

FROSH COMPLETE TRADITIONAL JOB

College "M" Receives Annual Whitewashing. Nomination of Officers and Dance Complete Program

On Monday, October 13, the "M" received one of its semi-annual coats of lime, the job being done by the Frosh men. After the task was completed the Spurs provided a lunch for members of the class. Following under the leadership of Ed Buzzetti, senior class president, the Frosh nominated their class officers. In the afternoon the Class of '34 danced as well as they worked during the morning to complete their "M" Day with a Mixer-Dance.

A little after seven o'clock yesterday morning the men reported at the foot of Mount Baldy and by ten o'clock when the girls arrived the whitewashing of the "M" was well under way. After lunch, dues were collected and names checked off. Two hundred sixty-eight freshmen paid their dues. Dues will be collected from the remaining ones as soon as the new treasurer is elected.

The following were nominated for class officers: President, Duane Dugut, Henry Fox, John McFarlin, and Jim Conway; Vice President, Alvin Prinet, Fred Kennan, Jack Johns, Bob Petrie and Constance Wirgenhorn; Secretary, Fred Huber, Sig Weenins, Lucille Lytle and Natt Kutzman; Treasurer, Tom Marshall, Roland Tripp, Ted Ragsdale, Anna Lee Johns, Frank Wynn, Dee Town, John Haley and Julian Tripp. The election will be held sometime during the coming week.

The dance in the afternoon was attended by a majority of the class. In the morning the Fangs organized the work and in the afternoon they lent their assistance in making the dance a success.

It was estimated that at least four hundred gallons of water and thirty sacks of lime were used in painting the "M".

Bozeman Site AAUW Meet

Second State Conference of Montana Division of American Association of University Women Held

The Second State Conference of the Montana Division of the American Association of University Women was held in Bozeman October 10 and 11. Delegates from Helena, Great Falls, Butte, Missoula and Bozeman were in attendance. Mrs. M. A. Brannon, wife of Chancellor Brannon, is director of the North Pacific Section. The local branch has between 50 and 60 members, all of who are graduates of colleges on the approved list. Mrs. A. W. Cooper, Second National Vice President from Portland, Oregon, was one of the outstanding speakers of the program. Dr. Wendell S. Brooks, president of Intermountain College also addressed the meeting Friday evening. During the convention several members and students of the Montana State College assisted in the programs.

MUSICAL ORGANIZATIONS HOLD FIRST PRACTICES OF THE YEAR

The first glee club and chorus practice was held Monday, October 6, in the North Barracks. There were 70 students trying out. As yet, plans for the spring tour have not been made. The orchestra met Friday, October 10, with a total number of 20. The first proved to be a long and thorough session. The glee club and orchestra are under the direction of the music instructor, Mr. Donald Kintz. There is to be a music assembly sometime the latter part of this quarter.

MEETING OF SPARTANIANS IS HELD ON MONDAY, OCTOBER 6

Spartanians, an upperclass athletic association, held its initial meeting last Monday, October 6, at 5 o'clock. Helen Fechter, president of the organization presided. Other officers are Margaret Crest, vice president and Marie Hakala, secretary-treasurer.

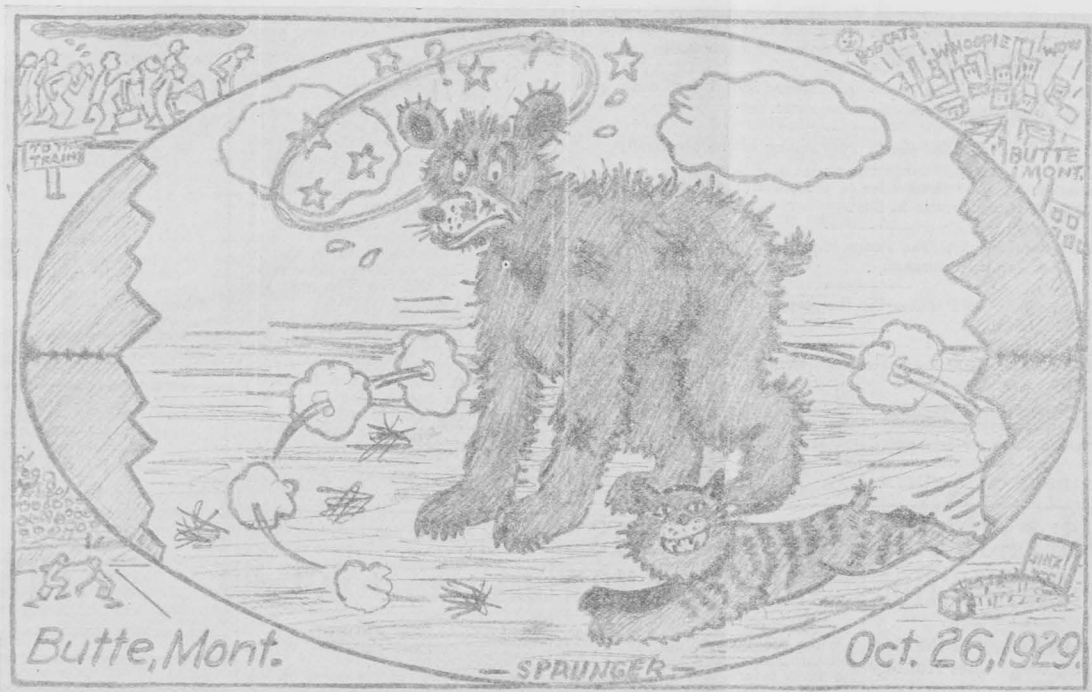

Miss Pearl Kimball, acting director of physical education, was voted as sponsor of Spartanians. In her honor a benefit bridge for the W. A. A. department will be given Saturday afternoon, October 5, at the Hotel Baxter. Tickets are 50 cents each or \$2 a table. This is an excellent opportunity for new faculty members and students to become acquainted with one another. Marguerite Roscoe compose her committee in charge of the bridge playing. They promise a light lunch at the close of the afternoon. Spartanians also decided upon a ring as an insignia for the organization. The ring will be finished in

silver with an onyx background with Mercury's head on it. These rings will be ordered soon for all Spartanian members. The Co-ed Prom, given in the winter quarter, was discussed but no further business was transacted.

SOPHOMORE ELECTION

Because Lorraine Thompson, vice president, was the only candidate to receive a majority number of votes in the Sophomore election held Friday, October 10, it will be necessary to hold a second election sometime in the near future. The two candidates receiving the highest number of votes will again compete for the office. Those whose names will appear on the second ballot are: President—Jim Gannaway, John Parker; secretary—Frank Ball, Leroy Good; treasurer—Glen Frisbie, Chester Funk.

They Will Repeat!

Band Working Hard For Butte Display

Keen Rivalry Existing Between Bobcat and Grizzly Bands for Musical Leadership at Butte Game

One more the Bobcat Band has been working hard in order to be able to give the best in snappy, up-to-the-minute music for the big game at Butte next Saturday. Keen rivalry exists between the Bobcat and Grizzly bands so each does its best to outdo the other in uniform, marching style and performance.

Lou Howard, the director, has endeavored to improve the quality of performance by cutting out "dead weight." Consequently the number going to Butte will be decreased slightly. About fifty men will make the trip. They will have a private coach and baggage car on the special train Saturday morning. Immediately upon arrival in Butte students will take the cars up town where they will form behind the band and parade along much the same course as in former years.

Plans are that the Bobcat and Bruin bands will again banquet together as guests of the Silver Bow Club. (Continued on Page Three)

HOME EC. COURSE GROWS

Enrollment in the Home Economics department is larger than ever this year. The department has a total of 121 more students this year than last. The increase by classes is: graduates, 3; seniors, 13; juniors, 34; sophomores, 28 and freshmen, 43.

Three of the four graduate students, matriculated for master degrees this year, are home economic students. They are Vivian Baker '29, Helen Mayfield '30 and Mrs. Bernice Eckhoff '26 of the University of Idaho. All are doing their thesis work under Dr. Richardson in the home economics research division. Miss Baker and Mrs. Eckhoff are majoring in textiles and Mrs. Mayfield in nutrition.

Attends Tau Beta Pi Meet

McElliott Is Delegate to National Convention of Tau Beta Pi at Bethlehem, Pennsylvania

In order to attend the national convention of Tau Beta Pi, engineering fraternity, Donald McElliott, president of the local chapter, left Bozeman on October 3, for Bethlehem, Pa.

The convention is worthy of special note this year because it is being held at Lehigh University, the birthplace of Tau Beta Pi. An outstanding incident of this year's convention will be the presentation of a memorial to the university commemorating the founding of the first chapter nearly 40 years ago. This will do special honor to Edwin H. Williams, the founder of the fraternity, who is now quite an old man.

Mr. McElliott is one of 56 delegates representing as many chapters. He is expected back in Bozeman the latter part of the week. McElliott graduates this year in industrial engineering. He is a member of the Amigo Social fraternity and also Pi Kappa Phi, honor scholastic fraternity.

NOTICE

It is necessary that every organization turn in a list of its officers and the members to check the points and activities of the students according to the point system that was put into effect this fall. If the secretaries of every organization will please turn in these lists to the Registrar's office before October 18, it would be appreciated very much. Clarence Connell, Chairman point system.

NOTICE

There will be a meeting of the advertising staff of the 1931 Montanan, Wednesday, October 15, at 5:00 p. m. All those interested in advertising work for the Montanan be there. Armin J. Hill, Advertising manager.

NOTICE

Important meeting of the Secretarial Club on Thursday, Oct. 16, at five o'clock in Lewis hall, room 304. All secretarial students please be there. Margaret Rowe, president.

SPUR CHAPTER GIVES DANCE ON SATURDAY

Many Attend Fall Dance Sponsored By the Spurs in the Gymnasium

Last Saturday, October 12, the Spur Chapter of Montana State College staged its fall dance at the gymnasium. Eckhoff's orchestra furnished the dancers with fine music and a large number of the student body were present to enjoy it. The Spurs sponsor a dancing party at various times during the year and these are usually well attended, as an evening of enjoyable entertainment is always promised.

ROTC Battalion Now Numbers 438 Cadets

Two Sophomore and Three Freshmen Companies are Organized and Officers Named

The R. O. T. C. Battalion this year has been organized into two sophomore Companies, and three freshmen Companies, with a total of 438. This is one more company than the unit has ever had before. The Military department has announced the following assignments of cadet officers and non-commissioned officers for the Battalion:

Cadet Major, Robert Erb; Battalion Adj., Geo. Hould. Captain Co. A.—Sime; Lieuts. Co. A., Harry Adams, John Bartlett, Austin McNall; First Serg., James Waters. Capt. Co. B., Max Parkins; Lieuts. Co. B., Leonard Johnson, William Scheele, Sam Winn; First Serg., Donald Seitz. Capt. Co. C., James Owens; Lieuts. Co. C., Forest Daley, Michael Deevy, Joseph Woomsley; First Serg., Herbert Archibald. Capt. Co. D., Everett Pepper; Lieuts. Co. D., Jack Erkill, Alex. Ragenovich, Henry Fox; First Serg., Raymond Van Fleet. Capt. Co. E., Thomas Farris; Lieuts. Co. E., Erwin Amick, Rudolph Skonard; First Serg., Harold Bohlander. Instructor of band drill, Theodore Ragsdale. Extra Captains, Nick Grebeldinger, Carl Hollensteiner.

TALK GIVEN TO EUROS BY MISS ROBERTSON

Miss Robertson Entertains Group at First Meeting By Giving Short Resumes of Recent Novels

On Wednesday, October 8, the Eurodelphians held their first meeting of the year. Miss Robertson entertained the group by giving short resumes of the most recent novels. It was decided that Alice Vandenhooft, president of Eurodelphian, should be the delegate to the national convention, to be held next month. Arlene Crane was elected to the office of secretary and Helen Souders was elected treasurer. The program was outlined for the coming year. There are to be many interesting lectures, and many group research problems discussed and solved.

Formal pledging of 15 women was held Friday evening in the fireplace room at Herrick hall. The initiation will be held some time in the next two weeks. The Kappa Deltas furnished the refreshments at the close of the meeting.

GROUND WORK OF IRIS GARDENS IS COMPLETED

The Iris Garden, which was planned by women students of M. S. C. as their year's project is now quite well on its way to completion. All of the fall plants, including eighteen dozen Iris bulbs and many perennial shrubs have been set out. A. W. S. desires that every student cooperate by not walking on the ground or interfering in any way with the growth of these newly planted shrubs and bulbs.

Annual Staff Meeting Held

First Meeting of 1931 Montanan Is Held Sunday. Aims and Needs of Yearbook Stressed By Editor

The first meeting of the 1931 Montanan staff was held at the S. A. E. house Sunday afternoon. The meeting was simply the formal opening of the vigorous activity which must follow in order to make the Montanan a bigger and better year book. As editor of this year's book, Franklin Dewey stressed the fact that the Montanan is intended to represent Montana State College ideas and activities in every possible field. It is a difficult task for the staff of the Montanan to follow out the idea of making the book truly representative of M. S. C. in this respect. This has been due in the past to the indifferent attitude which the student body as a whole has assumed toward the publication of our year book. Franklin appealed to those who were present at the meeting to plan the section of the book in which they were interested, making the necessary dummy, and to submit their work for correction and acceptance. If a larger number of students would interest themselves in this work and do some real serious thinking and planning during the next month, the Montanan would be almost certain of classifying as an all-American year book in 1931, according to the editor.

Vera Ann O'Neil told the group at the meeting how close the Montanan came to receiving the all-American classification last year, and she told them just why this award was not obtained. It was due entirely to the lack of cooperation of the students, she said. Those sections of the Montanan which could be put into shape by the staff were wonderfully handled by Vera Ann and her assistants and were given marks of excellent at the judging of the year books, but that part of the book which belonged to the students alone, the Blue and Gold section, was a failure and was responsible for the loss of a higher award.

All the students at the meeting signed up for the various positions which they desired to hold on the staff. The group was reminded that dummies should be turned in this week and that pictures and written articles should come in as soon as and as often as possible. The meeting was brought to a close with a final plea for everybody to help the Montanan.

Fang meeting tonite, Herrick Hall at 5 o'clock. Art Buckley, Duke

FULLER TOURS EUROPE ON SUMMER VACATION

Chemistry Teacher Spends Summer Months in Making Tour of Europe

Ed Fuller, instructor in the chemistry department at Montana State College, spent a very interesting summer on a tour of Europe. He left here about July 7 and returned just before the fall quarter registration. He travelled in his automobile as far as New York where he embarked on July 11. He landed in Plymouth, England, where he visited many historical spots and saw many places and (Continued on Page Three)

BOBCATS MEET GRIZZLIES NEXT SATURDAY AFTERNOON AT BUTTE

GAME CALLED FOR 2:30 P. M. BOTH TEAMS READY FOR BATTLE. ALWAYS KEEN RIVALRY

Next Saturday at Clark Park in Butte, the Bobcats from Montana State College at Bozeman will meet the Grizzlies from the University of Montana at Missoula in the annual State Football Classic of the year to decide the supremacy between the two major schools of the state.

Montana football fans are agog with excitement as the annual gridiron classic at Butte draws near. The game, always a good one, will be doubly thrilling this year due to the fact that both teams seem to be of excellent calibre. Supporters of each team are voicing their praises loudly, while interest in college circles is running high in regard to the final outcome.

This year the Bobcats seem to have the edge on their opponents insofar as records are concerned. Already the cats have clawed their way to victory over three powerful eleven's, Idaho, Regis, and Wyoming. Montana has played but one important game this year, drubbing St. Charles of Helena by a large score. This extra experience that the "Cats" have had should prove a decided advantage to them. Montana State has a strong lineup composed of veterans and last year's yearlings. The line is especially formidable and should be instrumental in breaking up many of the Grizzly attacks. Captain Max Worthington, at end, has been largely responsible for the "Cat's" three victories of the year. McFarland and Dowell are other competent ends who should cause some trouble for the "U." Mills has been outstanding at tackle, with Ball giving him close competition. Others who have been performing well on the line are Bruner, Mencer and Skinner. At center are Hazen and McClean. The backfield is one of the shiftest in the conference this year and is composed of such veteran material as DeFrate, Keenan, Long, O'Leary, Breeden and Leland. DeFrate, all-conference quarterback of last year, has been performing consistently well this season. His long end runs and shifty open field work have provided most of the "high spots" in the Cat's games this season. (Continued on Page Four)

A.W.S. To Purchase Piano For Project

Grand Piano Will Be Bought By A. W. S. and Placed in the Fireplace Room, Herrick Hall

The project which will be undertaken by the Associated Women Students this year will be the purchasing of a grand piano for the fireplace room at Herrick hall. This decision was reached at the first A. W. S. meeting of the year which was held in the Engineering assembly room Tuesday, October 7.

Lillian Tubb, president of the associated Women Students, presided. The meeting opened with songs led by Margaret Souders. Miss Tubb called upon the presidents of the women's organizations to tell about their respective groups. Esther Bowman, president of Mortar Board introduced this year's members. Helen Fechter told about the Spartanians and asked the members present to stand. Dorothy Garrett outlined the work of the Women's Athletic Association for this year. Carolyn Delaney, chairman of religious affairs, and Marguerite Roscoe, president of the Spurs, were introduced. Alice Vandenhooft gave a brief account of the work of Eurodelphian and asked members of that group to stand. The following members of the Women's Council were then introduced: Helen Eagle, historian; Peggy Scott, treasurer; Mary Frances Spain, secretary and Elizabeth Seitz, vice president.

The project for this year was discussed. The proposal for the piano was voted upon and the women unanimously agreed to donate fifty cents for the carrying out of the work. The meeting was adjourned after several college songs were sung.

NOTICE OF ASSEMBLY

There will be a general assembly in the Gymnasium from 10:25 to 11:15, Thursday, October 16. The speaker will be John R. Effinger, dean of Colleges of Arts and Sciences at the University of Michigan. Dean Effinger is one of the outstanding educators in the United States. He is one of the ablest speakers to appear before the student body this year.

TWO ASSEMBLIES HELD

At the assembly held on Tuesday, October 14, Fred Bennon, a former coach of the Bobcats, addressed the students. He told them of former activities of the Bobcats and of our chances for winning this year. President Atkinson appealed to the students to leave Butte on the special train following the game. Leonard Wing, president of the Associated Students, talked on "What the Butte Game Means to Us and Why We Should Endeavor to Keep It." Art Buckley, Duke of the Fangs, outlined the program of events before and after the game in Butte. Coach Dyche gave a brief talk about the game and about his fighting Bobcats. Songs (Continued on Page Three)

THIRTY-TWO YEARS OF GRID BATTLE BETWEEN MSC AND U

When the Bobcats meet the Grizzlies in Butte Saturday, October 18, it will mark 32 years of gridiron battles. The University has amassed a total of 20 victories against five for the Bobcats. During this time there have been four tie games. With nine straight losses and a broken "jinx" the Bobcats enter this year's game to help even the one-sided list of victories.

The first game was held in 1897. On a snow covered field the Grizzlies won 18 to 6. The next year a two-game series was held. The "U" won in Bozeman 6 to 0, and repeated in Missoula 16 to 0. The next year no game was held because of financial difficulties. In the game of 1900 the Bobcats started a string of four victories. In 1900 the score was 19 to 11. For the next three years the score was 31 to 0, 30 to 0 and 13 to 6 in favor of the Bobcats. Following this string of victories the "U" returned in 1904 to give the Bobcats the worst defeat and pile up the biggest score ever made during the contests. Montana "U" won that year 79 to 0. In 1905 friction developed between the two schools and the game was called off four days before scheduled to be played. During the next two years relations between the two school were so strained that no football games were held. In 1909 the two game series resulted in a nothing to nothing score in Missoula and a 5 to 0 win for the Bobcats in Bozeman. Missoula won the 1909 game when Winstanley booted a field goal in the final 30 seconds of play. Many Close Games Since 1909

On their home field the Bobcats advanced the ball to the 3-yard line but failed to score and a nothing to nothing tie resulted. In Missoula, however, the Grizzlies completed 11 to 15 passes to win 10 to 5. Owsley played stellar smashing ball to win the Bozeman game. (Continued on Page Four)

DEBATE

It is a truth that athletics eclipse all other activities in American colleges and universities at the present time. The fact is not at all astounding, for under this head are all those branches which stimulate human interest, physical excellence, excitement, and enthusiasm to the greatest extent. The other extracurricular activities, however, draw their quota from the student ranks, and, though not as popular generally, they are probably of greater value to their enthusiasts in later life than athletics. Such is debate and its companion activities. Admittedly, there is a growing need for persons with an ability to speak and think logically. All phases of debate, oratory and extempore speaking are excellent training for this trait, which is a most desirable possession and serve as an outlet for students more particularly adapted to them than other types of campus activities. This work serves practically as a fine means of developing leadership, and consequent opportunity of gaining college offices and distinction in the business world. Besides these theoretical benefits, there are numerous other important inducements for student participation in forensics. The debate trips around the state and to adjoining states compare favorably with those taken by athletic teams, and render a definite asset in the form of valuable personal contacts. This travel also enables one to see and know other schools and colleges and their work. Representatives who participate in contests are eligible to membership in Pi Kappa Delta, a national honorary debating fraternity which ranks as a leader in honor societies. The honors attainable in this work are worthy, and benefits many, so that consideration of supporting the call for debators should not be slighted.

GRID CLASSIC PLANS FORMED
(Continued from Page One)
The special train from Bozeman will arrive in Butte at 11:00 o'clock. The Bobcat parade will take place immediately. Students will meet on the corner of Park and Arizona, march west on Park to Montana, north on Montana to Broadway, east on Broadway to the Finlen Hotel where a short rally will be held. The students will then disband to have lunch. Many of the fraternities and sororities are having group luncheons at the various hotels. The Missoula parade will take place when their special arrives at 11:30. The committee also decided to have a loud speaker on the field during the game. Mr. Traill will announce the plays to the grandstand. The committee from Bozeman interviewed the various business houses concerning the use of their windows for the Bobcat decorations. They supplied the business houses with the material to decorate with. The Clark Park committee was interviewed concerning seating arrangements. The student sections this year will be between the 40 and 20-yard lines as used in previous years. The rates on the special, which leaves Bozeman at 7:00 a. m., are \$3.44 per person. A fair and a third will be charged for students who stay over. The special returns from Butte at 8:30 p. m.

SMATTERINGS FROM HERE AND THERE IN OUR MIDST

Fiercely, Fiercely, Grizzlies; GIVE 'EM HELL, BOBCATS, GIVE 'EM HELL!

Here goes for twenty-one years of winning, how about it Bobcats?

Montana State is depending on Max and Fat to pile up the yardage.

Just three days left to get that old Bobcat Spirit in working order.

Our dear yell-king had better invest in some brakes before leaving for Butte. His ford started to run-away last week, but the brave master exhibited such speed that it was recovered in the space of one block.

By the way, the young gentlemen who have been courageous enough to bring in their Dorm Dates late must remember that the penalty is a five pound box of candy. Don't be tight, the girls are worth it.

Pokey and Babe had better come back soon. School just can't go on without them. Anyway we'll see them in Butte.

We hear that the B. E's and the Pi Phi's belong to one big family.

It was a good thing for the grades of the students and the dispositions of the faculty that Monday was M Day.

Here's a new Scotch joke. The Fangs kicked at having to pay the Spurs twenty-five cents for their lunches.

It looks like a long hard winter for the Kappa Sigs they got 3 Freeses and one Frost this fall.

What's this about some of the Fraternities having open house for Gallatin high girls?

Ben Frost has earned a good calling down by the Seniors (which he got) when he classed them all as Juniors last assembly.

ALL ROADS LEAD TO BUTTE.

CHOOSE CAST FOR NEW PRODUCTION

Cast for "An Enemy of the People" Is Chosen. Chet Huntley and Lora Brown Have Lead Roles

Announcement has been made of the cast for "An Enemy of the People." Mr. Hansen is extremely well pleased with the cast, which is as follows: Doctor Thomas Stockman, medical officer of the baths, Chet Huntley; Mrs. Stockmann, his wife, Lora Brown; Petra, their daughter, a teacher, Kathryn Smith; Peter Stockmann, Burgomaster and Prefect of police, Raymond Van Fleet; Morten Kiil, master tanner, Harold Greiner; Hovstad, editor of the "People's Messenger," Jimmy Owens; Billing, on the staff, Robert Manlove; Horster, a ship's captain, Dale Bohart; Aslaksen, a printer, Arthur Roberts. "All members of the cast are experienced actors and have appeared before Bozeman audiences in the past. All but two are members of Tormentor's organization. Chester Huntley's splendid work in "Mary Rose" has marked him as an accomplished actor. Jimmy Owens and Robert Manlove both delighted theatre-goers with their part in the Looters musical production "Queen High," last year. This will be Kathryn Smith's first appearance in a college play but she will be remembered for her acting in high school plays in Bozeman. Lora Brown has had considerable experience in both high school and college dramatics. The staging of the play will necessitate the use of five sets, and the stage crew, is already planning the sets so that work on them can begin soon. Students from Mr. Hansen's play production class are designing costumes. "An Enemy of the People" is one of Ibsen's satirical social dramas. It is a vividly realistic comedy that moves with terrific rapidity. In the fourth act is a mob scene which will prove to be one of the high lights of the drama. This is the second time that Tormentors have chosen one of Ibsen's plays to produce. Last year the Doll's House" was put on during the fall quarter. With Chester Huntley carrying the lead and supported by such an able cast in "An Enemy of the People" this play should be most successful.

COMMENTS BY THE PRESIDENT

Nicholas Murray Butler, president of Columbia University, made an address before the Institute of Arts and Sciences in October, 1927 on "The Lost Art of Thinking." This title would suggest that the art of thinking has disappeared, and human beings are reaching decisions under the drive of their emotions.

This interpretation may apply to part of the population, and doubtless was rather generally applicable in the period immediately following the World War. A war always stirs the mass emotions, and many group actions find their basis in aroused emotions.

For students attending college, especially where scientific courses are offered, one of the most important attainments is to become efficient in the art of thinking. Facts are acquired at college not to be remembered in an isolated way, but to be coordinated with other facts, in order that right conclusions may be reached. Thinking has been defined as all of the activities connected with the digestion of facts, and the student who acquires the largest number of facts, and in addition is able to digest these most effectively, is the one who gets the most out of college courses.

The management of business and industrial concerns consists of meeting and correctly solving problems, and the college trained person who has his mind stored with important knowledge is in a better position to deal with problems if he knows how to associate the facts that relate themselves to the problems before him. To acquire the art of correct thinking is one of the most important advantages of a college course.

mill for interest and sinking fund. Thus the owner of real estate assessed at \$1,000, which means a taxable valuation of \$300, would pay 15 cents more than formerly.

Miss Patty Patten was the Sunday dinner guest of Anna Pee Johns. Hamilton hall held election Thursday evening to elect a president and house council. Helen Hoffman was elected president and her council members are Anna Lee Johns, Marion Gilchrist, Josephine Davis, Gwen Duncan and Nancy Smith.

Irene Day and Lola Palmer spent the week end at their homes in Livingston.

Mrs. McMullen, from Billings, and Mrs. Gilbert, of Dillon, were guests during the A. A. U. W. convention. Mrs. Gilbert is the president of the American Teachers' and Parents' Association.

Marjorie Williams and Mary Ellen Smith went to the Young People's Fellowship Convention at Deer Lodge Friday and Saturday.

Helen Hoffman was called home Thursday on account of the death of her uncle.

Mrs. Wiggenshorn of Billings visited at Hamilton hall Sunday and Monday. Hamilton hall had its first tea Thursday afternoon from 4:30 until 5:30.

Kappa Delta.

Thursday evening, Ortell and Orland Ward, Lillian Stone and Margaret

Galagher were dinner guests of Kappa Delta.

Harriet Weir, who is working for the State Board of Health in Helena, was a week end guest.

Kappa Delta held open-house and presented Mrs. Cuma Blackman to the campus, from three until five o'clock, Sunday afternoon. Those standing in the receiving line were: Miss Grace Cresap, president; Miss Clara Roat, vice president; Mrs. Blackman, Miss Virginia Mills and Miss Ruth Woodward, alumni representatives; Miss Vera Ann O'Neil, social chairman; Miss Helen Albrecht, the senior representative. The active, alumni and pledges assisted in the reception. Miss Irene Jensen, Katherine Bohart, and Mildred Flannigan furnished the music for the afternoon. The features of the afternoon were a tour of the whole house and punch and wafers served in the dining room. Three hundred guests were entertained during the afternoon.

Bob Shabarker was the guest of Miss Mildred Richards over the week end.

Mr. F. D. Fredell, vice president of the Buckbee Mears Engraving Company of St. Paul, and Franklin Dewey held a conference with Vera Ann O'Neil concerning the Montanan Saturday evening.

Pi Beta Phi.

Montana Alpha of Pi Beta Phi announces the formal pledging of Patty Patten, Helen Huffine, Nina Davis, Jean Miller, Carolyn Delaney of Bozeman; Irene Faxon, Mary Metheny, Constance Wiggenshorn, of Billings; Tillie Danicich of Anaconda; Anna Lee Johns, Doris Torongo, Mary Jane Roberts, of Butte; Dorothy Parizek, of Reygate; Lillian Wilcomb and Lucille Lytle, of Great Falls.

Dinner guests at the Pi Beta Phi house Thursday evening were President and Mrs. Atkinson and Dean Herrick.

Alpha Omicron Pi.

Mrs. John E. Kistler, who was Miss Dolly Trippe, spent Friday evening at the A. O. P. house.

Miss Kligen Smith was a dinner guest Thursday evening.

Vivienne Boulware returned from Butte Thursday night where she was visiting her parents.

Miss Elizabeth Pope returned from Butte Sunday night.

Alpha Gamma Delta.

Mrs. McMullen, Gladys Branegan, Bernice Berthot Kennedy, Ruth Rogers, Renn, and Ortell Ward were dinner guests Saturday evening at the Alpha Gamma Delta house.

Maurice Schofield spent the week end in Livingston with relatives.

Chi Omega.

Mary Elizabeth Hamilton and Katherine Klingensmith were dinner guests of Chi Omega, Wednesday evening.

Kappa Sigma.

Kappa Sigma entertained at a Fireside Saturday, October 11. Chaperons for the evening were: Professor and Mrs. Eric Therkelson, Dean and Mrs. W. M. Cobleigh. The guests were: Peggy Smith, Irene Jensen, Marjorie Birmingham, Ruth Bradbury, Pearl Hirsh, Gwen Bowler, Doris Kuhns, Jean Hollenstiner, Eleanor Kinnmouth, Onita Berver, Margaret Winters, Patricia Gore, Mildred Flannigan, Clara Roat, Aline Castineau, Leone Treat, Polly Wirack, Lora Kunkel, Adeline Onstad, May Geery, Dorothy Garret, Evelyn Freese, Nancy Smith, Lois Wells, Dorothy Richards, Maxine Whitcomb, Montana Vegas, Gladys Elliot, Helen Rushing, Arlene Crane, Gordon Husband, Elmer Boen.

Gerald L. Schlessman, a district grand master of Kappa Sigma, was a guest for dinner Wednesday.

Monday, Harrison Reeder '28, was a guest for dinner.

Oscar Cutting, '28, was a guest Friday.

Beta Epsilon.

Miss Joyce Noble and Mr. George Goble, both of Harrison, were Saturday guests of the Beta Epsilon fraternity.

Delta Tau.

Delta Tau announces the pledging of Thurlo Degenhart of Butte.

Guests at the Delta Tau house Friday night were John Pope, Claiborne Brinck and Emmanuel Falkenstein.

Delta Tau had the privilege of en-

Alpha Gamma Rho.

Dinner guests at the Alpha Gamma Rho fraternity house on Sunday were Louie Wright, professor of agronomy, Harriette Weir of Helena, and Katherine Bohart of Bozeman.

Alpha Gamma Rho announces the pledging of Ellwyn Gessner of Brown-

Amigo.

Charlie Thomas of Butte, was the guest of the Amigo fraternity for luncheon on Monday.

Art Buckley, Homer Lambdin, "Hi" Griener and Leonard Wing were visitors in Butte last week end.

Ralph Hodge, '28, was an Amigo guest Thursday.

Sigma Chi.

Sigma Chi announces the pledging of Stuart Challenger of Bozeman.

Mr. and Mrs. Challenger and Mr. and Mrs. Wallace Rosencranz were dinner guests at the Sigma Chi house Sunday.

Sigma Alpha Epsilon.

Montana Alpha chapter of Sigma Alpha Epsilon announces the pledging of Harold Murdock and Sam Eagle.

Hilbert Spauberg was a dinner guest at the S. A. E. house on Sunday.

Omega Beta.

Mr. Pierce of Lima, was a Sunday dinner guest at the Omega Beta house.

Mr. and Mrs. Leonard Kliffman of Lima, Mont., were week end guests of the Omega Beta fraternity.

NEW CLUB MEETS FOR FIRST TIME

The Secretarial Club of Montana State College will hold its first meeting for this fall on Thursday afternoon at five p. m. in Lewis hall, room 304.

Some important business matters are to be taken up at this meeting and all secretarial students are urged to attend. Nominations will be made for the office of Historian to fill the vacancy left by Lucille Zortman, who did not return to school this fall. Also, Miss Young, assistant professor of secretarial science, will report on the results of her search for a national secretarial club.

The Secretarial Club is the youngest departmental club on the hill and was organized during last May for the purpose of bringing together and aiding members of the secretarial department, as well as keeping in touch with its graduates. At the time of its organization, under the leadership of Miss Connell and last year's seniors, the following officers were elected for this year: President, Margaret Rowe; vice president, Dorothy Hannah; secretary-treasurer, Josephine Michlich; historian, Lucille Zortman. It is planned to have regular monthly meetings on the second Thursday of every month.

Later on, during the year, the Club plans on having programs consisting of talks by local business men on various phases of commercial work which would be of interest and value to secretarial students.

Another innovation of the Club is the establishment of a secretarial honor roll. A plaque is going to be put up in the secretarial building and each year the name of the freshman secretarial students making the highest grades will be added to the list. The name of the freshmen rating highest this year will be the first name on this plaque.

TWO ASSEMBLIES HELD

(Continued from Page One)

and yells were reviewed for the benefit of those attending the game.

Leonard Wing, president of the Associated Students, presided at the pep assembly held October 9.

The assembly was then given over to yelling and singing lead by yell kings, Jimmy Owens and Ben Frost, commissioner of music. The purpose of this was to get together and practice school songs and yells before the Butte game.

PHI UPSILON OMICRON ELECTS NEW MEMBERS

Epsilon chapter of Phi Upsilon Omicron, honorary and professional home economics fraternity, announces that on Saturday, October 11, two new members were chosen. They are Ruth Lowe and Margaret Choate, who are both juniors.

In 1917 Epsilon chapter was established at Montana State College. Its purpose is to promote and advance professional work in home economics. It maintains a scholarship fund for junior and senior home economics students, and each year contributes to the Edith Franks Library.

BAND WORKING HARD FOR BUTTE DISPLAY

(Continued from Page One)

mediaely after lunch they will ride to Clark Park and provide special music for the gathering crowd.

Between halves a special feature has been planned. Both bands will march to the middle of the field as before, but before playing they will form two figures 33 and 34, the numbers of the two measures which mean so much to both the University and the College. The Bobcats will have the 34, and "Stew" and Mr. Howard have been working overtime perfecting the formation. Flags of each of the colleges will be shot off as before.

In previous years the band has added greatly to the school spirit at outside games, and this year will be no exception. The material in the band is better than ever. Mr. Howard is able to cut out all but the very best and thus greatly improve the quality of the performance. Most of the members have been in the band at least a year, and a good percentage are juniors. These have had quite extensive drill in their marching and formations and should make the best showing ever.

FULLER TOURS EUROPE ON SUMMER VACATION

(Continued from Page One)

things of interest. He then went over into Europe where the rest of his time was devoted to travel in Holland, Belgium, Germany, Switzerland, and France. Mr. Fuller reports that of all these countries, Germany seems to have recovered from the effects of the war better than any other nation.

While Mr. Fuller was touring Europe, he travelled in the ideal way. Except for his visit into Switzerland, the entire trip on the mainland was made on a bicycle. While in Switzerland he climbed Jung Frau. In France most of his time was spent in Paris.

If we think that we have hard times, Ed claims that we should see the terrible conditions existent among the peasants in the agricultural districts over there. There were many pleasant sides to his trip, however. He was able to attend the Wagnerian ad-Mozart festival in Munich, Germany, and he also saw the famous Passion Play at Oberammergau. He was very much impressed with the talent displayed by the peasant classes in these productions.

BOBCATS DEFEAT COWBOYS 20-13

After being outplayed for the first half of the annual game with the Wyoming Cowboys, the Bobcats came back in the third quarter to score their 20 points which gave them a 20-13 victory. Passes were the direct cause for the "Cat" victory.

The Cowboys started out strong and gave the homecoming crowd a thrill when they put over a touchdown in the first five minutes of the opening quarter, but failing in the attempt for point it was 6-0 for Wyoming. The touchdown was the result of a long march down the field and then a 20 yard pass from Humphries to Barnes. Barnes carried the ball over from the four yard mark. The play was all in favor of Wyoming during the rest of the quarter and again in the second quarter the Cowboys pushed the ball down the field and Dir slipped away for a 37 yard run. At this point the Bobcat line stiffened and Wyoming lost the ball on downs on Montana's five yard line. Montana kicked out of danger and the half ended 6-0 for Wyoming.

With the start of the third quarter the "Cats" held Wyoming and forced them to punt. The punt was short and Sadler took it back to the Cowboy's 33 yard line. Burns and Sadler each received a pass to put the ball down on the fifteen yard line and another pass to Worthington put it over. Worthington then converted and it was 7-6 for the "Cats." Montana kicked off to Wyoming and on the next play Worthington slipped thru the Cowboy defense to snare a lateral pass and race 45 yards to a touchdown, he failed to convert and it was 13-6 for Montana State.

After another exchange of punts Sadler placed the ball on Wyoming's three yard line with a beautiful kick. Humphries returned the boot to Sadler who ran it back to the 23 yard line. Sadler was on the receiving end of a pass and took it over, Worthington converted to make it 20-6 for the "Cats."

Wyoming came back strong in the final period and rushed the ball down the field only to fall short of a score. Shortly after DeFrate fumbled and Wyoming recovered but DeFrate intercepted a pass and ran 54 yards to Wyoming's one yard line where he was tackled. The Bobcats failed to put it over and Wyoming took the ball. Ross then intercepted a pass and raced 54 yards to Montana State's 40 yard line. The Cowboys made first down but lost the ball on a pass over the goal line. A bad kick gave Wyoming the ball on the "Cats" 20 yard line. Dir fumbled but Winston recovered the ball for the final touchdown of the game. Dir skirted right

end for the added point and made it 20-13 when the final gun sounded. Wyoming's outstanding weakness was their inability to stop passes. DeFrate, Worthington and Sadler were the outstanding players for Montana State, while Dir was outstanding for Wyoming and was ably assisted by Humphries, Barnes, and Ross.

THE CAT'S MEOW

The 20-13 win over Wyoming Saturday stood out as the Bobcats' tenth consecutive win. The eleventh is in view.

The way Sadler and DeFrate ran back punts and intercepted passes Saturday branded them as two of the most dangerous backs in the conference.

Captain Worthington played one of his greatest games, scoring two of his team's three touchdowns.

Dyer proved that lack of weight is no disadvantage and repeatedly went through the Wyoming backs for gains.

Ball and Mencer, sophomore tackles, look better every game and with their weight and experience should ruin the Grizzly attack.

Din, Wyoming halfback, was easily outstanding for the Wyoming eleven.

With the recovery of O'Leary, fullback, and McFarland, end, the Bobcats are in A-1 shape for the title contest.

What football trip could be a success without having Coach Harry Adams along as an inspiration?

THIRTY-TWO YEARS OF GRID BATTLE

(Continued from Page One)
man game 7 to 0 for the "U" in 1913. Repeating his performance in Missoula to a tune of 39 to 3, the "U" again won. The undefeated Grizzly team took the Bobcats scalp into their lair by a 26 to 9 score. Complication again prevented the game in 1915 as they had in 1911. In 1916 a 6 to 6 tie resulted when a closing Bobcat rally gave a touchdown with four 20-yard passes. Bertz scored the lone touchdown the final minutes of play for a 7 to 0 victory for the "U" in 1917. No game was held in 1918 because of the World War.

In 1919 another tie resulted. Touchdowns by Adams for the "U", and by Taylor for Montana State were the high points of the game. This game ended with the Bobcats in possession of the ball on Missoula's 1-yard line with goal to go.

The next two years saw Steve Sulli-

van score 28 to 0 and 7 to 6 victories for the University by his brilliant play.

Building up a string of four victories the next five years the Grizzlies built their faith around the famous Bobcat "jinx". Losing a heart-breaking 6 to 0 game in 1927 the Bobcats came back the following year with a superior team only to have the game end in a tie. In 1929 DeFrate and Worthington turned the tide with two touchdowns when Twilte twice added points after touchdowns for 14 to 12 victory. This year the Bobcats are back to repeat last year's victory.

The score by years:

Year	U. C.
1897	18-6
1898	6-0
1899	16-0
1899	no game
1900	11-12
1901	0-31
1902	0-30
1903	6-13
1914	79-0
1905	no game
1906	no game
1907	no game
1908	0-0
1909	3-0
1909	10-0
1910	15-5
1911	no game
1912	7-0
1912	39-0
1913	7-0
1913	20-0
1914	26-9
1915	no game
1916	6-6
1917	9-7
1918	no game
1919	6-6
1920	28-0
1921	14-7
1922	7-6
1923	24-13
1924	no game
1925	28-0
1926	26-0
1928	0-0
1929	12-14

NOTICE

Those wishing to be excused from classes because of illness should report to Miss Barnes, student health director, before the class missed or as soon thereafter as possible—not later than 4:30 p. m. Office hours, 8:30 to 12:15 and from 2:30 to 5:30. Home phone 943-J.

BOBCATS MEET GRIZZLIES NEXT SATURDAY

(Continued from Page One)

O'Leary, powerful line-plunger, should be hard for the Grizzlies to stop. Long has played an excellent game at half. He has been especially instrumental in the perfect interference accorded the ball-toters. Keenan is extremely shifty and will be a very hard man to stop.

The Montana team, also, is chiefly composed of veterans. The line this year will probably outweigh the Bobcats' line and is composed of hard-hitting veterans. McCarthy and Lyons are holding down the ends with Vidio giving them keen competition. Walker, Spencer, Botzenhardt, and Muklick, all veterans from last year will be in the "U's" line. At pivot position is Jerry Ryan, Grizzly mainstay of past seasons. Dahlberg, brother of the

famous "Swede," is also at center and appears capable of giving either Hazen or McClean an interesting time. The Grizzly backfield is likewise one of the smoothest they have ever had, featuring such men as Carpenter, Cox, Burns, the Ekregen brothers, Fox, and Larimer. Captain Carpenter was the sensation of last year, always being good for a considerably long gain. Cox and Waldo Ekregen are both clever, elusive and hard-hitting backs. Although the teams keenly felt the loss of Morrow at quarter, they have two

clever men in Fox and K. Ekregen. Burns and Larimer, the other backs are both valuable, although it is uncertain that they will be in the lineup. No predictions can be made as to the outcome of the game for it is never won until the final gun. Locally, of course, hopes are high for another Bobcat victory. The entire student body is apparently planning to migrate to the metropolis this coming week end, and the latest in college phrases is "See you in Butte."
