

winnowed cards abt Proxy for Miss You, Nov. '09

The hot eye of God/O'er this mortal sod. Well, he (Darius) felt mortal
enough, amid this (expanse). And times at this, he felt like a sod, too,
lusting away at
buggering away at(?)

"Mind you, I..." (as in "Mind you, I've said nothing." Check to see whether this is too Irish to be a mannerism for Darius or Hugh.)

--possible characteristic for Bruce (or Neil) is that he picks up speech mannerisms from Darius, such as this.

the spiderweb of Munich

the world, the hypnotic flame of its fuse called Munich, would not let him free

Darius(?)--if humankind had gone blind from looking into first fire, that'd have taken care of it. (i.e., what if flames were blinding instead of just bright to look at)

better?--It would have settled everything, if the first human looking into a fire had gone blind from it.

First sex: a sway of nipples, a private thatch, clutch and gush...

have Proxy use?-- (maybe w/ matchbook cover joke)

She offer her honor/he honored her offer/so all night long/it was on 'er and off 'er.

The bedsprings greeted them with an excited screech.

Darius's reactions to Montana weather:

--Coarse weather again. (possible section lead)

--elongated feathery clouds @ dawn; nothing fleecy about this country, he thinks

--strata of clouds, seep of golden-orange between

--all the merciless weather, D. understands the squints of Americans (why Americans
are a squinting race)

Darius? do Hugh
Rob to Angus: We did a few stunts together, Angus. (referring to their emigration)

Bucking

~~Thoxy~~

Darius: says you can talk to dogs in German, it's obviously their vocal origin.

(ⁿRaus

Hugh?

Darius!

If I don't suit a man, I won't work for him.

Foreman: "Oh, hell, settle down. all I meant was, . . .

"(Somehow) I hugely doubt it."

Darius:

Bucking

for Darius, the usage "make rings around", Br. version of "run circles around"

Now here's a new commodity.

- Easter abt Darius?
- Darius abt Easter.

needments

- he kept his needments in it ^{.barracks?}

The wand that makes babies, ever ready to rise to its task. *used, ch. 2*

Middle meeting middle.

The kiss of whole bodies (the entire bodies)

mention Darius has not (cannot?) join the CPUSA?
