

Cecelia Waltman, arr. Valier 1910: check tape

(GV? Valier? s'where else?) could not quite make up its mind whether to be a town or return to prairie.

--town has a moulted look, has sloughed off buildings etc.

bios of early Valier engineer etc. in Valier file folder in ph'copies bent by

Bill Tidyman

Manty does?

People would walk miles to see the steamshovel at work on the Valier irrgn project.
