M7 Trip  
June '02

6 June, Big Sandy: ripping wind; 40-acre dust storm to E on our way into town. Bright sun! But everything waving & rattling in wind

- dust cloud across road: thin against sky - wind buffets car
- big dirty pushing hand.
- car drives woozily when Monkey is in dust storm

# Teton County History file

Choteau Public Library

& unified county planning

Monty:

"Major, I feel something, from being here. That kind of thing happens, don't--  
doesn't it?"

"I'm sure."
