

Mac argues to Alec: take the chance he never had

Alec is bright, tho not too interested in schooling; a teacher or principal will vouch for him to get him into the u. on scholarship.

Whenever I happened to think of it, I recognized that Alec was not really going to be among us after this summer. As far as that goes, he was on his way now, even as he stood there in our kitchen. His interest in life was Leona, not us.

the part in Mac that allows for compromise got left out of Alec.

Alec was a whiz at numbers...
