running - but conclude,

6. same breath

He (regarded) her
comparably. Then he
loomed, a winning
grin being on him,
dawn him.

Time stalled the 01-90.

So much so

Can't you pick up phone at
now & that you're back
of tell me, huh?

- Phones are heavy ^{is} than
they are. waiting.
- Think of it as call delay.
Can't you?

such a creative idea

No, it's sort of a
temp deal. I have a
day job.

Who books?
