Dear Athol Fugard--

I'm pleased that my Winter Brothers found its way to you,
as the words of your plays so many times have sought me out.
Herewith, a bit of holiday gift to you and Mrs. Fugard, and
great good wishes for '94.

A handwritten signature in dark ink, appearing to read "Maxine Peacock". The signature is written in a cursive, flowing style with a large, sweeping initial 'M'.

Dear Mr. Zoig,

I've just finished reading
Winter Brothers and I feel I must
thank you for your beautiful &
inspiring book. A wonderful
celebration of life and a splendid
telling of Swann's story.

Seasons Greetings to
you and Mrs. Zoig.

Arthur Fogard.
