Colonel

00 smiled just enough.
"Jones, your intention is to be a man of the cloth. (You're already several threads up on that.) How do you (reconcile war & Bible)
You look like someone cooked your cat, Jones.
character w/ a long look—i.e., habit of looking steadily at whoever he's talking to, for longer than usual.

(could use this w/ Mott; the spaces--interstices of time--of his looks feel like some great thing gathering: the lion's composing of himself before attacking...
...all the days God sends (use w/ Meg?)
man as the jest of God. Or God as the jest of man.
Jones transfers; shows he knows abt Cass?
