Ed Heaney--

--has medals from WWI; Ray has shown them to Jick
--doesn't look soldierly: bald as a jug
--Malone and Roedeh, p. 208: 40,000 Mont'ns, almost 10% of pop'n, went to WWI
Jick and Ray have some contest of strength: gripping each other's hand in a squeezing shake, maybe. Ray, because of his lumber yard job, is the winner.
