That caused me to...
and, wouldn't you know, ...
, you wan bet. (griff uses)
alternatives to "just":
simply
only
merely
next thing to...
But (all right), but then...

i.e., technique of repeating the buts
People the world over
, what else,
"That'll do it."
Not by any definition of justice he knew.
Unaccountably,
Some of it, some of it not.
After reassembling the parts, he began:
And even this:
timbre

the timbre of that didn't sound good.
the verge of...
It happened this way.
That got a rise out of him.
Father gave him a severe look. (FIND)
Did it begin there?
, she already was moving onward to.
you'll see.
I swear
I swear to you.
I understand.
or next thing to it.
Nothing but.
, you'll see.
is why.
..., is all. (used for emphasis at end of sentence)
On face of it
All right, ...(followed by exposition)
Giving me a private smile, Morrie murmured: (FIND)
... am I to understand?
An idea to work with, at least.
The next thing would have to be...
There was (reward; 00) in that.
It didn't hurt that...
scour

the scour of that instant
The ruling idea seemed to be...
He put a long look to (Owen), then a longer one to OU.
Moments such as that, I have to think, are...
None of it counts.

No counted war.
...granted that might be so
00 looked thoughtfully at...
To judge from,
, anxious now,
That never happens.
The acid truth was...
As far as is in me...
confounding  (as if, "This was confounding.")
Susan abt Wes's backing of Monty at some point: What was back of that?
In some ways...
Monty took that aboard with reluctance.
But I felt a long way from certain about this.

My letter...
Knead that the right way and it becomes...
The bulk of his argument was this:
That does not prove out.
Twice it happened, that
It was an utter revelation that...
The most appealing thing about...
Everything conspired to (put us in some situation or location; i.e., the season, need for a job, Dad or my mother's predilections...)
if by some miracle 00 (did the obvious?)
He would say, as if the idea never before occurred to him, "How about..."
Untended, this sort of thing could go a wrong direction.
as if seeing something for the first time
, the end of each day,
Against the evidence...

00 believed
a bright edge to that was...
not the best of ideas, but...
...and I don't know what all else.
But after while... (use as dialogue)
Deal first with the dread.
I tackled him on that.

I had it in mind to tackle him on that.
I was luke about that.

all this.
doesn't it you?
and it sounded dubious to me.
But other hungers...
(he/she asked) in concern
It led on from there.
[Mutual mulling] seemed to be the order of the day.
Rightly done,
It was this:
Still and all,
Even yet I don't (know; understand)…
if I was seeing right.
It transpired that...
A breath later,...
That was farthest from the truth.
After that episode,
Somewhere along the way,
A lot of it cautionary.
...making time, desperate for every instant.
in short, 00. (use as device to end sentence)
oo usually, and...
This manifested itself...
Alight with revelation,
With that settled,
unbelieving at first.
"What?" Bewildered.
the slightest bit.
Ben's hopes sagged.
Astonished, apprehensive, the whole mix...
Something happened to a person...
00 cringed.
He grimaced at the next thought:
He could tell immediately this was not anything like the other times.
It had taken him no time to...
right enough,
All but.
The word for it, I guess, is...
Like none other
It is the same case with...
00 didn't fathom... (i.e., didn't understand)
It went (kept going) in phases.
Listen why.

But listen why.
I learned, to my cost,
I know myself well enough to realize that...
He thought that through, a number of times. Then...
(at last)...
Hard to come by, 00%
you'd soon see.
Which amounted to the same.
as good a time as any to start Bago living. (desc. them being camped, maybe at Moiese)
As well try to unsort the stars. (i.e., sort out)
Now why...?
For minutes (seconds?) on end...
more than enough times.
in his easy manner
They were skittish (with each other)
(of the situation)
If he wasn't mistaken,...
--And not a damn thing else.
What I have come to think is that...
Perplexed,
That lasted me quite a while.

him a while.
Yet why should that be?
Nothing like having to...
