107-8 ^{Tues} - #25, 1806 - Ft Clatsop: Clark -

We are mortified at not having it in our power to make more celestial observations since we have been at Fort Clatsop, but such has been the state of the weather that we have found it utterly impracticable. I purchased of the Clatsops this morning about half a bushel of small fish which they had caught about 40 miles up the Columbia in their scooping nets, as this is an uncommon fish to me and one which no one of the party has ever seen. on the next page I have drawn the likeness of them as large as life; it's as perfect as I can make it with my pen...
