Dickson, Cox Will Speak At Assembly

In keeping with the policy of the Student Senate to encourage student interest in contemporary problems, the second of the present series of student forum discussions will be held this Thursday, April 16, at 10 o'clock. The two main speakers at the assembly will be Dan Cox and James Dickson and they will lead the discussion of the topic, "After the War, what might we expect in the way of peaceful solution to the problems that caused this war?"

Cox and Dickson have just returned from the National Debate convention in Minneapolis where the problem of post-war peace planning was discussed for several days with College students from all over the nation.

The first of the student assemblies, which featured a discussion of the military aspects of the far eastern situation by the honor graduates of the military science department, was very well received by the student body. A third of these assemblies is being planned for some time in May and will feature other MSC students discussing the place of College students in the war effort.

Three Men Retire From MSC Faculty

Three retirements of Montana State faculty members were approved at the last executive session of the State Board of Education on April 13. Approval was given to retirement from the State college faculty of Edmund Burke, consulting research chemist and former chemist; F. B. Linfield, director emeritus of the experiment station, and W. F. Brewer, head of the English department.

Also discussed at the session was whether or not units of the Greater University of Montana should accept Japanese students being evacuated from the west coast.

Two federally financed summer nursing schools, one for Great Falls and the other for Bozeman have been approved, and the federal government will pay tuition and maintenance for approximately 100 women who are high school graduates.

The board also authorized, subject to approval of the board of examiners, a \$600 roof repair job for Montana Hall, and made several new appointments to the extension service staff.

There will be a Les Bouffon meeting at the SAE house at 7:30 Wednesday (tonight).

Dorothy Maynor Will Sing Here Sunday, April 26

An unusual opportunity is to be presented to the student body of MSC on Sunday, April 26, when the Community Concert Association of Bozeman will present Dorothy Maynor, sensational new Negro soprano in a recital of favorite classics.

The program will be classical on the whole, but far from uninteresting. The well-beloved "Ave Maria," the "Cradle Song," and several Negro spirituals will form a part of the program, and compositions of Strauss, Brahms, Debussy, and others which will appeal to the musical taste of the "average listener" are featured.

Dorothy Maynor has one of the greatest voices of this generation; critics and audiences alike have

Dorothy Maynor

applauded her talent, and Olin Downes, leading critic of the New York Times, says, "She has virtually everything needed by a great artist: the superb voice, one of the finest the public can hear today, exceptional musicianship and accuracy of intonation, emotional intensity, communicative power. She should be able to reach almost any height as one of the leading concert singers of her generation."

Miss Maynor has presented several recitals on the air, and has appeared as soloist with four of the country's greatest symphony orchestras: the New York Philharmonic, the Boston Symphony, the Philadelphia Orchestra, and the Chicago Symphony Orchestra.

Anyone who has heard her sing will agree that here is something you won't want to miss.

The time—Sunday, April 26, 3 p.m., the place—the College Gymnasium. Bring your best friend, your girl, your grandmother, and your activity ticket, and hear Dorothy Maynor. Don't fail to be there!

NOTICE

A-A meeting Tuesday, April 21 at 7:30 p. m. in the SUB dining room. There will be a panel discussion on cheating and its recent increase on the campus. All independents welcome.

1942 Enrollment Increases Over Last Year's Total

Total enrollment of all four-year students at MSC has reached 1798, 23 more than last year when the enrollment reached 1775 at the end of the year according to reports from Registrar McCall's office.

Last fall the total enrollment for the quarter reached 1,732 as compared with the corresponding quarter of the year before. Winter quarter of this year showed an enrollment of 1,604 while 1616 had registered the previous winter quarter. Dropping 54 below last spring quarter's registration, this spring shows to date 1487 registrants. Last spring 1,541 students had registered.

Last year 234 students who had registered during the year canceled before commencement. This year the loss jumped to 311 which was largely attributed to the urgent need for men in the armed forces and the attractive offers from industry for partially trained men.

Honor Assembly Scheduled For Tuesday, April 28

Seniors will wear their caps and gowns for the first time Tuesday, April 28 at the annual Honors Day Assembly to be held from 10:30 until 12:00 in the college gymnasium. At this time, new pledges of the various scholastic, professional and achievement honoraries will be announced.

Sheldon E. Davis, president of the Dillon Normal School, will be the main speaker for the occasion. He has addressed this assembly once before.

Glenn H. Craig, of the economics department, is in charge of the assembly this year. Working under him are Tom Balzhiser as head of the program committee and Patty Flynn as chairman for general arrangements. Dr. Strand will act as chairman at the assembly.

The group of honor organizations participating in this assembly are Fangs, Les Bouffons, Mortar Board, Septemviri, Alpha Lambda Delta, Phi Kappa Phi, Tau Beta Pi, Pi Kappa Delta, Alpha Chi Sigma, Alpha Zeta, Delta Phi Delta, Pi Omega Pi, Phi Sigma, Phi Upsilon Omicron, Scabbard and Blade, Spartanians, and Alpha Tau Delta. Also announced at this time will be the outstanding engineering graduate, as chosen by the Montana Society of Engineers and perhaps the awarding of the Frank Alva Parsons Memorial scholarship in the field of art, although this has not been ascertained as yet.

NOTICE

There will be a home economics club meeting Thursday, April 16, at 7:30 in the Engineering Building. Election of officers will be held.

Cox And Kindschy Will Run Publications Next Year

Johnny Rousseau piled up 320 votes to top Joe Pahl with 200 votes in the race for president of the Associated Students of Montana State College in an election which was one of the lightest here in years. Also repeating his victory of last week Johnny McDonald polled 308 to defeat Charles Harnish who drew 191 for vice president.

Unopposed candidates were Dan Cox, who will be the next editor of the Montana Exponent and John Haugen, new commissioner of demonstrations. In one of the closest races of the day Emil Kindschy took the measure of Ed Chauner for editorship of the Montanan with a vote of 272 to 241.

Waldo Emerson will take over the duties of senior class president next year, as he defeated his write-in candidate, Quenton Lord, by a vote of 61 to 33. With 105 tallies, Vic Johnson won out over Katherine Kane, 39, for presidency of the junior class, and Gil Hahn, polling 110 votes, left Kenny Kjelstrup, with 88, behind in the race for sophomore class president.

Program Planned For Mother's Day Weekend, May 9-10

Committee members in charge of the eight annual Mother's Day celebration to be held at M. S. C. Saturday and Sunday, May 9 and 10 have recently announced the program for this week-end, dedicated to parents of the College students.

Highlight of the week-end will be the banquet for all parents and students at 6:00 p. m. Saturday in the Student Union building. Other features Saturday include a band concert by Lou Howard's Bobcat Band at 3:00 in the College gym, followed at 3:45 by gymnastic entertainment by the physical education department under the direction of Harry Ellis, an informal reception for visiting parents at 4:30 in the SUB, and a musical concert by the College orchestra and chorus under the direction of L. E. Opp in the gymnasium. On Sunday the students will entertain their parents at their respective College homes.

Members of the committee are Bert Hansen, chairman, Mrs. Ethelyn Harrison, Dean Marvin Kelly, George Biddle, Dale Johnson, Ed Chauner, Marlyn Stone, Sarah Davis, and Harry Ellis.

Invitations to parents of all students attending M. S. C. will be sent out very soon.

ROTC Parades For High School Week

The first dress parade of the Montana State College R.O.T.C. Regiment will be held for High School Week on May 2 at 11:00 when they will present a review on Gattin field for visiting students. Again at 4:30 in the afternoon of the same day the Regiment will assemble for retreat and the lowering of the flag as a part of the farewell ceremonies for High School Week.

Other dress appearances of the Regiment include a review for the visiting Rotarians who will hold a convention in Bozeman this spring. The parade is scheduled for Sunday, May 10, at 7:30 p. m. On May 20 the annual inspection parade will be held for an inspecting board and on May 22 the military honor and final parade will be held. These parades are all open to the public.

LT. COL. RHODES WILL TAKE POST HERE

Lt. Col. Owen R. Rhodes is en route to Bozeman, where he has been assigned a post with the Montana State College R.O.T.C. unit, according to an announcement issued by Lt. Col. J. J. Hea, PMS&T. There have been no further orders from the War Department, according to the announcement.

NOTICE

Mr. Livers will be the speaker at the next meeting of the math club, which will be held Tuesday noon, April 21, in the math building.

Cause To Think

Montana State College is adopt-
ing the larger role of public edu-
cation through its revived Forum
of the Air, now going weekly on
Monday nights over the three sta-
tions of the Z-Bar Net. Next Mon-
day night's forum will present
Professor Glen Craig, Ray Brown
of Helena, Heber Porter, Bozeman
druggist, and the program's origi-
nator and director, Professor Bert
B. Hansen.

First of the revived series went
on the air Monday night, April 6
when President A. L. Strand, Mr.
Porter, Dr. Paul Eneboe and Mr.
Hansen discussed reasons why the
peace following the last Great War
failed. This week's forum present-
ed Professor M. G. Burlingame of
the history department, M. A. Af-
anasiev of the science department
and John W. Lyman, editor of the
Courier.

Their discussion attempted to
probe underlying causes for the
present world conflagration and
arrived at the conclusion that the
machine age, together with man's
lack of control over his own crea-
tions, has a great deal to do with
this war.

Next week the forum will dis-
cuss possibilities of reconstruction
in Europe.

One of the revelations of the pro-
grams to date has been the number
of "ahs" and "hms" which extem-
pore speaking produces, even
among the most fluent of local
"authorities." Yet, this all adds
to the spirit of the program, which
does not pose as a board of ex-
perts, but rather as laymen's think-
ing on critical problems, all with
the viewpoint of stimulating public
discussion and thought.

As Mr. Hansen says:
"If all these programs do is to
make a number of people wonder
and say: 'I don't agree there,' it
has accomplished a real purpose."

Dear Mom:

So many things have been hap-
pening that I haven't had time to
answer your last three letters.
Please don't be mad.

They had elections here at the
school yesterday. It's just like
they have them at home except
that they don't give out cards with
their pictures on them. A funny
little fellow named Biddle runs the
show. Maybe that's why they don't
have pictures.

The sophomores where I live told
me to vote for Johnny on the first
two places where you put a check
mark, and they both won. The first
Johnny is a model in style shows
and the second one is a wrestler
from the Kappa Sig house who
wears a buckskin jacket.

Then for Editor of the Exponent.
That's the school paper. Dan Cox
didn't have anyone running against
him so I voted for him too. The
Sophomores where I live said he
was an eight ball like the guy who
is editor now. A Junior with a
funny name of Kindschy won for
editor of the year book and it was
close and nobody knows why.

Waldo Emerson won the fight
for senior class presidency. He'll
be the freshman papa next year.
The Sophomores said we better
hide him until all the Frosh get
settled here next year or they might
not come. A Swede, cowboy, sing-
er, called Johnson, will run the
Junior prom next year. They'll
probably hold it in the SAE barn.
I voted for Gil Hahn for the
president of our class for next year
because I didn't know him and be-
sides I saw the other fellow driving
on the grass with a motorcycle
and the Spurs said he shouldn't.

Then there is a whole bunch of
Commissioners who make resolu-
tions and go on record as approv-
ing in the student senate but they
never cause anything to happen be-
cause President Strand sends them
back over to the Student Union
building to make another one and
then they get tired. Some of them
are: Addy, who is harmless and
won't steal the money; Dickson,
who has done everything but make
the honor roll and is now develop-
ing a southern drawl as Commis-
sioner of Forensics (wind bags).

Two girls who I voted for won
too . . . they always smile at me
but the sophomores said they
smile at everybody. A fellow nam-
ed Mutt who is a tau bate is
going to be the home demonstra-
tion Commissioner next year be-
cause nobody else applied.

A little Pi Kap who acts like a
trunk in the plays is a good broad-
caster . . . always popping off . . .
will be the big play boy next
year. A hungry looking fellow
named Frank Howard should be
able to eat free in the Student
Union building next year because
he's the Commissioner. O. D. Mar-
vin is a cute little fellow who
blows his bugle at all the dances
and will write all the music for
he school next year.

Two Ags had a fight because
they want to show how to judge
animals and a guy named Krall won
by a nose. Butch Dougan should
make the first team next year be-
cause he is the Commissioner of
Athletics next year. Johnny Gor-
don, who the Sophomores said
would be Duke of the Fangs be-
cause he's on the click will be
Bookstore Representative . . . may-
be they want to put him on the
shelf.

We had the cutest little skier
here who was teaching in the bug
building. He went skiing when
he shouldn't and the G-men put him
in jail. We don't know yet whether
he should have gone skiing or
not. The nicest man I met down

Miss Fulks Plans For Giant Meals
To Appease High School Appetites

Some idea of the magnitude of
the foods problem of High School
Week may be gained from a sum-
mary of the food that is neces-
sary to feed our guests during just
two meals of their visit.

The following is a tabulation of
the combined quantities of food
to be used for the barbecue picnic
and the box lunch, both of which
meals will be the responsibility of
Miss Elsie Fulks' Committee on
Foods.

Coffee (requiring 30 lb. of coffee	70 gal.
Meat (an entire beef weigh- ing 1200 lbs. unprocessed and 610 lbs. boneless)	
Hamburger buns	1400
Shoestring potatoes	40 lb.
Bread (500 lb.)	300 lvs.
Doughnuts	1440

Twelve Selected
For Phi Kappa Phi

Twelve new members were
chosen from the senior class to
enter the scholarly ranks of Phi
Kappa Phi, national scholastic hon-
orary. They were selected on the
basis of scholarship and character.
The people chosen for this organi-
zation are not to exceed ten per
cent of the Senior class.

The new pledges are J. Stewart
Wright, John C. Wright, Ed Con-
rad, Peter Koch, Warren Faus, Ma-
tie Allport, Delores Emigh, Marie
Hashisaki, Frances Pickolick, Wil-

Atlantic Sponsors
Essay Contest For
Senior Students

Senior students who would be in-
terested in winning valuable prizes
in an essay contest sponsored by
the "Atlantic" monthly magazine
should contact Mr. Brewer, head
of the English department, at once.
The subject is "The Value of the
'Atlantic' to the College student."
Mr. Brewer announces that partici-
pating Senior students will be al-
lowed to substitute the writing of
such an essay for other work in
their English courses.

The contest closes April 30th,
and only one essay may be sub-
mitted by any one college. In ad-
dition to the personal prizes to the
winners, the college represented by
the national winner will be presen-
ted with \$100.00 worth of library
books, accompanied with a suitable
library shelf marker accrediting the
winner.

Foods Committee Announces Novel Meals For HSW

When twelve hundred healthy, hungry high school students converge on Montana State College on April 30th, May 1st and 2nd, to participate in High School Week, Miss Elsie Fulk and the Foods Committee will have the responsibility of seeing that they eat, and that they eat well, during their visit.

The Foods Committee will be in charge of four huge meals. On Friday noon will be "Priority Lunches," for which the high school visitors will be guests of fraternities, sororities, and cooperative houses, some of these groups entertaining as many as 100. Simultaneously the college will entertain high school faculty members in the Student Union Ballroom. On Friday evening the famed Barbecue Picnic will be held in an "air raid shelter" (the Tan Bark room at the gymnasium) during a "Surprise Attack," in keeping with the military note of this year's Week. Saturday noon a "High School Army Feed," a campus lunch, will be held on the lower campus. Saturday evening the Home Economics Club Supper will be held at Herrick Hall and "Victory Dinners" will be served at the churches of Bozeman. At each of these four meals twelve hundred guests will be served.

In the supervision of foods Miss Fulk will have the capable assistance of Miss Mildred Leigh and Miss Ann Gersib. The Committee on Foods is further comprised of Miss Clow, Mrs. Mayfield, Mr. Harrington, Dr. Nelson, Mr. Gaines and Mr. Woodruff. Mildred Anderson and Mary Briggs, Charles Harnish, and Vivian Tretsvan of the student body are also members of the committee.

The assignment given to Mr. Harrington is an unusual one, it being his responsibility to barbecue the beef used at the Barbecue Picnic. The art of barbecuing is one in which Mr. Harrington has gained himself a state-wide reputation. A more complete story of his activities will appear in a later issue. Miss Clow will supervise the preparation of food for the Home Economics dinner held at Herrick Hall. The Faculty Luncheon given for High School faculty members will be in charge of Mrs. Mayfield, Mr. Gaines and Mr. Woodruff are responsible for transportation and the arrangement of equipment used in food preparation. Dr. Nelson is responsible for dairy products and coffee to be used at the Barbecue Picnic and at the Box Lunch on Saturday noon.

Mildred Anderson and Mary Briggs will assist with food preparation and will schedule students for work of foods preparation. Charles Harnish will work with Mr. Gaines and Mr. Woodruff on arrangement of equipment. Vivian Tretsvan, ex-officio member of the committee, acts as coordinator between the preparations of foods and other phase of High School Week.

SENIOR MEETING WILL BE FRIDAY

According to Tom Balzhiser, president, a senior class meeting will be held Friday, April 17, at 5:00 p. m. in the Little Theatre of Montana Hall. Voting will be held on such matters as the class gift, the Senior party, and the question as to whether Seniors shall wear derbies, canes and mortar boards. President Strand will also speak to the group. All seniors are urged to attend.

Jurgen Pohly Is Held In Colorado As Enemy Alien

Jurgen Pohly, former graduate assistant in the department of botany and bacteriology at M.S.C., was recently picked up by the F. B. I. in Denver, Colo., and held for questioning there. It is claimed that Pohly, who is classified as an enemy alien, did not have a federal permit to travel to a Colorado Ski meet.

Pohly is a German-born alien who entered the United States in 1939 and started teaching at M. S. C. last fall. His connection with the college was terminated March 15, and he has been attending various ski meetings over the country since that time. Pohly asserted, upon being detained by the authorities, that he had obtained permission from the Bozeman postmaster, H. H. Howard, to travel. Postmasters, however, are not allowed to grant this permission, and Mr. Howard states that what he gave Pohly was just an alien registration address report card. These cards are used by enemy aliens as quarterly reports and as notification of change of domicile and are the blank forms issued to all enemy aliens who request them.

Pohly is widely known in Montana as a ski star. He won first place in two of the three championship events sponsored this year by the Mount Helena Ski club for the Northern Rocky Mountain Ski association.

Poll Shows Most Favor Marriage After War's Over

(By Associated Collegiate Press)
Marriage before the boy has to go to war is favored by more than one-third of the students at Texas Christian university.

Another 25 per cent of the boys and girls think a formal engagement is best—the wedding to be postponed for the duration.

Approximately 42 per cent — more than favor either of the other two viewpoints—favor postponing the whole thing until the boys return from service.

The question, "Should a boy and girl who are in love marry before he leaves for service," has come in for a lot of discussion on the TCU campus in recent weeks.

Some of the debatable points raised by the boys and girls include the matter of finances, education, social life, possible injury or loss, and general morale.

A discussion group recently spent a whole evening on the question and discovered, by taking a vote before and after the meeting, the number favoring marriage before the war had increased by 10 per cent in that group as a result of the discussion.

Spanish Classes Celebrate Pan-American Day

Pan-American Day was duly celebrated yesterday here at MSC with a luncheon of the Spanish students in the Student Union Building.

The lunch consisted of Spanish food and the program was given entirely in Spanish. Master of ceremonies was "Senor" Robert Benson who announced the following program: "Los Ojos Verdes" (Green Eyes), a piano solo by "Senorita" Virginia Blackwood; a speech on the Pan-American Union (in Spanish) by "Senor" Jim Clark; "La Cucaracha," a vocal duet by "Senoritas" Jenetta Benepene and Mattie Allport; a reading, "Himno de America" (Hymn to America) by "Senorita" Jean Emery and two Spanish songs, "La Paloma" and "Celita Lindo" by "Senorita" Lucille LaBarre.

The luncheon was held in commemoration of Pan-American Day and fifty-seven people attended.

Fangs Will Choose Top Spur, New Pledges At Dance

Fang Chapter of Intercollegiate Knights opens the week-end social activity, Friday night, when it sponsors its annual Spur-of-the-Moment dance in the Student Union ballroom. That evening, the ideal Spur, in the eyes of the Fangs, chosen on the basis of personality, and campus spirit, will be presented to the student body. Making the event of even more interest, twenty-four new pledges to the group will be tapped by Everett Shuey, Duke of the order, and the incoming officers will be named.

To make the announcements a bit more of a surprise, a special meeting will be held Thursday evening and the selections will be made then. Joe Pahl, social chairman of the Fangs, has announced that the affair will be a sport dance, with no programs. All freshmen men should plan to attend, and to make sure, the Fangs will be offering tickets all week long.

Frosh Pick Yvonne Kalberg as Mommy

The long-motherless Freshmen finally took matters in their own hands and elected Yvonne Kalberg to act as their "Mommy" for the rest of the year. Yvonne was presented at the annual Freshman dance give in honor of the seniors, held last Saturday evening in the SUB ballroom.

Keith Seaton, Freshman class president, was in charge of all the arrangements. Music for the dance, whose theme was Victory, was furnished by the Varsity Six.

WALDROP AND DOERING RECITE SUNDAY

Two M.S.C. students will be heard in a recital Sunday afternoon in the SUB. Jane Doering, contralto, accompanied by Grace Marie Waldrop at the piano, will present a program of songs at 3:30. The public is cordially invited.

MAJORETTES

Majorettes Form Organized Group

With the adopting of a constitution and selecting of pins, the Majorettes has become the newest organized group on the campus. Membership includes those who are members of the drum and bugle corps and the baton twirlers corps. Those who belong now are charter members and are entitled to wear the pin of the organization.

Anyone who wishes to join Majorettes must have attended at least three-fourths of the practices and have participated in at least five major exhibitions before she is qualified for membership.

A mixer was sponsored Friday night in order to raise money to pay for the group's picture in the Montanan. Those in charge of the dance were Eileen Olson, Carmel Aikens, Greta Vanderlaan and Edna Schoenek.

Exponents are now being mailed to the camp libraries of most of the leading posts in the nation for the benefit of alumni now in the service.

King Of The Hill Will Be Selected Saturday At Pi Phi Derby Dance

Eight handsome heroes are competing for the title of "King of the Hill" as chosen by vote of the fairer sex at the annual Pi Phi Derby dance. The gala event will come off Saturday night in the SUB ballroom while the Varsity Sextette swings out with some danceable tunes. No less than a "believe it or not" will be the technique of presentation of the cane and derby man, so the Pi Phi's tell us.

Candidates chosen to compete are George Wallis, Sigma Chi; Dale Johnson, Sigma Alpha Epsilon; George Gleed, Alpha Gamma Rho; George Corry, Kappa Sigma; John Rousseau, Phi Sigma Kappa; Vearl Addy, Lambda Chi Alpha; Hart Forsythe, Pi Kappa Alpha; and Jerry Aakhus, Independent. Each girl attending the dance will cast her vote as she goes in the door. To prove to the doubting Thomas' that the whole thing is on the square, one member of each sorority will help count the votes.

Chaperones will be Miss Ritchie, Mrs. Barrows, Mrs. Bennett, Mrs. Gillette, Mrs. Gordon, Mrs. Roberts, Mrs. Robinson, Mrs. Stranahan, Mrs. Wilson and Mrs. Travis. Social Chairman Sally Hoyt is supervising the affair and Virginia Blackwood and Peg Yates are assisting. Incidentally, tickets are available from the Pi Phi's, gals.

M.S.C. Broadcasts History Of Land Grant Colleges

Last Friday evening a group of Montana State students broadcast the first in what may be a regular series of radio programs featuring M. S. C. over KRBM. The half hour program depicted the origin of the land grant colleges.

Students participating in the locally written production were Bill Saubert, who acted as commentator, supported by Billie Austin, Merlin Fisk, Harold Young, Dale Johnson, Al Johnson, Ed Angermeyer, Kenny Baugh, Kenneth Huxford, Don O'Neil, Jack Sturm and Delbert Thurber.

The program dealt mainly with the struggles of the first advocates of industrial colleges, popularly become known as "Ag" colleges, to make the nation and especially the law makers aware of the need for such schools, and culminated with the signing of the Morrill act by President Lincoln during the Civil War. Mr. Morrill, for whom M. S. C.'s Agricultural building is named, was the legislator who finally got the bill creating land grant colleges passed by Congress.

The program opened and closed with a recording by four College students of Montana State's Alma Mater song.

Mortar Board Will Sponsor Panels If Students Desire

Feeling that too many students in College are completely ignorant as to the historical and economic reasons why the United States is at war, members of Mortar Board have announced their willingness to sponsor a series of informal student discussions on these subjects. Some interest has been shown in such a series, and if enough who are interested will mention their desire to have such a group of discussions to one of the Mortar Board members, they will plan to begin the panels some time in May.

Dr. H. F. Hollands of the economics department will probably be the leader of the discussions, which would include such subjects as why we are at war now, how this College generation will be the cause or prevention of a third world war, how the world can be re-established on a peaceful basis, and other topics about which students think too little. The groups would be extremely informal, and each student would be allowed to air his personal views.

Nine Attend AWS Convention At Utah University

Western Intercollegiate Associated Women Students' Convention is being held at the University of Utah at Salt Lake City April 14, 15, and 16, with a theme of "The College Woman's World Today and Tomorrow."

Those attending the convention are Betty Ann Hanley, Mary Ann Batch, Jean Haynes, Mary Dahl, Betty Isaac, Theo. Allen, Sara Cole, Dorothy Schaal and Nora Otfeidal. They were accompanied by Mrs. Harrison and Mrs. Robinson.

The discussion topics of the convention will be leadership training, new problems of A. W. S., what A. W. S. can contribute to morale on and off the campus, how A. W. S. can promote student participation in Red Cross and civilian defense, strengthening of A. W. S., evaluation of present activities in curriculum changes, evaluation of social program in socialization of organized and unorganized students, personal advisory and student welfare and orientation of freshmen and transfers.

Baseball Tourney Starts Monday; 9 Teams Compete

Monday evening, providing the weather permits, the first games of the intramural baseball circuit will be played with nine teams competing for the honors. Games will be seven innings instead of five this season which means that the pitchers will have more to do with wins and losses than in the past years.

The past week has seen the various houses beginning practices and two practice games were played over the week-end. The AGRs defeated the Coops, 16-3 on Saturday, and the Kappa Sigs took the measure over the Pi Kappas, 13-1.

Alpha Gamma Rho, winners of last year, again boast having a top team, with Musselman on the mound and with Hodgson, Chuck and Jim Krall, Nelson, Murray in the field. With the easy win in the practice game, they will be a leading contender for the title. Managing the team is Jim Krall.

Another challenger will be the Sigma Chi's. Will Jorgenson will be on the mound and backed up with such men as Pew, Leary, Don Jorgenson. Being runners-up last year, they will be gunning for the top spot this season according to Manager John Hansen.

Dark horse in the race is the Kappa Sigma team who this year are starting with several new men with plenty of experience. Manager Gabby Green is expecting Bill Curley to be tops on the mound with two relief pitchers Torgerson and Mike Green helping out in the tough spots. Burns, Martin, and Atechison will lead the battery.

Lambda Chi Alpha will put about the same team on the field as last year with plenty of promise for a ranking team. Manager Bob Traver will have Cameron pitching after an envious season last year, and Younglove, Downs, Biddle, and Engle will be depended upon at the plate. Traver remarked: "We'll be at least in the top half," so they may be another dark horse possibility.

Editor Chiz Harrington remarked that the SAE's "will be right up there, or at least have as good a team as last year." With Jim Emery managing, Don McLaughlin will do the mound work and will be backed with veterans Thompson, Anderson, Ralston, Zupan and Fye. McLaughlin has hard to beat last year and will again be one of the leading pitchers.

Manager Joe Eiseman of the Pi Kapp's is expecting his team to put in an excellent season, with probably a lot depending on the mound work of Stokan and Huxford. Roch, Spitzman, Rockman, Peterson, Rivers, and Forsythe all do well at the plate and may put their team around the top.

The Coop team will be a direct challenge again this year with Herwald who averaged 14 strike-outs per game doing the mound work again this season. The leading supporters are: Stokke, Prichard, Itoh, and Yokisho. Chuck Matill expects a good season with a winning team.

The Independents are banking on Scabad for some excellent mound work to aid their challenge. Managing will be Arnold Reed, and with a host to pick from, they could easily be near the title.

SENIORS NOTICE

Caps and gowns will be given out Saturday, April 25, from 9:00 to 12:00 and from 1:00 to 3:00, in the Academic costume room in the basement of Herrick Hall.

Howard Obtains List of 318 Men In Armed Service

A. W. S., the Student Union and the Alumnae office have recently compiled a list of 318 former M. S. C students known to be in the armed service of the United States. The list has been posted on a Student Union bulletin board, and students knowing anyone who is in the service whose names are not listed on the bulletin board or the location of anyone whose name is listed, but whose whereabouts is not given, are asked to turn this information in to Ed Howard's office in the SUB.

These former Montana State men are to be found scattered throughout the entire world. In the United States they are located in Montana, Washington, Texas, Kentucky, New Jersey, Illinois, Connecticut, Louisiana, New Mexico, Missouri, New York, Massachusetts, Maryland, Virginia, Georgia, Wyoming, Florida and the District of Columbia. Other parts of the world in which M. S. C. men are to be found are Canada, Alaska, Panama Canal, Hawaii, Philippine Islands, Colombia, South America, India and Australia. Still others are at sea.

INTRAMURALS

Intramural Manager Harry Ellis has announced that the intramural track and field meet will be on May 15 and 16. Events will start on Friday evening and continue all day Saturday. All fraternities and independent organizations will be expected to enter teams of ten or more men in the meet.

The Ping Pong tournament was narrowed down to Art Grinde and Ed Conrad who played this week for the school championship, with Art Grinde emerging as victor.

Schubert Dyche has announced that spring football will begin on May 15 with all upperclassmen and freshmen reporting who expect to return next fall for the season's play.

NOTICE

There will be an M club meeting at the AGR house at 7:30 Monday night.
