Mid-story was the end. (i.e. Rogovin or are 7. others is telling nothing when concrete mixer crashed on a them.)
"sabotage": gravel cars (6 of them) crosswise and crumpled on tracks; a derailed car has butted the Great Northern goat symbol on one of the c'wise

caption: "Panoramic view showing string of loaded gravel cars near sp'way gate structure after they had rolled down a 4% grade unattended."
It had become spiritless work for me.

- in Scotland?

Darius (turns to salutage)

- it was never,...
Fort Peck: spillway, for Darius sabotage scene

- VI tour #20-1, backdrop hills
- sense of structure; nothing else helpful to scene
- #17-18 Pan-Tax: mouth of spillway
