

ch. 1 - add  
Dick eating  
tomatoes after  
Bubbles incident

Slurping my way thru those 2 cans, I had to concede that he at least was  
right about that.

Maurice?

"The Huns believe in long days and short nights."

Ben (to Maurice?) "I don't believe in the Great Wherever, and I don't want to go see  
whther it's there."

Maurice can report on Battle of Bulge.

--One day the German were on their way...; the next, (Allies holding)... It seemed to come down to filled gas tanks; the Red Ball trucks rolled day and night from the port, half-hooded headlights like cat-slit eyes  
the slit eyes of cats (down onto the road)
