

At Moss Agate. (1929)

6 June '86

Dear Dave--

Thanks for the loan of all this. As to the two photos I had copied for you, the info on them is this:

"At Moss Agate (1929)", left to right seated: Bud, Tom Ringer, Grandma, Paul, your dad, my mother, my dad, Angus Doig, ~~Sixteen~~ Doig, his eventual wife Blanche, and Clyde Essex of Sixteen. Varick Standing: my grandmother Annie Doig, Jim Doig, and Claude Doig. Pic was taken by my aunt, Anna Doig, who was dating Clyde Essex that day; a few years ago, after both their spouses died, she and Clyde married and live in Livingston.

The kid with the dog is no, not Dan Ringer, but your dad. Paul seated behind him, Grandma with hands on hips, my grandmother Annie Doig, and our granddad Tom Ringer. This almost certainly was taken that same day at Moss Agate in 1929.

best. see ya.
