R Fair:

To say that 00 and 00 were short with each other (the days after 00) doesn't begin to cover it.

...sweet on each other...
