Dear Mr Doig

I have just finished reading BUCKING THE SUN. I loved it. It is a huge, extraordinary achievement. As I read, I felt that I was also *watching* - I could see the dam, the machinery, the dancing. Congratulations, and thank you very, very much for including me in your list of dedicatees - is this a real word? I feel very honoured and grateful.

I wish you every success with BUCKING THE SUN. It is a great book. Again, thank you.

Yours
