

## MONTANA STATE FRATS PLEDGE 114 FRESHMEN

Men Are Well Distributed Among Nine Social Fraternities on the Hill, Bozeman, Great Falls and Billings Have Largest Representations

Pledging of 114 first year men at Montana State college into the nine Greek letter social fraternities of the campus Tuesday marked the close of a week of intensive "rushing." Bozeman led the state in the number pledged by having 16, while Great Falls and Billings followed with nine each. Butte came next with seven and Polson with five held fifth place. The new pledges and their affiliations follows:

**Alpha Gamma Rho**  
Mason Thompson, Bozeman.  
Ed. Maynard, Ennis.  
Warren Hanna, Simms.  
Allen Sollid, Dutton.  
Allan VanArsdale, Dutton.  
Harold Lord, Geraldine.  
John O'Brien, Sidney.  
Theodore Hedrick, Polson.  
Elwin Gessner, Browning.  
Frank Westfall, Whitehall.

**Amigo**  
John Marron, Butte.  
William Griffiths, Eureka.  
Ed. Wegman, Great Falls.  
Mike Murphy, Columbus.  
William Sweeney, Bozeman.  
Don Baker, Bozeman.  
Orin Dean, Conrad.  
Clarence DeStaffney, Conrad.  
William Cowley, Conrad.  
William Muir, Great Falls.  
Bay Green, Winnett.  
Leonard Eliason, Deer Lodge.  
Don Pettigrew, Shelby.  
Robert Stringham, Great Falls.  
Hubert Comer, Great Falls.

Clyde Simpson, Bozeman.  
John Lindstrand, Lewistown.  
Donald Duncan, Billings.  
Norman Traber, Great Falls.  
Bob Weisgerber, Great Falls.  
Don Anderson, Miles City.  
Glenn David, Moore.  
Otis C. Johnston, Butte.  
Oscar Hanson, Glendive.  
Harvey Johnstone, Glendive.  
Earl Armstrong, Havre.  
Gordon Eastman, Lewistown.  
Bill Schoppe Jr., Auburn, Maine.  
Dan Pendergast, Wise River.

**Sigma Chi**  
Frank Haskins, Bozeman.  
George Cooksen, Ronan.  
Ed. Howard, Bozeman.  
Lawrence Labbitt, Hardin.  
Paul Schneider, Big Timber.  
Gilbert Anderson, Bozeman.  
Louis Edwards, Hamilton.  
Howard Kelsey, Billings.  
William Coey, Deer Lodge.  
Delmer Moore, Bozeman.  
Jack Herringer, Billings.  
Donald Burton, Bozeman.  
Jack Purdum, Bozeman.  
Fred Lipp, Billings.

## Aerial Attack of Utah Aggies Cats Downfall

Tossing Ability of Smith Brothers Instrumental in Bobcats Losing 21-6

Aerial connections between the Smith twins, Ivan and Elmo, accounted largely for a 21 to 6 victory scored by the Utah State Agricultural college eleven over Montana State college Saturday.

The air success of the Smith brothers, was aided greatly by the brilliant smashing and running of Young, Bennion and Cropley in the backfield and by Parker, Glenn and Vranes in the line.

The Aggies took possession of the field at the start of the first quarter, scoring in four minutes when Young and Schaub combined their effort to cross the goal. Montana showed its best form in the second quarter with a series of passing and power attacks. Keenan and Parke, smart Montana backs, ran the ball to the one-foot line and then Keenan pushed the pigskin over for the lone Bobcat touchdown.

The Montanans slowed up after this performance and allowed the Aggies to score one touchdown in each of the last two periods. The Bobcats threatened in the last few minutes but it fell short of the goal.

Hazen, Mills and Mencer bore the brunt of the attack for Montana in the line. The punting of Parke, Montana quarter, was outstanding, while the Aggie quarter, Iks Smith, performed like a veteran.

## Tennis Tourney Pairings Made

Drawings for the first tennis tournament held at M. S. C. in many years were held at the gymnasium last Saturday and players and their opponents have been posted on the bulletin board in the men's locker room. Twenty-eight men signified their intentions of entering the tournament.

It has been a number of years since a tournament of this kind has been held at the college and this year's reinstatement should help to put tennis in its proper place among the minor sports. With the new tennis courts finished last year interest has been revived to such an extent that a very closely contested and well matched tournament is assured.

**Is Singles Tourney**  
The tournament is for single matches only. Lyall House has been put in charge of drawings and arrangements and those desiring to know complete rules of the tournament should communicate with him, phone 26. This tournament promises to bring some real material into Montana interscholastic tennis competition.

### NOTICE

Tryouts for the year's college plays will be held in the little theatre Wednesday and Thursday afternoons, Oct. 7 and 8, from 3:00 o'clock on.

Freshman on Wednesday.  
Others on Thursday.

### NOTICE

All people who wish to go out for any forensic activity during the year will please meet in room 308 in Main hall, Wednesday evening, October 7, at 8:00 o'clock.

## Painting The "M"

The above picture is shown in order to give an idea of the large size of the letter located on Mount Baldy

## Bobkittens Win and Tie During Tilts Saturday

Yearling Gridders Defeat Three Forks 7-0 But Are Held to Stalemate By Butte High

Giving way slowly before the heavier onslaught of the Bobkitten team, a plucky Three Forks high school eleven allowed the State college yearlings but one touchdown in the game on lower Gatten field Saturday, the final score being 7-0.

The lone touchdown came early in the third quarter when Hamm, Kitten quarterback, steam-rolled his way through the Three Forks defense. A pass, Coey to Moore, was successful in netting the point after touchdown.

Just as the half gun went off the Kittens made a beautiful try for touchdown, but the receiver of the pass behind the goal stumbled and lost the ball.

Spencer Himes, captain of the Three Forks team, was outstanding in his work at halfback. He was ably assisted by his teammate, Scharff, at quarter.

Klees, center, and Rorex, tackle, were among the mainstays of the Kitten team. Rorex playing his first game of competitive football did especially well. Hamm, who made the touchdown, although slow starting, displayed an effective power-house drive when he got going.

**Kittens Tie Butte**  
After Butte high school had marched 35 yards for a touchdown in the first quarter of the Kitten-Butte High game last Saturday, the frosh came back in the second period and scored on a blocked kick to tie the scholastics 6 to 6.

The game was marked by flashes of good and poor football. Both teams started the game keyed up to the point where penalties for off side came thick and fast. The Kittens suffered in this respect.

**Game Is Rough**  
In the middle part of the first period the Butte eleven gained the Kittens' one yard line on a heavy penalty for slugging. The Kittens held there and punted out, only to have Butte take the ball and march back down the field for a score.

**Anderson Scores**  
In the second period Butte took a 15 yard penalty, and attempted to punt on their own 20 yard line. Herringer at guard, broke through the line and blocked the kick. The ball rolled across the stripe where Anderson, at center, fell on it for a touchdown. Lindstrand, Duncan, Eastman, Flannigan, and Fish shared honors for the day in the backfield. Eastman's 85 yard punt was especially outstanding. Lindstrand's passing was some of the best ever seen in Butte. In the line, Herringer, Anderson, and Steiner performed ably.

## Montanan Holds Picture Contest

(By John Parker, editor, Montanan)  
One of the weaker points in the Montanans of past years has been the lack of a representative snap-shot section. Last year's section was an outstanding improvement and it is hoped that this year's may show an equal improvement.

In order to interest the whole student body the Montanan staff, in connection with the Alexander Art company, is conducting a snapshot contest. Here is presented an opportunity to win really valuable prizes and at the same time get some of your best "snaps" into the annual.

**Special Prizes**  
For each important event—such as the Butte game, "M" day, and others—there will be special awards, beside those awards announced in another section of this issue. Snaps, and lots of them make up an interesting book, and if the number turned in will justify it there will be a special "celebrity" or "spotlight" section.

**FANGS MEET**  
The Fangs will meet, Thursday evening at 7 at the Amigo house.

## COLLEGE WILL TEACH COURSE IN RELIGIONS

Meetings Planned to Be Held Every Thursday Afternoon During School Year

A new course dealing with the history and philosophy of religion is being offered at Montana State college this year for the first time. The course is open to all students, faculty members and Montana clergymen. Lectures will be held each Thursday in the engineering assembly from 4:30 to 5:30 throughout the school year. Prominent religious and social leaders of the state are the instructors.

The first of the lectures was given at a general student assembly Thursday of last week by President Alfred Atkinson. At this time he explained the nature of the course to students and faculty members, stating that it is strictly non-sectarian no registration or tuition is required and no credits are offered. It is intended, he explained, to provide a basic knowledge of the development of religion through the ages and of its influence upon individuals and society.

In his opening lecture Dr. Atkinson pointed out that religion has been a dominant force in the life of man, that while certain basic principles have remained it is a living, vital factor, which has undergone changes as man has developed. He characterized religion as one of the great stabilizing influences of mankind, that it has offered values which are everlasting and which provide the necessary something to which man can hold to. Religions, too, he said, is the vehicle by which culture and ethics have been handed down and retained through the ages.

The course in religion is sponsored by the Religious Council at the college, a body made up of one student and one faculty member representing the different denominations at Bozeman. W. R. Plow, head of the department of architecture, is chairman. The course at Montana State college is supported by a contribution by J. R. Hobbins of Butte, representing the Anaconda Copper Mining company.

**NOTICE**  
All those interested in trying out for assistant yell king see me at once. Call 219.  
Philip Roberts,  
Yell King.

## Alpha Psi Omega Elects Officers

At their first meeting of the year, held last Wednesday, Chet Huntley was elected first president of the Montana State college chapter of Alpha Psi Omega. This dramatic fraternity was a merger of the two dramatic clubs on the campus, The Looters and The Tormentors. The consolidation of the two clubs was effected last spring when they petitioned the national chapter for a charter which was granted just prior to the end of the spring quarter. The Tormentors was an organization of students who had taken parts in M. S. C. dramatic productions. The Looters was the dramatic managers organization and produced one major production a year, a musical comedy presented in the spring.

Alpha Psi Omega has laid plans for what promises to be a very enthusiastic year for M. S. C. drama. Its plans call for the production of educational plays containing a maximum of real entertainment. With the efforts of both clubs combined to work in one direction the fraternity will be able to produce a better type of entertainment than has heretofore been shown on the campus.

The other officers of the fraternity are: Henry Seovil, vice president; Kathryn Lyons, secretary; LeRoy Good, treasurer.

## Night Game Is Scheduled As Next For Cats

M. S. C. Gridmen Play First Night Game With Gonzaga On Saturday For Charity

Montana State college Bobcats will play their first night game next Saturday against Gonzaga University of Spokane. This contest is promoted by El Katif temple to raise money for the Spokane shrimers' hospital. Montana State college has not played Gonzaga for a number of years and this revival of the event will offer sport fans of the Inland Empire an opportunity to view what promises to be an excellent game.

Coach Dyche is priming his men for this game and will work on aerial defense in preparation as Gonzaga usually has a team well versed in the art of passing. Gonzaga is coached this year by Mike Pecarovich. Coach Pecarovich hopes to start his regime at Gonzaga by a Bulldog victory and indications from practice show that his team has very good material.

If one hundred and twenty-five names of people who desire to see the game are secured, the Northern Pacific railroad will send a special train to Spokane. The rate offered by the officials of the railroad is eleven dollars and thirty cents for the round trip. This is a little more than a one cent a mile average.

Whether playing under the lights will effect the Bobcats will be a vital factor in the game. Coach Dyche's men have had no experience in night games but reports tend to show that there is very little or no difference between the visibility during the day and that at night when an efficient lighting system is used.

Coach Dyche has not announced the names of the men who will make the trip to Spokane but in all probability those who made the Utah trip last week will be the men selected.

**NOTICE!**  
Don't forget to be at the Baxter Hotel Saturday Night, October 10, from 8:30 to 11:30 for the Fang-Spur Dance. Music by the Kampus Kings.

## Home Practice House Started

The practical application of the arts of homemaking will be studied by five senior women under the direction of Mrs. Harry Eckhoff at the home economics practice house. These women, majoring in home economics are: Elizabeth Griffith, Evelyn Mattmiller, Ruth Osborne, Betty Wesch and Eunice Campbell. The course covers a period of six weeks and each senior student in the department must complete the course before graduation.

**Includes Many Duties**  
The course includes all the duties of a housewife—cooking, sewing, cleaning, and caring for a child. The scientific care of children is carefully studied and Danny, a three months old baby boy from the State Orphans home will be the subject of much care and attention.

The practice house opened Sunday, September twenty-seventh. Wednesday evening the girls entertained members of the faculty at dinner. Those present were: Dr. Branegan, Miss Clow, Miss Ryan, Miss Blosser, and Dr. Richardson.

**NOTICE**  
There will be a secretarial meeting Thursday evening, Oct. 8, at 7 o'clock, in the Math building. We plan for every student registered in the secretarial course to be there.  
Josephine McKlich, president.

**GRAD WITH HIGHWAY COM.**  
Almer "Henny" Hinsvark, who graduated from M. S. C. in the class of '30, has obtained a position with the Montana Highway commission this year and has been stationed in Helena for the past few months.

## FROSH WILL RENOVATE COLLEGE M ON MONDAY

Largest Emblem of Its Type Will Get New Coat on October 12 Weather Permitting. Class of 1935 Will Nominate Officers, Eat and Dance During Holiday

**"M" DAY**  
Monday, October 12, is the regular fall "M" Day, and in harmony with the plan followed in the past, all classes will be discontinued, and the "M" Day activities will be followed through.

In case the weather is so unfavorable that the "M" may not be whitewashed, regular classes will be held, and the first favorable day following will be observed as "M" Day.

In order that the college community may know whether "M" Day is to be observed on Monday, October 12, or not, the following plan will be observed. If conditions are favorable, so that the "M" Day activities may be carried through, the college whistle will blow at 7 o'clock only. If the day is unfavorable, and classes are to be held, the regular whistles will be blown, that is at 6:30 and 7:50.

On Monday, October 12, 300 frosh men will begin their traditional assault against the barren sides of Mount Baldy for the purpose of renovating the college "M," the largest letter of its type in the world. If poor weather prevents such work, students will be notified by the regular whistles; otherwise, the whistle will be blown at seven o'clock to signify a holiday.

In order to see that the work be well done and incidentally to keep tabs on laggard freshmen, the Fane chapter of the Intercollegiate Knights will be there in force and armed with paddles of a highly non-resistant type.

**Old Clothes In Order**  
"All workers are urged to wear old clothes and to bring along discarded brooms if possible," states Jim Gannaway, duke of Fangs. He promises that there will be an ample supply of materials at the base of the mountain with which to give a new white coat to the emblem of Montana State.

Lunch will be served around one o'clock by the Spur women to all men and women of the freshmen class who will have arrived by that time.

After the lunch is served, nominations of class officers will be held. Immediately after this, the entire group will adjourn to the Davis hall for the remainder of the afternoon. Music for the mixer which will be held there is to be furnished by Hoffie's Montanans and admission will be to the freshmen class exclusively.

## World Famous Scientist To Visit School

Dr. Moses Gomberg, President of American Chemical Society, Here October 16

"Chemistry of Free Radicals" will be the subject of Dr. Moses Gomberg, president of the American Chemical society when he speaks before members of the Montana section next Friday evening. Dr. Gomberg is professor of chemistry at the University of Michigan and is on a tour of the different sections of the American Chemical society. He holds the bachelor of science, master of science and doctor of science degrees from the University of Michigan.

**World's Leading Scientist**  
Dr. Gomberg is one of the world's leading scientists doing research work in the field of organic chemistry. He holds many honors for his scientific discoveries. He has a membership in the National Academy of Sciences and holds the Nichols, Willard Gibbs, and Chandler medals. More than 2,000 students have received their preliminary training in organic chemistry from Dr. Gomberg.

The meeting Friday night is open to students of chemistry and all those interested in the work of the society. Professor Gaines of the chemistry department, will preside at the meeting. Previous to the lecture, Dr. Gomberg will be entertained at dinner at the Hotel Baxter.

**NOTICE**  
There will be a meeting of Pi Kappa Delta in room 308 in Main hall, Wednesday evening, October 7, at 7:30 o'clock.

## FRESHMEN

There will be a freshman class meeting in the Little Theater tonight, Tuesday, at 5 P. M. to discuss matters concerning "M" Day and the class scraps. It is important that every freshman be present.  
Jack Erkilla,  
Senior President

## Frosh-Sophs To Mix October 17

Under the direct supervision of the Fangs, freshmen and sophomores will mingle in the first of the interclass mixers a week from next Saturday between halves of the Wyoming-Bobcat football game. The contests will include a sack rush and a push ball game. If the freshmen are victorious their victory will bring them a shorter sentence of green caps.

The rivalry between the two classes has always been intense and this year will undoubtedly show no exception to experiences of the past. Last year between halves of the St. Regis-Bobcat game the class scraps ended in a tie, each going wrapping one contest.

**Results Uncertain**  
After the interclass mix freshmen will be allowed to enter Montana hall by the main entrance. John Coey, president of A. S. M. S. C., and Jack Erkilla, senior class president, have laid all the plans for the scraps and the Fangs will work under their direction. No predictions have been forthcoming from either faction and outsiders are not willing to hazard a guess as to the results.

**NOTICE**  
Any student desiring to try out for Montanan staff positions, who did not sign up at the meeting held last Sunday, may do so by signing up in the Montanan office, in Montana hall, any time this week.  
John Parker, editor.

Austin, Texas.—(IP)—Prof. Alfred Kennott, instructor of romance languages at the University of Texas, while on a visit to Germany this summer, met a woman salesman in a hat shop, liked her looks, and three days later married her. The couple made a wedding trip to Locarno, then returned to the United States Aug. 12.

## "Billy" Sunday Visits Students

In his inimitable style Billy Sunday, popular and famous evangelist addressed a large crowd of students and townspeople at an assembly in the gymnasium at 9:40 Monday morning. Mr. Sunday discussed a number of receipts of life in a humorous and appealing manner. His use of examples and entertaining stories made his speech very effective. The central idea which he emphasized was "make the world a bit better because you have lived in it." Mrs. Sunday spoke very briefly of her family life at the conclusion of her husband's address.

**NOTICE**  
Spartanian meeting in the gym at 5 o'clock, Thursday afternoon.  
Emaline Gould.

### THE "M"

The "M" immense emblem of Montana State on Mount Baldy is nearly in ruins.

Observers have reported it in a condition of almost complete disrepair. The mountainside upon which the "M" is located is even reverting back to its original state, for small trees are beginning to grow through the crannies of the rock outline of the letter.

But the emblem is not beyond repair. Freshmen on Monday will be given the opportunity to remedy the situation.

Perfection of a finished "M" will shine as an attestation of the school spirit of the class of 1935.

### SMATTERINGS FROM HERE AND THERE IN OUR MIDST

And another thing Sportsmanlike Rushing would be a very good course to introduce on the hill, as some people just never learn.

All that the home-eccers need now is a man about the house.

You know boys, the girls at the house this week wouldn't make such a bad-harem.

It looks like all that anyone goes to school for this year is to do some rushing.

Oh, and speaking of the practice house, have you heard whose coming to town this week-end? None other than Gordon himself. Betty is liable to forget to feed the baby.

Jerking pins has always been favorite out-door sport, but the Alpha Gams seem to have a new way of playing the game.

Did the Pi Kaps go along with the team so that the bench wouldn't look so vacant?

Did Helen of Troy have dimples too?

It isn't just the thing to have uninvited guests at a barn dance, but neither is it etiquette to let air out of their tires.

The Kappa Deltis are happy to report that they weathered their own cooking during rush week and that none of the pledges have died.

The Perfect Lovers were in full sway at the assembly Monday morning. We were afraid that an election would have to be held to fill their place.

Ario has just returned from Butte so it will be a few weeks before he has any news for smatterings.

Three rousing cheers for Billy Sunday?

## A nerve system for energetic skyscrapers

Long before the huge bulk of a new skyscraper looms up, Bell System men have planned its nerve system—the maze of telephone cables and wires so vital to its business activities.

From the inception of a building design, telephone engineers work hand in hand with the architects. They determine the telephone

needs of thousands of future tenants. Then they plan cable shafts rising from cellar to roof and the grid of under-floor ducts that will put telephones within easy reach of every occupant.

There's a real thrill in working out these plans, for without telephones the immense structures of today would hardly be practicable.

### BELL SYSTEM

A NATION-WIDE SYSTEM OF INTER-CONNECTING TELEPHONES

*"That bully old slogan hits me just right—*

*... no bamboozlin' about that!"*

**S**URE! When a word fits, you know it! "Satisfy" just fits CHESTERFIELD. A smoker picks up a package, and he likes its neat appearance — no heavy inks or odors from ink. *That* satisfies him.

Then he examines a Chesterfield. It is well-filled; it is neat in appearance; the paper is pure white. And that satisfies him.

He lights up. At the very first puff he likes the flavor and the rich aroma. He decides that it *tastes better*—neither raw nor over-sweet; just

pleasing and satisfying.

Then he learns it is milder. That's another way of saying that there is nothing irritating about it. And again he's *satisfied!*

Satisfy — they've *got* to satisfy! The right tobaccos, the CHESTERFIELD kind, cured and aged, blended and cross-blended, to a *taste* that's right. Everything that goes into CHESTERFIELD is the best that money can buy and that science knows about. CHESTERFIELDS do a *complete* job of it. *They Satisfy!*

**Kappa Delta.**  
Sigma Omega of Kappa Delta announces the formal pledging of the following girls on Saturday afternoon: Elsie May Wetzstein, Hamilton; Doris Iten, Hamilton; Anna Margaret Kroll, Culbertson; Alice Watters, Helena; Marjorie Beauty, Helena; Nellie Spaulding, Eureka; Cleo Wright, Billings; Mollie Rowe, Billings; Leona Marvin, Butte; Lois Hoar, Butte; Eleaine Gilman, Bozeman; Margaret Gustafson, Melville.

Miss Bernice Norris and her mother, from Helena, were dinner guests Thursday evening.

Miss Arlene Crane and Mrs. E. C. Speck, of Whitehall, were guests for lunch Saturday.

Clara Roat spent Sunday in Butte visiting her parents.

Helen and Ruth Bradbury accompanied their parents to Livingston Sunday to hear "Billy" Sunday.

A theatre party was given September 27, for the new pledges.

**Chi Omega.**  
Sigma Beta chapter of Chi Omega held formal pledging Sunday, October 4, for Gwen Duncan, Alberta, Canada; Gretchen Thaler, Bozeman; Rachel Egbert, Bozeman; Margaret Boyd, Kalspell; Mary Broughion, Laurel; Charlotte Requa, Puget Sound, Wash.; Virginia MacDonald, Livingston.

Gwen Duncan was a dinner guest at the Chi Omega house Tuesday.

Charlotte Requa was a dinner guest at the Chi Omega house Saturday night.

Sunday dinner guests at the Chi Omega house were: Mrs. Frances Randall Harrison, Leolyn Howard, Betty Howard, Betty Bolinger, Gwen Duncan, Gretchen Thaler, Rachel Egbert, Margaret Boyd, Charlotte Requa, Mary Broughton and Virginia MacDonald.

Dorothy Snyder and Faye Clarke were dinner guests of Chi Omega Thursday night.

Margaret Anderson, who is teaching school in Fromberg, was a week end guest of Chi Omega.

**Alpha Gamma Delta.**  
Thursday dinner guests at the Alpha Gamma Delta house were Annie Sanders, Alexandria Blaine and Callie Peterson.

Mr. and Mrs. McDowell and Miss Ann Helder, from Billings, were Sunday visitors.

Mrs. Rafferty and Mrs. Kearney were Sunday guests from Butte.

Delta Gamma of Alpha Gamma Delta announces the formal pledging of Katharine Baltzell, Bozeman; Eleanor Crumm, Kalspell; Ladora Kerr, Great Falls; Edith Johnson, Malla; Valborg Dotseth, Great Falls; Catherine Rafferty, Butte; Evelyn Petri, Billings; Jean Green, Coffee Creek; Evelyn Miller, Whitehall; Kathleen Kearney, Butte; Mary Alice Peterson, Three Forks; Agnes Woodson, Roundup; Alice McDowell, Billings; Alice Durland, Billings.

**Alpha Omicron Pi.**  
Mrs. F. C. Jacevard drove to Bozeman Tuesday afternoon, where she spent a few hours with her daughter, Jane, of Hamilton hall.

Mrs. L. T. Herman, who with her son Lewis, accompanied by Eugene Jaccard, Dorothy Reinwand, and William Huber, visited Sunday afternoon with her daughter, Margaret, of Hamilton hall.

Alpha Omicron Pi announces the formal pledging of Betty Goe, Marian Warner, Catherine Byrnes, Margaret Herman, Jane Jaccard, Maud Mills, Mary Moore, Ebba Young, Eileen Cummings, Opal Petrusch, Vanetta Johnson, Ann Stokan, Helen Wellman, Gladys Thomas and Ellen Pope.

Alpha Omicron Pi entertained Sunday afternoon with an informal tea in honor of Mrs. Catherine Bremer Matson of St. Paul, who is grand president of Alpha Omicron Pi. Mrs. Matson plans to stay in Bozeman until Tuesday morning. Those attending the tea were the members of Montana State's faculty and two members of each fraternity and sorority.

**Alphadelt.**  
Alphadelt entertained at a theatre party Sunday, the following girls: Margaret Berg, Ernestine Hieman, Marjorie Bertoglio, and Lucille Flanze.

Alphadelt announces the pledging of Margaret Berg of Pompeis Pillar.

Alphadelt entertained at dinner Thursday evening the following girls: Ernestine Hieman, Margaret Berg, Eleanor Galerneau, Lucille Flanze, Irma Puttio, Charlette Regna, Mary Louise Trask.

Marjorie Williams returned Thursday from her home in Deer Lodge.

**Hamilton Hall.**  
Mrs. Harrison, social director of Montana State college, was a dinner guest Wednesday evening.

Miss Stewart, Miss Clow and Miss Barnes were Sunday dinner guests.

Mr. and Mrs. McDowell of Billings,

FINE HAIR CUTTING IS OUR BUSINESS

## Presto, Change!

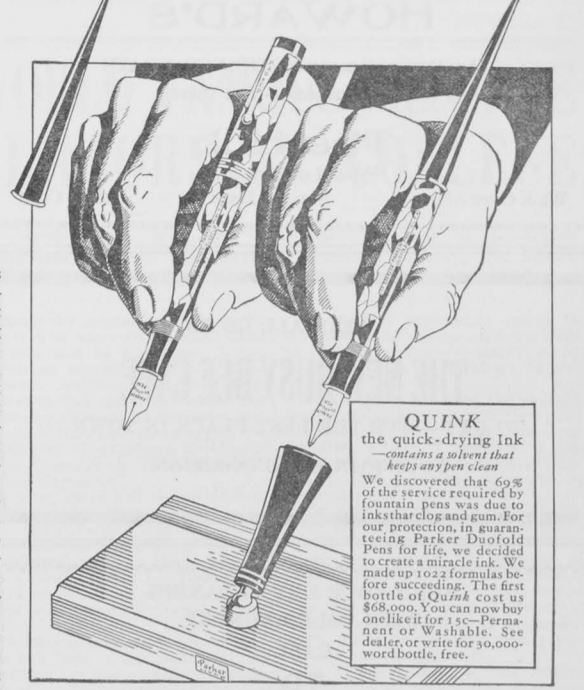

and this Pocket Pen becomes a Tapered Desk Pen

all you need is this attachable taper

**GIVEN FREE**

with every Parker Duofold Pen Purchased before Nov. 15th

Saves you \$5 to \$10

The Parker Duofold is like two pens for the price of one. Attaching a tapered pen-end converts this Pocket Pen into a Desk Set Pen—removing the taper restores it to a Pocket Pen.

Thus, if you get a Parker Pocket Pen, all you need to have a complete Desk Set is a Parker ball-and-socket Desk Base to hold the Pen, at \$2.50 and upward. You need not buy a special desk pen. Thus Parker Duofold's double-duty feature saves you \$5 to \$10.

Twenty-five thousand Parker dealers throughout the United States are now demonstrating this, and giving away five hundred thousand pen tapers, so that Parker Pen buyers can have two pens in one. This gift offer ends Nov. 15—sooner if all free tapers are gone.

But until that time, every purchaser of a Parker Duofold Pen will receive a pen taper free, whether he buys a Desk Base or not! There's a Parker dealer near your college. Stop in and see this demonstration before this offer expires.

Special to Parker Pen Owners: Dealers will also give you the Taper FREE, so you can convert the pen you have, if you get a Parker Desk Base. The Parker Pen Company, Janesville, Wis.

**QUINK**  
the quick-drying ink—contains a solvent that keeps any pen clean

We discovered that 60% of the service required by fountain pens was due to inks that clog and gum. For our protection, in guaranteeing Parker Duofold Pens for life, we decided to create a miracle ink. We made up 1022 formulas before succeeding. The first bottle of Quink cost us \$68,000. You can now buy one like it for 15c—Permanent or Washable. See dealer, or write for 30,000-word bottle, free.

**Parker Duofold**  
PEN GUARANTEED FOR LIFE \$5 \$7 \$10

Other Parker Pens, \$2.75 to \$3.50; Pencils to match them all, \$2 to \$5

Desk Base—without pen—but including taper, \$2.50 and up

# Oh! You Lucky Tab!!

**MOISTURE-PROOF CELLOPHANE**  
Sealed Tight—Ever Right

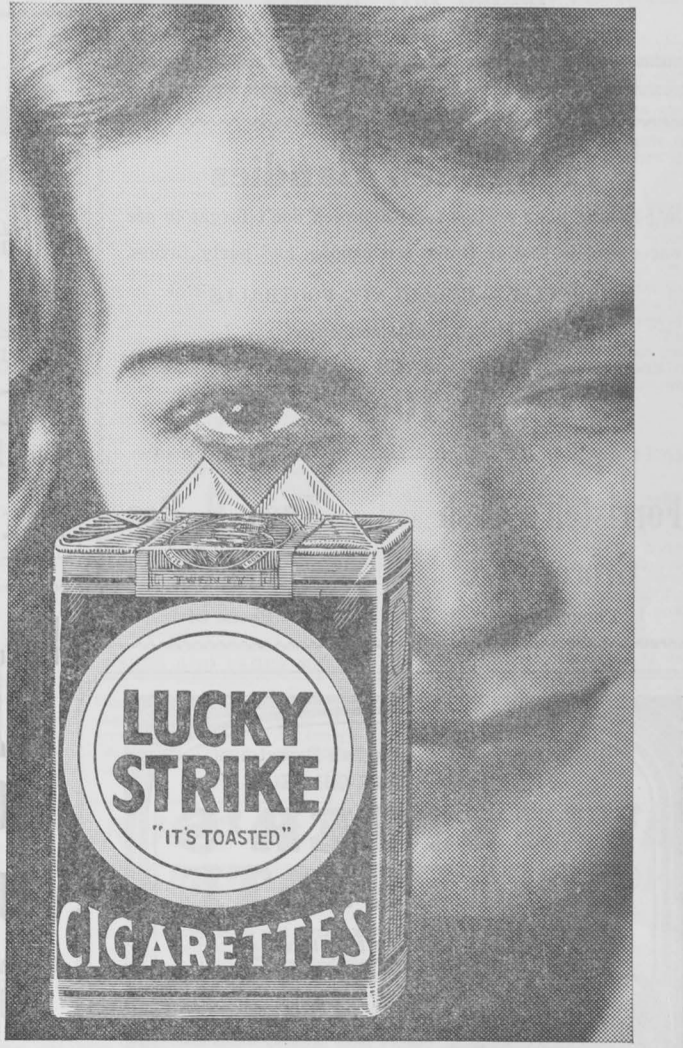

**The Unique HUMIDOR PACKAGE**

**Zip—**  
and it's open!

See the new notched tab on the top of the package. Hold down one half with your thumb. Tear off the other half. Simple. Quick. Zip! That's all. Unique! Wrapped in dust-proof, moisture-proof, germ-proof Cellophane. Clean, protected, neat, FRESH!—what could be more modern than LUCKIES' improved Humidor package—so easy to open! Ladies—the LUCKY tab is—your finger nail protection.

\*\*\*\*\*

Made of the finest tobaccos—The Cream of many Crops—LUCKY STRIKE alone offers the throat protection of the exclusive "TOASTING" Process which includes the use of modern Ultra Violet Rays—the process that expels certain biting, harsh irritants naturally present in every tobacco leaf. These expelled irritants are not present in your LUCKY STRIKE! "They're out—so they can't be in!" No wonder LUCKIES are always kind to your throat.

## "It's toasted"

Your Throat Protection—against irritation—against cough

And Moisture-Proof Cellophane Keeps that "Toasted" Flavor Ever Fresh

TUNE IN—The Lucky Strike Dance Orchestra, every Tuesday, Thursday and Saturday evening over N. B. C. network.

Football fans in Butte Saturday were rewarded with the observation of some real passing and on several occasions some good punting. Johnny Lindstrand of Lewistown won the crowd over when he started an aerial

attack in the second and fourth quarters.

Johnny ran all over the backfield, shook off a few tacklers, took a little time to pick out a man who was open, and then let fly a veritable bullet in the shape of a pigskin. He heaved a pass Saturday for 50 yards right into the arms of a waiting end.

Considering the potentialities of the two teams, the Bobcats must have

played a good game Saturday against the Utah Aggies. The dope said that Utah would win by a considerable higher score.

During the last half of the game, Butte high school saw the Kittens' one yard line three times, but each time they were held there. On the last occasion Butte was on the one yard line, first and goal to go, and they fumbled the ball with the Kittens recovering.

Fans can easily predict the squad's activity for this week and the next to follow. Wyoming is reputed to have an annually good passing system. Coach Dyche will spend much time during the next two weeks in developing a defense for the ariel route.

Klees, Rorex, and Hamm the Kitten mainstays in the game against Three Forks high school Saturday.

Coach "Brick" Breeden of the Dillon Normal school is working hard to develop a team that will take the measure of the Kittens there next Saturday. One thing is certain; the Kittens are going to be up against a good team, for Breeden has some good men out this year.

Although Utah Aggies' famous Smith brothers are not Trade and Mark, they succeeded in leaving their stamp on the Bobcat team.

Fish proved himself to be a good man at bucking the line in the game against Butte Saturday. He turned in some good gains off of the punt formation plays.

**FIRE DEPARTMENT IS ON CAMPUS AT M. S. C.**

With a small but efficient fire department of its own, Montana State college buildings are well protected from serious damage by fire. The department was organized in 1923 at the time of a general construction and expansion program, and consists of a truck with chemical apparatus, ladders, and a thousand feet of hose. It is manned by the engineer on duty at the heating plant, behind which its brick headquarters are located. Besides this rolling stock there are fire extinguishers, axes, hoses and escapes on nearly every building on the campus. The department has made three college runs; twice to the barracks to put out small flames and once last spring to the electrical laboratory. Be-

sides these it has several times been called upon to help the Bozeman fire department on serious town blazes. Since the time when the old chem-

istry building, which stood where Lewis Hall is now located, was burned to the ground no large fire has had the chance to develop.

# KEEP KISSABLE

## WITH OLD GOLDS

Charming women are first won by OLD GOLDS' appealing taste. But their enthusiasm doubles when they find that OLD GOLDS do not taint the breath or mar the whiteness of pearly teeth.

That's because OLD GOLD is a pure-tobacco cigarette. Made from the finest nature-flavored tobacco. So good, it needs no added flavoring.

It's "foreign flavoring," not good tobacco... that leaves unwanted aftermaths. Play safe. Smoke pure-tobacco O.Gs. They leave nothing behind but pleasant recollections.

NO ARTIFICIAL FLAVORS TO TAINT THE BREATH... OR STAIN THE TEETH
