(Mitch) felt like a wall-to-wall fool.
Geology and history kissed right here. (The Divide)
(the continent) tipsy with mountains
firetower: Where acrophobia and claustrophobia join forces...
"Got your choice up here, acrophobia or...
for Mitch's mother?

"It hasn't to do with you," one of the locutions in her bloodstream like... bog water?
Mitch's mother: the Chrysler floorboarded...
Mitch's mother: in a long line of Montana women with plenty to be mad about.
Nerved up as he was, ...
Not for the first time in his life Mitch took satisfaction in the male anatomical arrangement.
