Bucking the Sun cover ideas:

--Bourke-White photo of dancers, that led the LIFE photo-essay

--sun motif, w/ man and woman falling Icarus-like

--paper dolls, man-woman-man, w/ final pair tearing and falling out of line

--the truck (on long cable, down the cover) being hoisted from river by the derrick

--w/ the sun rising over one of the letters of the title

--workman at something on the dam, w/ Wheeler behind him

--tension spiders?
possible illustrations:
---dredging schematic
---Ford Model Double-A
---drawings of stages of the dam, interspersed in the text?
---James Todd ch./head engravings?
