July 21 '44: landing on Guam (Campaigns p. 149; also p. 224)

Animal a gunnery sgt, called Guns? or is that a rifle range instructor?

Angelides:

"You sign up for grunt life, it's what you get."

The man in the hospital bed was the color of mush.

(use w/ Lyle's dying, final wk or 10 days in hospital?)

(Lyle's demand: "Don't plug me into nothing. I don't want any of those hoses in me.")
