

Brigade of Rainbows possible lead:

You know about us, of course, but the traitor part is untrue, mostly.

... We bled red as any (in the century's battle with itself)...

... any three human beings--four, if we count our betrayer...

... What is love but (instinct? magnetic force?)

... Skin is deep.

Brigade of Rainbows

\*\*Could it be done in a collective "we" voice (as Joan Chase did in During the  
Reign of the Queen of Persia?)
