

Kramer, VV

88-9 "lunar law" regulating Pa. Germans' farming; examples

I have been accused before of being

impecunious (Morrie)

It's not a hanging offense.

At last light

give this to Wes?

from Earth
Ideas file

the lunar bin (different moon every night)

more dark [on this continent] than one person should have to bear.

≡

used?

Robins on their sharp errands.

flitted past, school-room windows,
hurtles

The day sang out.

"It leaves me right by." (i.e., I don't get it.)

Movie:

rhythm along the lines of:

"Who's to do this if we don't, who?"

rattlesnake refce @ Sunday dinner: use later in book?

Brose puts one in teacherage?

school at night, for sake of Halley's comet.

May 16 '86 sunrise, Sh' mein Park

- eastern light ^{caves}
- snow patches white holes in mtns
- light on mtns increases as if they're warming from inside themselves.
(Use c Tu0 Med down?)

Mom: abt constellations

"Virgo--how do they know?"

flashback ital to Wes & Swan in Europe >

~~used in~~
Eng. Crs.?

. past

possible link to ch. 2 line "There is this about history, you never know which particular ember of it is going to glow to life."

--or give you a scorching.

the star-shaped pock in the windowpane (that amazed us all by how it caught the light as the comet went over)
