BOZEMAN, MONTANA, TUESDAY, MAY 22, 1923. NUMBER 34.

WOMEN'S DAY WILL BE HELD ON SATURDAY - - - MAY 26

SPECIAL PROGRAM FOR AFTERNOON

Day Will Be Given Over to Activities of the Women of Montana State; Program Complete for Affair.

The first big Woman's Day in the history of Montana State will be held Saturday. The Woman's League committees have been working for several weeks and their finished plans show careful thought and polish. Club women from all over the state have been asked to attend, and the women of the Gallatin valley will motor in, if the weather permits. Miss Trumper, of the state board of education, will be present and Mrs. Dixon, in a letter to Dean Herrick says that she hopes to be able to come over from Helena for the occasion.

A very interesting program has been prepared for the afternoon. The Treble Clef Club will sing several selections. Miss Lindblom of the English department has prepared a play, "The Wonder Hat." The four members of the cast are Anaconda girls, and this same play will be presented at the annual Woman's Club meeting in Anaconda next month.

Miss Pack, who has so very ably sponsored and built up co-ed. athletics here this year, will give a demonstration of her department in the new gymnasium. Many of the women will be interested in inspecting the new building, and the upper class girls will act as guides for this purpose. Miss Pack is training her freshman and sophomore classes in an "M" drill to be presented in the big gymnasium. The various track stars will give exhibitions in the swimming pool, on the running track and at the jumping pit.

The feature of the afternoon which will be entirely new is a procession in which all the girls enrolled in school will participate. The girls will all dress in light sport clothes, and will wear blue and gold ribbons with alternating colors uppermost, save for the senior women, who will lead in their caps and gowns. After the procession reaches the Hall the seniors will have their wand drill and each senior will present some selected Junior with her wand to carry on for next year. A Pathe man will be here to secure pictures of the procession, so the active co-operation of every member is anticipated. The new officers of the Woman's League will be installed during the afternoon.

The various departments on the Hill especially for women are giving special exhibitions for the visitors. The art exhibit deserves special mention. Aside from the usual department exhibit, which is interesting in itself, there will be a wood block collection of particular interest, and a very special exhibit from the New York School of Fine and Applied Arts.

Tea will be served during the afternoon in the home economics and art departments and at Hamilton Hall.

MONTANANS ARE HERE.

OUT ON TIME! The slogan of the 1923 Montanan was realized when the first shipment of 200 annuals arrived Saturday afternoon, and the rest will be here in a few days.

In less than an hour after the 8 o'clock whistle blew Monday morning, an excited and enthusiastic throng of students carried away the first shipment of the annuals.

Interested eyes turned the pages of the annual, expressing approval, as they viewed the artistically designed panels, the beautiful scenes from the campus and college life, and finally to the pages that disclosed the secret that had been kept all year, that is, the winners of the beauty contest.

Undoubtedly this year's annual is one of the best ever put out by the students of Montana State College and the Montanan staff and Editor-in-Chief Charles F. Schurch are certainly to be congratulated.

The co-operation and interest taken this year in the production of the year book should be an incentive for another good production next year.

Lucien Benepe and August Schneider were week-end guests at the Sigma Chi house.

SPECIAL ASSEMBLY HELD YESTERDAY ON HEALTH

Montana State College students were given an unusual opportunity at a special assembly yesterday morning. A member of the United States department of health lectured and showed three films from his series of twelve on Health and Sanitation. Only one other place in Montana is privileged to see these films, and that place is one of the largest cities. Through the efforts of the chancellor the college was able to secure the films for one day only. In the afternoon a different set of films was shown to the biology classes, under the auspices of Mr. Swingle.

These films are specially prepared for educational purposes in the high schools of the country. Films on different subjects, but of the same type, have been found usable in instructing those who do not read. The particular reels shown to the students were on "Interdependence of Plant and Animal Life," and "Disease Carriers."

"M" AWARDS TO BE MADE FRIDAY

All Winners of Letters for Collegiate Sports Will be Presented With Them at Assembly.

At the regular assembly next Friday morning awards will be made for this year's athletic contests. Aside from track, basketball and football awards, all intramural awards will be presented at this time. The Deans' Cup will also be presented Friday.

In the afternoon at 3 o'clock there will be a punting and passing contest on the old athletic field, after which there will be a baseball game. Just which teams will play cannot be definitely stated now, but the game will be one of the finals in the inter-organization contest. After the game there will be a spring football practice which everyone is invited to watch.

The day will end with a big "M." Club banquet in the evening at Kramer's Cafe.

Miss Flossie Tweddle, of Butte, has been visiting Judy Hoem at Hamilton Hall. She was a guest at the Iota Delta dance which was given Saturday night.

FOOTBALL SUITS ISSUED.

All of the men who have signed for spring football or who intend to go out for it, will report to G. "Ott" Romney in the gym. Tuesday. Here measurements will be taken and the football uniforms will be issued. You must get your suit by Tuesday, for practice will start on Wednesday. G. "OTT" ROMNEY, Athletic Director.

Men Report for Moleskins Today

All Football Candidates Out For Spring Training Will Call For Equipment; Prize Contests for Friday.

Spring football is the next thing on the college athletic program, and will be in full swing by the end of this week. According to our athletic director, G. "Ott" Romney, the interest in this spring sport is keen and there will be two fairly well trained and working gridiron elevens in condition for the big pigskin contest which will be held here June 1.

A large number of men have signed up for spring football and will start work this week. The men who have made letters in college football and the freshmen who made numerals will compose the material for one squad, and will be trained under the supervision of Ray McCarren and Bruce Hollister. The rest of the men who have signed for the spring activity will constitute the material for the other squad, and will be coached by G. "Ott" Romney and "Doc" Jones. The two teams developed from these squads will meet on Gatten Field on June 1, and promise to stage a very exciting football game.

All of the men who have signed for spring football will report to Coach Romney by Tuesday for their suits. The suits must be issued by Tuesday, as football practice will start Wednesday afternoon. This spring football will be a decisive step toward the success of our gridiron eleven for the coming season. Due to the importance of this athletic activity, spring football will be the chief athletics at the college for the rest of the school year.

Montana Alpha chapter of Sigma Alpha Epsilon announces as pledges Stanley Hodgson, of Missoula, and Chester Lantz, of Red Lodge.

BOBCATS WIN DUAL MEET FROM COLORADO AGGIES

"M" PAINTED BY STUDENTS ON FRIDAY

After several false attempts the student body at last took the weather bull by the horns and went out to the "M." last Friday. True to form, the day started out with uncertain showers and kept them up throughout the work. The boys in their most ancient clothes armed themselves with pails, brooms and rags and left for Bridger about 8 o'clock. After a number of discouraging waits for lime, the task was finally accomplished before the afternoon was well begun, and the workers piled down into the canyon for the very good lunch prepared for them by the Spurs.

The finished "M." is a source of pride to the institution. Despite the unpleasant weather conditions the big letter was given a very good coat of whitewash and is in excellent condition for another season. The letter has received good care this year, due to the efforts of the Fangs, and the task of refurbishing did not require the time necessary last year.

ENGINEERS HONOR BILLINGS MEN

Chemists and Mechanical Engineers Combine to Give Banquet for Chemist and Manager of Great Western Plant at Billings

The mechanical and chemical engineering students entertained Mr. John Davis and Mr. Guy Weybright at a banquet at Kramer's Cafe at the Elks' Club last Thursday evening at 6:30 o'clock. Both these men are well known engineers of Billings and are in the employ of the Great Western Sugar Company. Mr. Davis is chief chemist, and Mr. Weybright is assistant manager of the sugar refinery at Billings. Dean Norris acted as toastmaster at the banquet, which was attended by about forty students and several members of the faculty.

Mr. Weybright gave an interesting lecture to the chemicals and mechanicals at the chemistry building lecture room Thursday morning. He spoke from the managerial viewpoint, and touched on points of special interest to the mechanical engineers. Mr. Davis gave another interesting lecture in the afternoon, also in the chemistry building. He spoke on the analytical phase of the plant at Billings.

SCORE EASY VICTORY AT FORT COLLINS

Doc Jones Squad Show Heels in Contest That Was Looked on As Colorado Victory. Keen Competition Displayed.

The Montana State track team was victorious in a dual meet held with the Colorado Aggies at Fort Collins, Colorado last Tuesday afternoon. The Bobcats entered the meet with the Montana State spirit and emerged victorious to the score of 71½ to 59½. The relay was forfeited to the Aggies by Montana, as "Doc" Jones wanted to spare his men for the conference meet on Saturday.

The Montana team took ten firsts against the Aggies four, and every Bobcat succeeded in scoring points for the Blue and Gold. Four Bobcats each gathered more individual points than the highest point man of the former's team. Bachman was high point man with fifteen points taken by firsts in the century dash and eighth-mile dash, and second in the quarter mile sprint. "Tarzan" Blumenthal took ten points by heaving the sixteen pound marble past the Aggies heavers mark and by whirling the platter a distance which merited him first place in the discus event.

Captain Cates speared nine points with a first in the high jump and thirds in the shot, discus, javelin, and broad jump events. An injury to the tendons in one of his legs at the outset of the meet, prevented Cates from figuring as a point winner for Montana State.

Every man on the Montana team scored one or more points for their team. The time was poor due to the heavy conditions of the field caused by a steady rain which turned into a snow storm the morning of the meet. In dry weather "Colorado Field" is one of the best athletic fields in the northwest.

The sensation of the day was the spectacular running of "Shorty" Bachman in the half mile after he had already won first in the mile and two-mile grinds. Bachman trailed in third place in the first part of the run but soon took the lead. Poly, a half-miler who has made good time for the Aggies in the half mile, made a desperate attempt to pass "Shorty" during the middle of the second spin around the oval. The two men ran neck and neck until they reached the turn when the Aggie dropped behind. The two winners staged a fast sprint on the straightaway into the lap. Bachman (Continued on page Four)

Four Records Broken in Conference Meet This Year. Montana State Men Show up Well in Contests.

The Montana State College Bobcats won fourth place with 22½ points in the annual Rocky Mountain Conference Track Meet held at Boulder, Colorado last Saturday. Colorado University was first with 39 points, Utah Aggies were second with 35½ points, and Utah was third with 32 credits. Colorado College was fifth with 16½ points and did not give Montana any competition for fourth place. Four other conference institutions placed lower down in the list.

Montana was well in the lead throughout most of the day but was unable to enter a relay team due to the fatigued condition of the Bobcat sprinters who had put in a gruelling day after a week's train travel, Montana having traveled the farthest distance to the meet. The relay, which was one of the most hotly contested events as well as being one of the spectacular runs of the day, was the deciding factor of the meet. The Bobcats had second place cinched up to the staging of this event which involved twenty two points.

Blumenthal Scores In First Events "Tarzan" Blumenthal scored the first points for Montana and the first points of the meet by coping first place in the shot with a heave of 40 feet ¾ inches. After winning first place Blumenthal made three unsuccessful attempts to break the conference record of 42 feet 4 inches.

In the discus throw, the next event of the meet, he scored three points by taking second place in competition with "Dab" Platt who broke the conference record with a marvelous heave of 139 feet 1½ inches.

Bachman Scores In Distance Runs "Shorty" Bachman won second place in the mile after leading the field for ¾ laps, Hogan, of Utah University, sprinted in to the tape with a long fast stride. In the last fifty yards Bachman and "Chick" Hart of Utah Aggies, last year's winner of the mile, fought hard for second place, Bachman winning with the same stride he used in winning the half mile vs. the C. A.

Bachman won the two-mile grind, taking the lead with the bark of the starters gun, and maintaining it throughout the entire eight laps. Whitney, the crack two miler of the Utah Aggie team, followed close behind Bachman for the first three laps but the gruelling stride of the Montana distance star was too fast for the Utah man who was forced to slow down, which allowed "Shorty" to establish a lead of over forty yards (120 feet). With a remarkable burst of speed Whitney attempted to overcome this lead. By the time the Utah man had come up within a stride of "Shorty", the Bobcat had broken into his usual seventy yard sprint to the finish tape and finished seven or eight yards in the lead. The remaining ten men finished fairly well grouped about fifty or sixty yards in the rear.

The poor condition of the track prevented Bachman from making a new record as the Montana boosters had expected him to do.

Two Bobcats Place In Pole Vault Powers and Shoebottom placed in the pole vault. Powers tied with Webster, of Utah Aggies, for first place at the good height of 11 feet 10½ inches. Shoebottom was third place after having made a hurried trip from Bozeman after he vaulted 11 feet 4 inches at the handicap meet with Gallatin High.

Benton Ties for Second in Broad Jump "Georgie" Benton tied for second in the broad jump at 21 feet 2½ inches which is seven inches less than the state record made against Montana U. Benton succeeded in making his best leap on his last start from the take-off. Benton was barely beaten out of fourth place in the hundred yard dash.

Bunny Places in Half Ed Bunny won third place in the half mile run, which was one of the fastest events of the day being run in 2:00 3-5 which is two fifths of a second slower than the conference record. Bunny ran in second place for the first 220 yards where he dropped back to fourth place until he pulled up into third place with the last few yards.

Cogswell Places in 440 Ted Cogswell won fourth place in the quarter mile which was won in 52 and three tenths seconds. Cogswell also ran in the century dash and the 220 having qualified among the first six in the morning's preliminaries. Sales and Cottam both qualified in (Continued on page Four)

Here is the Bobcat Track Squad that Defeated the Colorado Aggies and Won Fourth at the Conference Meet Held Saturday at Boulder, Colorado
TOP ROW—Left to Right—Hodgson, Coach A. D. Jones, Powers, Cottam, Blumenthal, Bunney Sales, Tenney, (Mgr.), Cogswell.

THE WEEKLY EXPONENT

ESTABLISHED JANUARY 1, 1910

(Outgrowth of Monthly Exponent, Established January 1, 1895)

OFFICE—Room 1, REPUBLICAN-COURIER BUILDING

The Weekly Exponent is strictly a student enterprise. Its chief purpose is to present to its readers, each week, an accurate and complete record of the developments in college affairs during that period and to exert its full influence for the upbuilding of Montana State College. The paper is the result of voluntary effort put forth by the students who compose the staff.

Published every Tuesday of the College year by the staff chosen from the students of the Montana State College of the University of Montana, Bozeman, Montana.

Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, authorized February 17, 1919.

SUBSCRIPTION RATE

Two Dollars Per Year Ten Cents Per Copy
Students become subscribers upon payment of the regular Activity Fee.

SPECIAL STAFF

Editors-in-Chief—Margaret Conkling, Noneeta Noble
Circulation Manager—Beulah Kelley
Special Reporters—Ruth Davidson, Mary Baldwin, Kathleen Cameron, Winifred Cobleigh, Alice Stranahan, Octavia Marquis.
The regular staff assisted in the publication of this issue.

Athletics for men are so integral a part of our institution that their stability is not questioned, their worth is so taken for granted that it is not always appreciated. This year at M. S. C. co-ed athletics have, after several years of fluttering and struggling, at last secured a foothold worthy of mention. Athletics for women at M. S. C. have come to stay.

The East has long recognized the necessity of athletics for its women students as well as for its men and has fulfilled that need with interscholastic contests and meets similar to those which the men hold. The Women's Colleges have most actively sponsored this movement and each school in the East has its big hockey team, its varsity crew, its tennis tournaments and field days.

The West has been slow to welcome this idea. Many Western schools and colleges still consider that its women are to always watch and never participate. The only possible chance for their physical development and betterment is given in a physical education class in which the rudiments of kindergarten folk dances are taught. This is the condition which Montana State is so successfully overcoming now. This year marks the beginning of a new era for co-ed recreation here.

TRACK TEAM ARRIVE FROM TEN DAYS TRIP IN COLORADO

The Montana State track team arrived at 2:10 Monday morning from a ten days trip in Wyoming and Colorado. The team arrived earlier than originally planned because they were anxious to be on the campus in time to take up their studies again Monday morning. With the exception of Captain Cates, who was injured in the high jump, the men are in good condition considering the strenuous week put in by them and the long train trip which was started immediately after Saturday's meet. Coach Jones did not return with the team, but went to Denver after the conference meet to spend a duly earned vacation with his parents. "Doc" will return to Bozeman the later part of the week. Thomas Shoebottom who left Bozeman Thursday after breaking the state record in the pole vault against Gallatin High on Tuesday, returned with the squad yesterday morning. "Bunts" arrived at the Boulder field just in time to qualify in the preliminaries in his event.

The team went to Denver after the meet with the Colorado Aggies and spent a day or so sightseeing. The men report that the spirit at Montana State is better than that found at the institutions visited. The Bobcats also appreciated our new gym all the more after seeing the facilities afforded at these schools. The Montana team, however were given a good reception wherever they went and were the favorites of the crowds at the conference meet, because of having entered as a "dark horse" in competition with the highly touted conference teams of the southern regions. Montana held first place up to the time of the last events in the afternoon. The Montana boosters got a thrill each time during the day when the announcer shouted the results at regular intervals with "Montana First", after the Blue and Gold had emerged victorious from the myriad of runners wearing the colors of other schools.

The crowds showed keen interest in the running of "Shorty" Bachman, who was remembered as winning the two mile at the meet three years ago. Whitney, of Utah Aggies, who made a desperate attempt to defeat our star Bobcat, by making a spectacular sprint at the end and dropping at the

finish, was loud in his praise of our distance man after the meet. He created a sensational scene by insisting that he be carried over to the Montana tent where he could offer congratulations to "Shorty". Cates was also given unstinted praise by track enthusiasts who remembered his victory in the high jump last year with his injured leg heavily wrapped in bandages. They were disappointed when our captain injured himself this year which prevented him from entering his event and perhaps setting a new record.

COLLEGE VICTORIOUS IN HANDICAP MEET.

Montana State College won the handicap track meet against the Gallatin county high school last Tuesday afternoon, with a final score of 62 to 55. Tom Shoebottom, of Huntley, leaped the bar in the pole vault for 11 feet 4 inches, which is about two inches better than the state intercollegiate record. With the Bobcat track team in Colorado, and a good handicap given the high school in every event, the meet was a good deal more exciting than was expected. In spite of the muddy track, the time made in each of the running events was good, especially in the 220-yard dash. The relay, the last event of the meet, decided the winning team, as they were almost tied in points. The results of the events were as follows:

50-Yard Dash—McCoy and Wester, college, 55.4 seconds.
Pole Vault—Shoebottom, college; McMullin, Gallatin; 11 feet 4.2 inches.
Mile Run—Richards, Gallatin; Holway college. Time, 4:58 2-55.
100-Yard Dash—Wester, college, Wylie, Gallatin. Time 10.3.
Shot-Put—Gaffke and Wylie, Gallatin. Distance, 36 feet 9 inches.
220-Yard Dash—McCoy and Mortinson, college. Time, 24.2.
High Jump—Preston and Wright, Gallatin. Height, 5 feet 2 inches.
120-Yard High Hurdles—Axtell, Gallatin; Ennis, college. Time, 18.2.
Discus Throw—Gaffke, Gallatin; Yedlicka college. Distance, 96.6 feet.
440-Yard Dash—Woods and Liver, college. Time, 54.2.
Broad Jump—Wylie, Gallatin; Liver and McMullin tied for second. Distance, 18 feet 9 inches.
220-Yard Low Hurdles—Axtell, Gallatin; McMullin and McCarren tied for second. Time, 27.2.

Javelin Throw—Joubert and Erath, college. Distance, 139 feet 7 inches.
880-Yard Dash—Engbretsen, Gallatin; Thayer, College. Time, 2:11.3.
Half-Mile Relay—Montana College. Time, 1:41.1.

Did you ever stop and wonder, stop and ponder, stop and think of why we're here and what it's all about? Well, if you haven't, don't attempt it, for as surely as you do, you'll get in so deep you scarcely can get out. It's hard enough in winter, when there's snow upon the ground, to track a juicy scandal to its lair, but it's next door to impossible to even catch the scent of any scandal when the ground is bare. All week long our fair detectives have toiled long and arduous hours to find a weak solution for this state, but as nearly as we've doped it out it all amounts to this: The reason is, the girls can't stay out late.

But even house rules are disregarded at times, as was shown by the queer parking place chosen for Jack Lincke's Ford. As nearly as we could make out, the conversation ran like this:

"Be perfectly frank, doesn't my constant love-making bore you?"
"Dreadfully."
"Then you really don't love me?"
"Why, if I didn't love you, I couldn't stand to hear you make love."

Speaking of rides reminds me of the joke George Finley was saving until next winter:

First Student—"Want to go on a sleighing party?"
Second same—"Who you gonna slay?"

IF—

(For women students—)
You can walk by a store window without feeling your hair or pulling down your sweater;
If you can walk by a fraternity house at noon without stumbling over a crack or having your neck turn red;
If you can be told that you have a hole in your stocking without turning around to try and see it;
Laurel—"Yes; make haste, bring me the can-opener. I've got a flea in my knight clothes."

And speaking of figures, did you all notice Bill Moore out with "another fellow's girl" (you see, Peg, we are trying to keep Eli's vow in not mentioning your name). But to go on to Willie. It seems that Willie is trying to become an orator by addressing envelopes.

The meanest trick played on the Hill during the past week was executed by the Fang who asked a certain Spur if she would like to go to the dance, and when she answered in the affirmative, said: "Well, will you buy your tickets from me?"

But speaking of boners, here is the worst:
Prexie—"Young man, will you call me a taxi?"
Smart and obliging Y. M.—"All right; you're a taxi."

A FABLE OF FACTS

Once in the days of the present There came an occurrence In the lives of men That was known as Campus Day When everybody was supposed To show his loyalty and regard For his Alma Mater By helping clean up the Symbol known through the Northwest, The greatest "M". The event was heralded far and wide As an occurrence in which Everybody was to take part. On the day set for the Event Six score men of the College of State Climbed the heights to paint The greatest letter in the World. But four time six score Stayed in town or went on Picnics with their favorite Girl.

Others, such as stately seniors, Were too occupied with studies And Required Work to dirty Their hands with lime and water. The six score received their reward By hearing those who were not Near the work receiving the Praise for the Excellent Job They did on the letter. The moral of this Fable of Facts Is this: "If the majority In our famous College of State Want to make Campus Day A picnic for two, We can All enter the activities."

Gallatin Valley possesses enough Beautiful and Convenient spots So that all of us can study CAMPUSOLOGY.

"I'm cutting quite a figure," said the chorus girl, as she sat on the broken glass.

A cat has nine lives, they say,
And that must be right;
But they forget the frog,
And he croaks every night.

Were it not
For this sweet verse
There'd be a joke here
Ten times worse.

"All out; end of the line," said the young lady as he told her last joke. You must have SOME face—or you won't get by with it).

Squire—"Did you send for me, my lord?"

PICKED UP BY ELI'S SCOUTS AT THE TRACK MEET

The track team maintain that Foster is strong on making good impressions. After he finished a prearranged tete with a coed at Lovell he majestically strolled back to the end of the train and boarded the Pullman and then slunk up to the day coach on the inside of the train.

"Paddock" Cogswell won the plaster paris loving cup for his fussing activities with a bowery queen in the vestibules from Laurel. If her husband hadn't met her at the depot in Casper "Paddock" would have had a better time.

The manager sure gummed the works when he put his grip in the rack above a Wyoming native and the contents trickled down over the poor man's bald head. Tenny still insists however that it was just "liniment."

"Tarzan" Blumenthal is quite a handshaker. When the ebony complexioned valet at the hotel extended his opened palm towards "Tarzan's" wallet, he politely gave it a hearty shake and said, "Pleased to meet you."

If Benton appears to be a little stiff when he gets back from Salt Lake we might mention that he got that way from sleeping in the hammock in the Pullman berth. He must have thought he was on a battleship.

"Shorty" Bachman sure dissipated after the meet. When the porter awoke him at six thirty Sunday, Shorty sonorously replied, "Suffering sassafras, what's the idea of waking me up in the middle of the night."

Eli guesses that Sales was weighted down by Solvig's telegram which he had under his belt when he ran the hurdles.

LITERARY MEETING

Alpha Epsilon Theta held a business meeting at the Iota Delta house last Wednesday evening. Plans were made for a club picnic next week and election of officers for the coming year was held. Every member of the club who desire to attend the picnic should notify Mary Baldwin or "Spud" Cobleigh immediately. The results of the elections follow.

President—Margaret Conkling.
Vice President—Margaret Nelson.
Sec. Treas.—Jessica Kramer.
Sergeant—Beulah Kelley.

FACULTY PICNIC

Last Friday, when the student body redressed the "M" the faculty made plans to hold their annual picnic up Bridger canyon. According to the invitations and the daily Chronicle if weather conditions were decreed unfavorable by the committee in charge the college whistle was to be blown at two o'clock to indicate that supper would be served in the drill hall.

The students left early in the morning and had a very pleasant outing after the actual work was accomplished. The faculty, however, was much more timorous and the whistle blew according to direction long and loud. The old Drill Hall held a picnic party merry despite the confinement of walls.

OF INTEREST TO WOMEN OF M. S. C.

CO-ED. ATHLETICS.

Much interest has been shown in co-ed. athletics this spring and there is great prospect of athletics for girls coming right to the front in college activities.

In comparison with other schools, records are low. But the girls are doing remarkably well in consideration of the fact that they have had little or no previous training.

The various events are lined up as follows:

Rifle Meet, May 5—
Marian Arnold, 93 points.
Elizabeth Hart, 88 points.
Arlene Utley, 87 points.
Swimming Meet, May 10—

There were about 50 girls who entered this meet, and the individual honors were as follows:

Mildred Morris, 36 points.
Marian Arnold, 32 points.
Ruth Walker and Gale Fisk tied for third place.

As to classes, the freshmen won first place with 192 points, the juniors second with 188 points, and the sophomores third with 84 points.

Those taking the highest in the several events were:

Ruth Walker and Gale Fisk tied for diving.

Marian Arnold and Mary Maxey tied for form.

Margaret Conkling, obstacle race.
Marian Arnold, 20-yard dash.
Gail Fisk, plunge for distance.

Mildred Morris, under-water swimming.

Lucile Rohrer, beginner's swim.

The rating according to groups was as follows:

Non-frat, first.
A. O. Pi, second.
Zeta Kappa, third.

Pi Beta Phi and Iota Delta tied for fourth.

Chi Omega, fifth.

The tennis tournament has started with winners of sets as follows:

Atkinson, Andrews, Nelson and Stockton.

The semi-finals are to be played Wednesday and Thursday. The finals will be played on Friday.

The track meet will also be held Wednesday, with no doubt as to as many entries as in the swimming meet. In practice, Joy Noble leads in the running high jump with a score of 4 feet 7 inches while several others scored from 3 feet 8 inches to 3 feet 10 inches. In the broad jump, the highest record made was 7 feet 4 inches; 50-yard dash, best time, 7 seconds; 75-yard hurdles, 12 seconds.

The winner of the hiking squad this year will be the girl who has the greatest number of miles to her credit. By the 28th of this month the schedules will be turned in and the total will be taken and credit given to the class totaling the most miles; to the fraternity to which the girl belongs; and also individual honors will be given.

It was understood when the girls signed up that 45 miles on their schedules must have been taken with the hiking club. At the present writing there have been two hikes, 18 girls going on the first, the distance being 13 miles; on the second there were but 15 girls, who hiked a distance of 24 miles. The next hike will take place Sunday, and will consist of a hike up "Baldy."

Miss Pack says, "We hope to evolve a medal next year for the girl who has totaled the most points, indicating her as the champion athlete."

HOME ECONOMICS CLUB.

The Home Economics Club held a very interesting meeting Thursday night, May 17. Katherine Towne and Marie Moebus gave an outline of their thesis work for the year. Miss Brane-gan discussed the changes in the home economics course and explained how it would affect the present classes, and Miss Franks discussed the home project work. There were two entertaining numbers on the program, a piano solo by Ethel Spargo and a reading by Gail Fiske.

The meeting was then open for election of officers for the coming year and those elected were:

President—Ella Clark.
Vice President—Anna Nelson.
Secretary—Thelma Newkirk.
Treasurer—Ethel Spargo.
Publicity—Lillian Barry.
Social—Nellie Refsnes.
Program—Keturah Tibbles.

The meeting closed with a social hour, and light refreshments were served.

TORMENTOR'S BANQUET.

A formal banquet will fill Kramer's Wednesday night when the Tormentors initiate five new members. A short but amusing program promises to make the occasion a very merry one. A stunt by the new members will be particularly entertaining. The neophytes are Alice Moody, Alice Bevans, Dodo Howard, Maurine Plew, and Fred Cook.

Members of the club who have taken parts in a number of student productions are interested in affiliating themselves with a national dramatic organization. The faculty has given consent and plans are nearly completed. A number of the Tormentors will be eligible for membership in the new

organization under the participation regulations.

IOTA DELTA ENTERTAINS.

Saturday evening the Iota Delta sorority entertained their friends at a very unique dancing party in the new gymnasium. The decorations and features of the evening represented bandit scenes. After several hours of dancing, the guests were served a delicious luncheon at the chapter house on West Main.

Raymond Kuhns, '21, who has been residing in Helena, spent a few days of last week at the Omega Beta house.

ZETA KAPPAS INITIATE.

Hazel Tallman and Thelma Shaw were initiated into the Zeta Kappa sorority Sunday afternoon at the chapter house on West Main.

B. E. ENTERTAIN AT SPRINGHILL.

Friday afternoon and evening the Beta Epsilon fraternity entertained their friends at a party at Springhill. At 6 o'clock a picnic supper was served outdoors. After the supper the party enjoyed a few hours' dancing in the hall, the music being furnished by Grief's orchestra. Refreshments were served at the close of the dance. Professor and Mrs. Tallman chaperoned the party.

Miss Margaret Campbell has returned to her home in Hardin after spending the week as a guest at the Pi Phi house.

B. E. 12, Federal Board 8.

The Beta Epsilon team won from the Federal Board nine Saturday by making a grand rally in the seventh inning and running in seven counters

BASEBALL.

Standing of the Teams.

Team.	W.	L.	Pct.
Independents	5	1	.833
Omega Beta	4	1	.800
Sigma Chi	4	1	.800
Beta Epsilon	4	2	.667
Barbs	3	3	.500
Federal Board	2	4	.333
Sigma Alpha Epsilon	1	5	.167
Faculty	0	6	.000

B. E. 6, Ind. 5.

The Beta Epsilon team beat the Independents in an exciting game last Tuesday, 6 to 5, with the Independents threatening to tie the score in the last inning. It was a good pitchers' battle between Hartwig and Socolitch, with Hartwig having a little the best of it, although his support was weak at times. McGuinn and Haughland each got a triple with a man on base. The batteries were: B. E., Hartwig and Scotten; Independents, Socolitch and Yedlicka.

Sigma Chi 11, B. E. 3.

The Sigma Chi's took the measure of the B. E.'s Wednesday to the count of 11 to 3 in a poorly played game. The B. E. team blew up in the fourth inning after Hartwig had been forced to retire, after being hit with a foul ball. Dyer was hit freely and some wretched support let the Sigma Chi's get away with eight unearned runs. Chestnut struck out 13 men and allowed but two hits. Curry made a home run with two on in the fifth inning.

Batteries—Sigma Chi, Chestnut and Lamb; B. E., Hartwig, Dyer and Scotten.

Independents 5, O. B. 0.

The Independents spoiled the perfect average of the O. B.'s Thursday by winning 5 to 0 in a good game. The O. B.'s got but one hit off Yedlicka, that a scratch by McCarren in the fourth inning. The Independents touched Husemeyer for six safeties, including a triple by Taylor and a home run by Yedlicka. The Independents played perfect ball, not an error being marked against them, while the O. B.'s were making seven errors. Yedlicka fanned 13 men and

Husemeyer 8.

Batteries—Independents, Yedlicka and Savage; O. B., Husemeyer and McCarren.

Sigma Chi 7, S. A. E. 4.

The Sigma Chi's took the measure of the S. A. E.'s in the second game Thursday by a 7 to 4 score. The Sigma Chi's got a three-run lead in the first inning, but the S. A. E.'s evened it up in the second. The Sigma Chi's got two in the third, and two more in the fourth, while the S. A. E.'s garnered one more in the third. The Sigma Chi's got but two hits off Popham, wretched support and wildness being responsible for his downfall.

Batteries—Sigma Chi, Lawton, Finley and Lamb; S. A. E., Popham and Jacques.

Independents 8, Barbs 2.

The Independents won another game Friday when they downed the Barbs 8 to 2. The Barbs had one disastrous inning when the Independents ran in six runs. Yedlicka started

for the Independents, but was taken out after the third after three hits had yielded two runs. Socolitch relieved him, and granted but two scratch hits. Batteries—Independents, Yedlicka, Socolitch and Savage; Barbs, Erath and Duncan.

B. E. 12, Federal Board 8.

The Beta Epsilon team won from the Federal Board nine Saturday by making a grand rally in the seventh inning and running in seven counters

EOBCAT TEAM TAKES 4TH

(Continued from page One)

the high hurdles in the morning's preliminaries but were unable to place in the finals.

The results are as follows:

100-yard dash—First, Nichols, Colorado U; second, Salisbury, Colorado U; third Jewkes, Utah U; fourth, Keim, Colorado U. Time: 10 flat.

High hurdles—First, Anderson, Utah U; second, Mortenson, Utah Aggies; third, Zanon, Colorado U; fourth F. Johnson, Colorado U. Time, 16-1.

440—First, Hamilton, Colorado College; second, Anderson, Utah Aggies; third, Patterson, Colorado College; fourth, Cogswell, Montana State. Time 52:3.

220-yard dash—First, Nichols, Colorado U; second, Jewkes, Utah U; third, Miller, B. Y. U. Time 22:8.

Half mile run—First, Hoggan, Utah U; second, Davis, Colorado U; third, Bunney, Montana State; fourth, Hart, Utah Aggies. Time, 2:00:4.

High jump—First, Lunt, Utah Aggies; second, Kidder, C. C.; Lewis, Mines; Baker, Utah Aggies; Young, B. Y. U.; tied, height 5 feet 10 1/2 inches.

Broad jump—First, Watkins, Utah U; second, Webster, Utah Aggies; Benton, Montana State, tied, fourth, West, Utah Aggies, distance, 22 feet, 7 1/4 inches. Record old mark 22 feet, 7 inches. McCutcheon, C. U., 1919.

Javelin—First, Crandell, C. U.; second, Mullinger, B. Y. U.; third, Brown, C. U.; fourth, Mortensen, Utah Aggies. Distance 163.5'. Record old mark 162 feet 10 1/4 inches, by Anderson, Utah U., 1922.

Relay—C. U., first; second, Utah Aggies; third, Colorado college; fourth, Colorado Aggies. Time 3:30:2.

Two mile—First, Bachman, Montana State; second, Whitney, Utah Aggies; third, Richards, Utah U; fourth, Glover, C. U. Time, 10:30:5.

Pole vault—First, Webster, Utah Aggies; Powers, Montana State, tied at 11 feet, 10 1/2 inches. In third Shoebotham, Montana State; fourth, Hyde, Colorado Aggies. Webster later broke record, vaulting 12 feet 1 1/2 inches, old mark 12 feet, Sewell, Colorado Aggies, 1920.

440—First, Hamilton, Colorado College; second, Anderson, Utah Aggies; third, Patterson, Colorado College; fourth, Cogswell, Montana State. Time 52:3.

220-yard dash—First, Nichols, Colorado U; second, Jewkes, Utah U; third, Miller, B. Y. U. Time 22:8.

Half mile run—First, Hoggan, Utah U; second, Davis, Colorado U; third, Bunney, Montana State; fourth, Hart, Utah Aggies. Time, 2:00:4.

High jump—First, Lunt, Utah Aggies; second, Kidder, C. C.; Lewis, Mines; Baker, Utah Aggies; Young, B. Y. U.; tied, height 5 feet 10 1/2 inches.

Broad jump—First, Watkins, Utah U; second, Webster, Utah Aggies; Benton, Montana State, tied, fourth, West, Utah Aggies, distance, 22 feet, 7 1/4 inches. Record old mark 22 feet, 7 inches. McCutcheon, C. U., 1919.

Javelin—First, Crandell, C. U.; second, Mullinger, B. Y. U.; third, Brown, C. U.; fourth, Mortensen, Utah Aggies. Distance 163.5'. Record old mark 162 feet 10 1/4 inches, by Anderson, Utah U., 1922.

Relay—C. U., first; second, Utah Aggies; third, Colorado college; fourth, Colorado Aggies. Time 3:30:2.

Cates Injured in High Jump

Ted Cates, our faithful captain of the tracksters, suffered a renewed injury of the weak tendons of his leg which were injured about a month ago in practice. Ted was easily clearing 5 feet 9 inches in the preliminaries in the morning when his leg gave way which prevented him from further competition. Had Captain Cates been able to enter the high jump in the finals he would easily have taken first place, as this event was taken at 5 feet 9 1/2 inches which is four inches below the Montana State record made by Cates in 1922.

Medals Given Out

Gold, silver and bronze medals were given out by the conference officials for the first three places in each event. Benton and Powers flipped a coin with the man with whom they tied and both Montana's men received the lower medal.

Points Scored by Montana Men
Bachman 8; Blumenthal 8; Powers 4; Benton 2 1/2; Bunney 2; Shoebotham 2; Cogswell 1; Total 27 1/2.

BOBCATS WIN DUAL MEET

(Continued from page One)

gained a lead of about a third of a lap in the two mile but saved his strength on the last lap by finishing about sixty yards ahead of the field.

The mile run was decisively Montana's event; Bachman, Bunney, and Hodgson paced into the tape in a group well in advance of the nearest Aggie. This gave the Bobcats a 15 to 3 lead over the Aggies early in the meet and the Montana tracksters maintained a substantial lead throughout the contest. Blumenthal showed his superiority in the weight events by taking first in the discus without whirling, which he was forced to do because of the slippery condition of the field. Captain Cates showed his usual ability by placing in five events but was somewhat handicapped because he had not been able to work out for nearly a month previous, due to his injured leg.

The Colorado Aggies were slated for a victory because of having easily won a triangular meet from Wyoming and the School of Mines the previous Saturday. Too much credit cannot be given to "Doc" Jones for his remarkable work with the track squad which he was required to reorganize and build up with only two men left who went to the conference meet last year.

Score for Events of Fort Collins Meet

100 yard dash—First place, Ted Cogswell; Hartman; Benton. Time 11 flat.

Mile run—Bachman, Bunney, Hodgson. Time 4:51 1/2.

Shot—Blumenthal, Wagner, Cates. Distance 41 feet 11 1/2 inches.

220 yard dash—Cogswell, Hartman, Newell. Time 23 4-5.

Pole vault—Hyde, Powers, Hyatt Height 10:9.

120 high hurdles—Cottam, Sales,

Brown. Time 17 4-5.

440 yard dash—Smith, Cogswell, Foster and Wall. Time 54 4-5.

2 mile run—Bachman, Bast, Faulhaber. Time 11:25 4-5.

220 low hurdles—Ridle, Hyde, Sales, Time 28 flat.

880 yard dash—Bachman, Poly, Bunney. Time 2:11

Discus—Blumenthal, Wagner, Cates Distance 117 feet 7 inches.

High jump—Cates, Johnson, Cottam Height 5 feet 7 inches.

Javelin—Phelps, Wagner, Cates. Distance 135 feet 5 inches.

Broad jump—Benton, Hyatt, Cates. Distance 21 feet 1 inch.

Relay race—Forfeited by M. S. C.

SPORT SHORTS

(Continued from page Three)

to make the final score 12 to 8. The game was poorly played, with the Federal Board men making 13 errors and the B. E. men 7. The hits were well scattered, but serious bobbles at inopportune times allowed both teams to cross the plate with many unearned runs. The B. E.'s got five hits off Johnson and the Federal Board got 7 off Hartwig.

Batteries—B. E., Hartwig and Scotten; Federal Board, A. Johnson and Dutton.

FROSH WIN BOXING WRESTLING TOURNAMENT

With a total of 9 points, the freshman class of M. S. C. won the first annual interclass boxing and wrestling tournament. The matches were held in the college Gym Saturday night. The juniors were second with 7 and the Sophs third with 6. Three no-decision, exhibition bouts were given by Henry Jacques and Scotty McDonald, Frank Knight and Bill Bawden, Tom Kirk and K. W. Fitzgerald. These men are experienced in the boxing game and their number added much to the program.

The bouts were three two minute rounds. Kirk and Fitzgerald refereed. The results were as follows:

Shine Harma won over William Graham in the 145 pound class.

Forbes won over Joe Gay in the 135 pound class.

D. A. Savage, Junior, won over Bruce Orcutt, Frosh.

Harma, Frosh, won the decision over John Pasha in the 145 pound class.

Professor Deane B. Swingle refereed the wrestling matches with the results as follows.

Lamp was thrown by Savage with a half-Nelson, in six minutes. Champ Hannon won over Harold Nicholson in three minutes with a head lock. Alvin Cleveland threw Glen Sands in four and a half minutes. Omer Larson floored M. E. Snell in two and a half minutes.

Charles Taylor threw William Stanley in three and a half minutes. Paul Doran floored Chas. Taylor in 10 minutes; Rube Romney and D. A. Savage struggled to a draw in 12 minutes.
